Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Aditya Infotech Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Aditya Infotech Limited ('the Company') for the quarter ended 30 September 2026 and the year to date results for the period 1 April 2026 to 30 September 2026, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').

2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

2 The Standalone Unaudited Financial Results for quarter and half year ended 30 September 2026 have been prepared in accordance with the recognition and measurement principles of Indian Accounting Standard 34 -Interim Financial Reporting ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended and other accounting principles generally accepted in India and are in compliance with presentation and disclosure requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ("Listing Regulations").

*Net off of share issue expenses of Rs. 345.01 million (exclusive of applicable goods and service tax) in relation to issue of shares, have been adjusted against securities premium as per Section 52 of the Companies Act, 2013.

4 The Board of Directors of the Company consider trading of security and surveillance equipments and related activities as the main business of the entity and further, the Company's majority sales are made to customers in India. Accordingly, there are no other separate reportable segments in terms of Ind AS 108 - 'Operating Segments'.

5 Pursuant to Transfer Memorandum dated 12 June 2018, the New Okhla Industrial Development Authority ("Noida Authority") transferred the allotment and lease of the land located at 12A, Sector 135, Noida, Uttar Pradesh, that the Company has been carrying as "Right of use Asset" as per Ind AS 116. As per the terms of the transfer memorandum and the lease deed, the Company was required to undertake construction/ development activity on the said land within the prescribed timelines. The Noida Authority vide its order dated 11 March 2024 had granted extension for completion of construction upto 31 December 2024. However, due to factors beyond management control like ban on construction activities in Delhi NCR region as per GRAP-4 guidelines to control pollution etc., as the construction activities could not be completed by the prescribed date, the Company had filed an application on 12 October 2024, requesting for further extension of one year for completion of construction and development activities on the said land, that is currently pending disposal by the Noida Authority. The Company had submitted an application on 30 December 2025, post receipt of necessary permission/approvals, with the Noida Authority for issuance of the completion certificate for the project. Further, the Company received certain queries from the Noida Authority, for which the Company had filed appropriate response and the matter is currently pending disposal with the Noida Authority for providing extension and completion certificate, post receipt of approval from Government of Uttar Pradesh. During the current period, the Company has completed the development activities at the said land and has capitalised it under Property, Plant and Equipment at an aggregate value of Rs. 861.75 million.

Considering the ongoing delay in receipt of extension of time and completion certificate, the Company, subsequent to the period end, has filed an appeal u/s 41(3) of Uttar Pradesh Industrial Area Development Act ,1976 on 22 October 2026 in respect of such delay, which is currently pending for disposal.

Based on assessment by a legal expert, status of development at the leasehold land and time to time communication with authorities post filing of application for completion certificate, the management is confident of receiving the necessary approvals and accordingly, believes that no adjustment is necessary in these Standalone Unaudited Financial Results at this stage.

6 Consequent to a search conducted at Company's office premises in earlier years, the Company was served a Show Cause Notice ("SCN") dated 30 March 2025, wherein a demand of Rs. 103.29 million was proposed, for alleged incorrect availment of concessional rate of duty on import of 4G routers, against which the Company had filed its responses and also, attended hearings from time to time. During the previous year, the Commissioner of Customs, Chennai (Imports) issued an Order dated 13 January 2026, raising demand for differential custom duty of Rs. 103.29 million along with penalties under the Customs Act 1962, aggregating to Rs. 308.58 million (excluding interest). The Company has filed an appeal against the above said Order before "Customs, Excise And Service Tax Appellate Tribunal" ("CESTAT") on 7 April 2026, which is currently pending listing and disposal. The Company had deposited Rs. 60.00 million under protest in earlier years.

Based on inputs from experts, the management believes that the denial of exemption to 4G Routers under the relevant Customs Notification, covering "Routers" is untenable in law and the Company has high chances of success in the matter. Accordingly, no adjustment is necessary in these Standalone Unaudited Financial Results at this stage.

7 Subsequent events:

(a) On 30 October 2026, the Company allotted 48,100 equity shares having face value of Rs. 1 each, as fully paid up, to eligible employees, upon exercise of options vested under the Aditya Infotech Employee Stock Option Plan 2024 of the Company. Consequent to the aforesaid allotment, the issued, subscribed and paid-up equity share capital of the Company stands increased from Rs. 122.63 million (consisting of 12,26,26,942 equity shares of face value of Rs. 1 each) to Rs. 122.68 million (consisting of 12,26,75,042 equity shares of face value of Rs. 1 each).

8 Previous period's/ year's figures have been regrouped/ reclassified wherever necessary to confirm with the current period/ year figures. The impact of such reclassification/ regrouping is not material to the Standalone Unaudited Financial Results.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Aditya Infotech Limited

1. We have reviewed the accompanying statement of consolidated unaudited financial results ('the Statement') of Aditya Infotech Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its joint venture (refer Annexure 1 for the list of subsidiaries and joint venture included in the Statement) for the quarter ended 30 September 2026 and the consolidated year to date results for the period 1 April 2026 to 30 September 2026, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').

