Q4 & FY26 Earnings Release

ECOS Mobility Reports FY26 Revenue Growth of 23.58% to ₹8,081.58 Mn driven by a 29% YoY increase in trip volumes; EBITDA Rises to ₹939.29 Mn

Delhi, May 29, 2025: ECOS (India) Mobility & Hospitality Limited (“ECOS” or “Company”), one of the largest chauffeur-driven managed mobility providers to corporates in India, on May 28th 2026, announced its audited financial results for the fourth quarter and financial year 2025-26 ended on March 31st, 2026.

Commenting on the overall performance of the Company, Mr. Rajesh Loomba, Chairman and Managing Director, ECOS said,

“FY26 was an important year for ECOS as we continued to strengthen our scale, deepen enterprise relationships, and expand our operational network across India and international markets.

During the year, we completed approximately 5.23 million trips, representing a growth of nearly 29% year-on-year, and onboarded 223 new clients, taking our active client base to over 1,750 clients. We also expanded our fleet capacity to over 20,000 vehicles to support growing enterprise demand across 130+ cities in India.

At the same time, we continued to strengthen our digital capabilities through enhancements across our platforms and the implementation of a new core backend system aimed at improving operational efficiencies and customer experience.

While we continued to invest in business expansion and organizational capabilities during the year, we remain focused on maintaining disciplined execution and balancing growth with profitability. Looking ahead, we believe ECOS remains well-positioned to benefit from the long-term structural shift towards organized and technology-led corporate mobility solutions.”

- Profit After Tax (PAT) for FY26 stood at **₹575.77 Mn** as compared to **₹600.97 Mn** in FY25.

Strategic Developments during FY26:

- ECOS strengthened its international mobility capabilities through its strategic partnership with SIXT SE under an exclusive India GSA arrangement. Through this partnership, ECOS customers gain access to SIXT's premium global car rental and self-drive network spanning more than 100 countries and over 2,200 locations worldwide. The partnership further strengthens ECOS' positioning as a global mobility solutions provider for Indian leisure and business travellers.
- The Company also launched its digital booking web portal, enabling customers to seamlessly pre-schedule safe and reliable rides in advance. The initiative is focused on better serving existing customers and users who specifically prefer the ECOS experience and service standards, while enhancing convenience, accessibility, and overall customer experience.
- As part of its continued focus on technology and customer experience, ECOS undertook multiple digital enhancement initiatives during the year, including the implementation of a new core backend system aimed at improving operational efficiencies, scalability, and service delivery standards.

About ECOS (India) Mobility & Hospitality Limited:

Founded in 1996, ECO Mobility (Previously known as Eco Rent A Car) is the largest chauffeur driven mobility provider, to corporates in India. The Company is primarily engaged in the business of providing chauffeured car rentals ("CCR") and employee transportation services ("ETS") and has been providing these services to corporate customers, including Fortune 500 and BSE 500 companies in India, individuals, Travel and Tourism companies and Hotels for more than 29 years. The Company has a Pan-India presence in 131 cities through own vehicles and vendors. ECOS also addresses the global car rental requirements of its corporate customers, through its global network of vendors with the capability of providing CCR services in over 30 countries. The Company operates a fleet of more than 20,000, economy to luxury cars, mini vans and luxury coaches. The company also provides specialty vehicles such as luggage vans, limousines, vintage cars and vehicles for accessible transportation for people with disabilities
