OBSERVATIONS AND ANALYSIS

31. We have carefully perused the pleadings of the Petitioner LLPs, the reports submitted by the Regional Director, North-Western Region, Ahmedabad, the Registrar of Companies, Gwalior, the Official Liquidator, Indore, and the Income Tax Department, as well as the reply affidavits filed by the Petitioner LLPs in response thereto. We have also heard the Learned Counsel for the Petitioner LLPs. The law applicable to the present proceedings, being Sections 60 and 62 of the Limited Liability Partnership Act, 2008 read with Rule 35 of the Limited Liability Partnership Rules, 2009, has been duly considered.

32. On the report of the **Regional Director, North-Western Region, Ahmedabad**: The Regional Director has, in its report dated 16.09.2025, clarified that under Section 62(1) of the LLP Act, 2008, the role of reporting in amalgamation matters is vested exclusively with the Registrar of Companies and the Official Liquidator, and that the Central Government/Regional Director has no independent reporting obligation in such proceedings. The

Regional Director has accordingly confirmed that the Registrar of Companies, Gwalior and the Official Liquidator, Indore have been directed to submit their respective reports. This Tribunal takes note of the position articulated by the Regional Director and finds no adverse observations requiring adjudication so far as the Regional Director's report is concerned.

33. On the report of the **Registrar of Companies, Gwalior**: The Registrar of Companies has filed his observations dated 06.01.2026, pointing out that the Petitioner LLPs are required to ensure full compliance with the provisions of Sections 60 to 62 of the Limited Liability Partnership Act, 2008 read with Rule 35 of the Limited Liability Partnership Rules, 2009, and that applicable fee in respect of the authorised capital of the amalgamated LLP shall be duly paid in accordance with law. In their reply, the Petitioner LLPs have given an undertaking to comply with all applicable provisions including payment of requisite fee on authorised capital. This Tribunal accepts the undertaking so tendered and notes that there is no objection to the Scheme on merits from the Registrar of Companies.

29. On the report of the **Official Liquidator, Indore**: The Official Liquidator, upon receipt of the notice and documents, appointed M/s Jain & Khandelwal Co., Indore as Chartered Accountant to investigate the books of accounts of the Petitioner LLPs, and the Chartered Accountant's report dated 19.12.2025 has been placed on record. After examining the said report and the documents furnished, the Official Liquidator has raised two substantive observations, which are addressed hereinbelow:

(i) **Outstanding MSME Dues:** The Official Liquidator has pointed out that the Transferor LLP, namely Agrawal Family Food India LLP, has outstanding dues of Rs. 33,45,277/- payable to Micro, Small and Medium Enterprises (MSMEs). The Petitioner LLPs, in their reply affidavit, have submitted that the Petitioner LLPs are going concern entities; that no compromise is being proposed with any creditor; that the MSME creditors are being regularly paid in the ordinary course of business and no complaint regarding non-payment has been lodged; and that the Petitioner LLPs possess sufficient cash flows to meet all such dues. Having considered the reply, this Tribunal is of the view that the outstanding dues to MSMEs shall be adequately secured and the Transferee LLP, being the amalgamated entity, shall be bound to discharge the same. Accordingly, the Transferee LLP is directed to file an undertaking before this Tribunal confirming that all MSME dues of the Transferor LLP outstanding as on the Appointed Date shall be duly discharged within due course of time as per law.

(ii) **Revaluation of Building and Accounting Treatment:** The Official Liquidator has observed that a revaluation of building was carried out by the Transferor LLP as on 31.12.2024 and that the treatment accorded to the revaluation reserve and depreciation arising therefrom requires clarification. The Petitioner LLPs, in their reply, have undertaken to comply with all applicable accounting policies and standards as may be applicable from time to time. This Tribunal notes that the accounting treatment of revaluation reserves and consequential depreciation directly impacts the true and fair

view of the financial statements of the amalgamated entity and must be in strict conformity with the applicable Accounting Standards notified under the relevant provisions of law. Accordingly, the Petitioner LLPs are directed to file an affidavit, duly certified by their Statutory Auditors, clearly setting out the accounting treatment adopted in respect of the revaluation of building effected on 31.12.2024, including the treatment of the revaluation reserve and the computation of depreciation thereon, confirming that the same is in accordance with the applicable Accounting Standards, within four (4) weeks from the date of this Order.

34. On the report of the **Income Tax Department**: The Income Tax Department, vide its report dated 06.02.2026, has reported the following outstanding demands against the Petitioner LLPs:
(i) in respect of Agrawal Family Food India LLP (PAN: ABFFA4513Q), a total demand of Rs. 18,14,330/- relating to Assessment Years 2018-19 and 2021-22; and
(ii) in respect of Agrawal Snacks Food India LLP (PAN: ABGFA4439G), a demand of Rs. 1,000/- for Assessment Year 2018-19.

