Subject: Clarification for Financial results – RELIGARE

Dear Sir/Madam,

We are in receipt of below query w.r.t the Financial results submitted by the Company for the quarter and year ended March 31, 2026:

"Financial results submitted in XBRL with discrepancies - "audited" mentioned for quarterly figures in standalone and consolidated financial results in XBRL"

In this regard, we hereby inform that the Statutory Auditors have carried out audit of the financial results for FY 2025-26. The figures of financial results for the quarter ended March 31, 2026, as reported in the financial results, are balancing figures of audited financial results for year ended March 31, 2026 and published year to date figures for the nine months ended December 31, 2025.

Accordingly, the figures pertaining to the said quarter ended March 31, 2026 are un-audited, however, while filing the XBRL form option "audited" has been selected inadvertently. We are undertaking needful steps to file the revised XBRL form for the quarter ended March 31, 2026.

Further, we assure that the highest level of diligence shall be maintained while making submissions with the stock exchanges in future.

This is for your kind information and record.
