Commenting on the Results, Mr. Shilpan Patel, Chairman and Managing Director said, - “Arrow Greentech Ltd has achieved remarkable growth in this quarter, with Revenue from Operations increasing by 110% Q-o-Q to Rs. 878 Millions. Our EBITDA grew by an impressive 246% to Rs. 359 Millions with margin of 41%, a Q-o-Q growth of 1610 bps. Our Profit After Tax surged to Rs. 274 Millions from 74 Millions, representing a growth of 269% Q-o-Q basis.

Q1 FY27 has been a defining quarter for Arrow Greentech, with revenue and profit close to two-fold on both a sequential and a year-on-year basis. This performance reflects the commercial conversion of several years of investments - in capacity, in research and developments, in our patent portfolio.

Our High-Tech Product segment has delivered strong revenue growth as we deepen our commitment to anti-counterfeit solutions and capitalise on opportunities in high-value security applications to address the challenge of counterfeit products. Our Green Products segment continues to track underlying demand cycles, and we remain focused on strengthening its performance further. As we embark on this growth trajectory, we draw strength from the dedication and innovation of our team.

Looking ahead, as we enter the balance of FY 2026–27 with confidence, we will continue to invest in the development of our product portfolio and explore environmentally sustainable innovations that can be integrated into our operations. Through these efforts, we seek to support business growth and deliver sustained value to our stakeholders.”
