About Flomic Global Logistics Limited:

Flomic Global Logistics Ltd. is an integrated logistics and freight forwarding company offering end-to-end supply chain solutions across air, sea, and land transportation. Founded in 1988 and listed on the BSE, the company operates an asset-light, scalable logistics platform supported by a strong global partner network. Flomic provides a wide range of services including ocean and air freight forwarding, project cargo and break-bulk logistics, customs broking, warehousing, transportation, and specialized logistics solutions.

With a network of 30 branches and 30+ warehouses across India, Flomic serves 5,000+ active customers across SME and enterprise segments. The company has handled over 42,628 shipments during FY2026, supported by a workforce of more than 510 professionals and technology-enabled operations that deliver efficiency, visibility, and reliability across the supply chain.
