FOR IMMEDIATE RELEASE

Megamont Limited Bags Order to Supply 1,000 MT of Crude Sunflower Oil Worth Approx. Rs. 15.59 Crores

Mumbai, 20th November, 2026: Megamont Limited has **received a confirmed order for the supply of 1,000 MT of Crude Sunflower Oil** to **Frigorifico Allana Private Limited**, Khopoli. The order value is approximately **Rs. 15.59 Crores** (including 5% GST), with deliveries scheduled in **December 2026**.

Details of the Order:

The order, confirmed on 18th November, 2026, is for the supply of Crude Sunflower Oil of Black Sea origin. Deliveries will be made at the buyer's plant at Khopoli, Maharashtra, between 10th December and 31st December, 2026.

Strategic Significance:

Sunflower oil is one of the key edible oils in India's import basket, with the Black Sea region being a major source of supply. This order marks a **further step in the growth of Megamont's edible oil business**, following the company's recent crude palm oil trade, and reflects its ability to serve established institutional buyers.

The order strengthens the company's presence in the edible oil and agri-commodity segment as Megamont continues to build its sourcing and supply-chain capabilities.

Industry Outlook:

India is among the world's largest consumers and importers of edible oils, and sunflower oil remains a preferred choice for food processors and household consumers alike. Steady demand from the food processing industry, together with the need for dependable bulk supply, continues to create opportunities for trading houses with strong sourcing networks and timely delivery capability.

Management Commentary:

Mr. Tejas Patil, Director, Megamont Limited, commented: *"We are pleased to have secured this order for 1,000 MT of crude sunflower oil from Frigorifico Allana. Deliveries are scheduled for December 2026, and this order adds to our growing edible oil and agri-commodity business. We will continue to strengthen our sourcing and supply-chain capabilities to serve our customers."*
