Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”)

Dear Sir/ Madam,

Kindly note that the Company has been informed vide email communication dated September 23, 2026, that the Canadian International Trade Tribunal (“CITT”) has issued a finding in favour of Moly-Cop Canada (Kamloops, British Columbia), an indirect step-down subsidiary of the Company, vide CITT Inquiry No. NQ-2026-002, dated September 22, 2026. Pursuant to the inquiry, CITT found that the dumping and subsidizing of forged grinding media, originating in or exported from China, have not caused injury to the domestic industry, but are threatening to cause injury to the domestic industry. Accordingly, anti-dumping and countervailing duties will therefore be collected by the Canada Border Services Agency.

The details of the finding issued by CITT dated September 22, 2026 can be accessed at - <https://decisions.citt-tcce.gc.ca/citt-tcce/a/en/item/521581/index.do>

The Company believes that this development may have a positive impact on the business prospects of Moly-Cop Canada, subject to market conditions and implementation of the applicable trade measures by the Canadian authorities. The Company will continue to monitor the proceedings and will make further disclosures, as and when required, in accordance with applicable laws and regulations.

The above information is being made available on the Company’s website viz. www.tegaindustries.com.

Kindly take this information on your record.

Thanking You,

Yours faithfully,

For Tega Industries Limited
