Independent Auditor's Review Report on the "Statement of Unaudited Standalone Financial Results for the Quarter ended June 30, 2026" of Park Medi World Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To The Board of Directors of
Park Medi World Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **Park Medi World Limited** (the "Company"), for the quarter ended on June 30, 2026 ("the statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015").

2. The Company's management is responsible for preparation of the Statement in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 ("Ind AS 34") "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. (a) Attention is drawn to the fact that the figures for the three months ended 31 March 2026 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

   (b) The Statement includes the results for the corresponding quarter ended June 30, 2025 as reported in the previously issued Statement, which were not subject to limited review.

Deepening Our Presence in Punjab - Strengthening the Tricity Cluster

Park Medi World Limited (NSE: PARKHOSPS**; BSE:** 544645**):** Park Medi World Limited has today announced the execution of a definitive agreement to acquire 'Mehar Hospital – Zirakpur', a multi-super speciality facility, in an all-cash transaction valued at INR 107 Crores. The acquisition deepens Park Group's presence in Punjab and is expected to be commissioned under the Park brand in November 2026. This acquisition will further strengthen its roadmap for largest healthcare network in the Tricity.

The Asset

'Mehar Hospital' is a well-established multi-super speciality institution, with a capacity of 150+ beds, serving Zirakpur and the wider Tricity catchment. Its proximity to one of North India's densest and fastest-growing urban clusters positions it as a strategically valuable addition to Park Group's network.

The transaction is consistent with the Group's growth strategy of maximising operational synergies and achieving economies of scale through the strategic deployment of assets in high-potential markets. Value creation post-acquisition will be driven by the enhancement of clinical service offerings, the introduction of Park Group's tertiary and quaternary care capabilities, optimisation of operational workflows, and a structured drive to improve bed utilisation - all of which are expected to deliver meaningful improvements to revenue and profits over medium to long term. The transaction is structured to be earnings-accretive.

Why Punjab

This acquisition further strengthens Park Group's presence in the Tricity area of Mohali, Chandigarh and Panchkula. Zirakpur is a fast-growing satellite town in the Mohali district of Punjab, India, serving as the main gateway to Chandigarh, and located within 10–15 kilometres from each of the three cities.

This central position within the Tricity makes 'Mehar Hospital' a natural node in Park Group's cluster-based strategy, complementing the Group's established facilities at Mohali, Panchkula, Patiala, and Bathinda. This acquisition is a deliberate densification of an established and high-performing cluster — extending catchment, deepening super-speciality depth and reinforcing the Group's leadership across the region.

A Year of Step-Change Growth

The Zirakpur acquisition adds to a transformational twelve months for Park Group. In calendar year 2026, the Group has acquired Bathinda (250 beds), which it had operated under an O&M arrangement since July 2025, and Agra (360 beds) - its largest acquisition to date; commissioned Panchkula (350 beds), its largest greenfield facility to date, and Rudrapur, Uttarakhand (330 beds), marking the Group's entry into the state of Uttarakhand; and will, over the balance of the year, commission Zirakpur (150 beds), Narela, Delhi (200 beds) and the extension at Palam Vihar, Gurugram (Park Platinum with 100 beds). Together, these will add ~1,500 beds in a twelve-month period - a 46% capacity addition over the Group's closing bed count of ~3,250 beds in December 2025.

Dr. Ankit Gupta, Managing Director, Park Medi World Limited, said:

"Our continued investment in Punjab is deliberate. Tricity is one of North India's most dynamic healthcare markets, and 'Mehar Hospital' gives us a platform at its very centre — complementing our established presence at Panchkula, Mohali, Patiala and Bathinda and reinforcing our leadership across the region.

This transaction also caps an extraordinary twelve months. Between Agra, Panchkula, Rudrapur, Narela, Park Platinum and now Zirakpur, we will have added ~1,500 beds — a 46% expansion of our network during the year — while remaining disciplined on capital allocation. That combination of pace and prudence is what we intend to carry forward."

About Park Group

Park Group is North India's 2nd largest hospital chain, currently operating 17 hospitals with a combined capacity of ~4,300 beds as on date. The Group is in the process of integrating 3 additional hospitals and expanding capacity at 3 existing units. These are in various stages of execution and will add ~1,500 beds to our network. With these, Park Group's total capacity is expected to reach ~5,800 beds by March 2028, underscoring its commitment to leadership and growth in healthcare delivery.

The Group has established a strong presence across 15 key cities including Delhi, Gurgaon, Faridabad, Panipat, Karnal, Sonipat, Ambala, Mohali, Patiala, Bathinda, Behror, Jaipur, Agra, Panchkula and Rudrapur, and is expanding into Zirakpur (Punjab), Gorakhpur (Uttar Pradesh) and Rohtak (Haryana).