2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of other auditors referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We did not review the interim financial statements/ financial results of three subsidiaries included in the Statement, whose financial information reflects total assets of Rs. 21,209.11 million as at 30 September 2026 and total revenues of Rs. 12,161.03 million and Rs. 21,602.09 million, total net loss after tax of Rs. 170.09 million and Rs. 105.90 million, total comprehensive loss of Rs. 167.38 million and Rs. 105.82 million, for the quarter and year-to-date period ended on 30 September 2026, respectively, and net cash inflows of Rs. 37.02 million for the period ended 30 September 2026, as considered in the Statement. These interim financial statements/ financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Further, of these subsidiaries, two subsidiaries are located outside India, whose interim financial statements have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial information of such subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion, in so far as it relates to the balances and affairs of these subsidiaries located outside India is based on the reports of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Our conclusion is not modified in respect of these matters with respect to our reliance on the work done by and the reports of the other auditors.

Accordingly, there are no other separate reportable segments in terms of Ind AS 108 -'Operating Segments'.

5 Pursuant to Transfer Memorandum dated 12 June 2018, the New Okhla Industrial Development Authority ("Noida Authority") transferred the allotment and lease of the land located at 12A, Sector 135, Noida, Uttar Pradesh, that the Holding Company has been carrying as "Right of use Asset" as per Ind AS 116. As per the terms of the transfer memorandum and the lease deed, the Holding Company was required to undertake construction/ development activity on the said land within the prescribed timelines. The Noida Authority vide its order dated 11 March 2024 had granted extension for completion of construction upto 31 December 2024. However, due to factors beyond management control like ban on construction activities in Delhi NCR region as per GRAP-4 guidelines to control pollution etc., as the construction activities could not be completed by the prescribed date, the Holding Company had filed an application on 12 October 2024, requesting for further extension of one year for completion of construction and development activities on the said land, that is currently pending disposal by the Noida Authority. The Holding Company had submitted an application on 30 December 2025, post receipt of necessary permission/approvals, with the Noida Authority for issuance of the completion certificate for the project. Further, the Holding Company received certain queries from the Noida Authority, for which the Holding Company had filed appropriate response and the matter is currently pending disposal with the Noida Authority for providing extension and completion certificate, post receipt of approval from Government of Uttar Pradesh. During the current period, the Holding Company has completed the development activities at the said land and has capitalised it under Property, Plant and Equipment at an aggregate value of Rs. 861.75 million.

Considering the ongoing delay in receipt of extension of time and completion certificate, the Holding Company, subsequent to the period end, has filed an appeal u/s 41(3) of Uttar Pradesh Industrial Area Development Act ,1976 on 22 October 2026 in respect of such delay, which is currently pending for disposal.

Based on assessment by a legal expert, status of development at the leasehold land and time to time communication with authorities post filing of application for completion certificate, the management is confident of receiving the necessary approvals and accordingly, believes that no adjustment is necessary in these Consolidated Unaudited Financial Results at this stage.

6 Consequent to a search conducted at Holding Company's office premises in earlier years, the Holding Company was served a Show Cause Notice ("SCN") dated 30 March 2025, wherein a demand of Rs. 103.29 million was proposed, for alleged incorrect availment of concessional rate of duty on import of 4G routers, against which the Holding Company had filed its responses and also, attended hearings from time to time. During the previous year, the Commissioner of Customs, Chennai (Imports) issued an Order dated 13 January 2026, raising demand for differential custom duty of Rs. 103.29 million along with penalties under the Customs Act 1962, aggregating to Rs. 308.58 million (excluding interest). The Holding Company has filed an appeal against the above said Order before "Customs, Excise And Service Tax Appellate Tribunal" ("CESTAT") on 7 April 2026, which is currently pending listing and disposal. The Holding Company had deposited Rs. 60.00 million under protest in earlier years

Based on inputs from experts, the management believes that the denial of exemption to 4G Routers under the relevant Customs Notification, covering "Routers" is untenable in law and the Holding Company has high chances of success in the matter. Accordingly, no adjustment is necessary in these Consolidated Unaudited Financial Results at this stage.

7 During the quarter and half year ended 30 September 2026, a fire incident occurred at one of the assembly manufacturing areas of AIL Dixon Technologies Private Limited, a wholly owned subsidiary of the Holding Company, resulting in loss of inventories and certain property, plant and equipment aggregating to Rs. 343.73 million. The incident did not result in any material disruption to the operations of the subsidiary. The subsidiary has lodged a claim with the insurance company for recovery of the loss, and the same is under assessment.