The Petitioner LLPs, in their reply affidavit, have submitted that the demand in respect of the Transferor LLP arose on account of an incorrect assumption regarding the last date for filing during the COVID-19 pandemic period and is subject to appropriate proceedings under the Income Tax Act, 1961, and that all final demands, as determined in accordance with law, shall be duly discharged. This Tribunal notes that the pendency of income tax demands does not per se constitute a bar to the sanctioning of a

scheme of amalgamation, inasmuch as the Income Tax Act, 1961 independently governs the rights and obligations of the assessee in this regard, and the concerned authorities are at liberty to take appropriate action in accordance with the provisions of the Income Tax Act. However, in order to ensure that no prejudice is caused to the revenue, the Petitioner LLPs are directed to file an undertaking confirming that all income tax demands, whether existing or crystallising in the future in respect of both the Petitioner LLPs (including for the period prior to the Appointed Date), shall be duly discharged by the Transferee LLP, being the amalgamated entity, as and when determined by the concerned Assessing Authority.

35. On the **Appointed Date**: As per Clause 5 of the Scheme, the Appointed Date is 1st April, 2025. The Scheme was filed before this Tribunal in 2025. The Appointed Date, being the commencement date of the current financial year, is consistent with established practice in merger and amalgamation proceedings and does not appear to be unduly ante-dated. This Tribunal finds no infirmity in the Appointed Date as specified in the Scheme.

36. On the **Interests of Partners, Creditors and Employees**: The Tribunal notes that the meetings of the Designated Partners, Secured Creditors and Unsecured Creditors of both Petitioner LLPs were dispensed with by this Tribunal vide order dated 28.07.2025, and no objections to the proposed Scheme have been received from any quarter. Both Petitioner LLPs are profit-making and going concern entities, and the proposed amalgamation is an internal restructuring exercise between two LLPs under common family management, aimed at consolidating operations, reducing administrative duplication, and achieving operational efficiency.

The interests of the partners, creditors, employees, and other stakeholders do not appear to be adversely affected by the proposed amalgamation. The objects of both Petitioner LLPs being substantially similar, the Scheme is prima facie in the public interest and is not contrary to any provision of law.

Conditions

37. The **Transferee LLP – Agrawal Snacks Food India LLP – shall file an undertaking** before this Tribunal within two (2) weeks from the date of this Order, **confirming that all outstanding dues payable to MSME creditors of the Transferor LLP, amounting to Rs. 33,45,277/- as reported by the Official Liquidator, shall be fully discharged** within the due course of business as per law.

The Petitioner LLPs shall, within four (4) weeks from the date of this Order, **file an affidavit duly certified by their Statutory Auditors setting out the accounting treatment adopted in respect of the revaluation of building carried out on 31.12.2024,** including the treatment of the revaluation reserve and computation of depreciation thereon, and confirming that the same is in compliance with the applicable Accounting Standards.

39. The Transferee LLP shall file an **undertaking** before this Tribunal within two (2) weeks from the date of this Order, **confirming that all income tax demands, both existing and such as may be crystallised in the future in respect of both the Petitioner LLPs (including demands pertaining to the period prior to the Appointed Date), shall be duly paid and discharged by the Transferee LLP** as and when directed by the concerned Assessing Authority under the Income Tax Act, 1961. 40. The Transferee LLP shall ensure full compliance with the provisions of Sections 60 to 62 of the Limited Liability Partnership Act, 2008 and Rule 35 of the Limited Liability Partnership Rules, 2009, including payment of requisite fee on the authorised capital of the amalgamated LLP consequent upon the amalgamation of the Authorised Capital of the Transferor LLP with that of the Transferee LLP, within such period as may be prescribed under the applicable law.

41. The **Transferee LLP shall deposit a sum of Rs. 10,000/- (Rupees Ten Thousand Only) towards the costs incurred by the office of the Official Liquidator, Indore,** in the matter, in favour of the Pay & Accounts Officer, Ministry of Corporate Affairs, within four (4) weeks from the date of receipt of a certified copy of this Order. Proof of such deposit shall be filed before this Tribunal and a copy thereof shall be furnished to the office of the Official Liquidator, Indore.

42. force. All permissions, approvals, and compliances specifically required under any other law shall be independently obtained by the Petitioner LLPs.

44. In view of the foregoing, this Tribunal is satisfied that the Scheme of Amalgamation of Agrawal Family Food India LLP (Transferor LLP) with Agrawal Snacks Food India LLP (Transferee LLP), as set out in Annexure P-9 (Colly) of the Petition, is fair, reasonable, and not contrary to public interest or to the provisions of any law. The observations and objections raised by the statutory authorities stand adequately addressed and disposed of in the manner indicated hereinabove. Accordingly, the Scheme is sanctioned subject to compliance with the directions set out hereinbelow.
