*Commenting on the financial results,* ***Ms. Praveena Rai, Managing Director & CEO, MCX****, said, "For over two decades, MCX has played a pivotal role in strengthening India's commodity markets through transparent price discovery and effective risk management solutions. Our strong performance in Q2 FY27 reflects the continued trust of market participants and the growing relevance of the Exchange in the evolving commodity ecosystem. This was driven by sustained growth across product segments, market participation, and ongoing efforts to broaden the product portfolio. As we look ahead, our focus is on building on this strong foundation by continuing to broaden market participation, expand product portfolio, and invest in technology and innovation. We remain committed to developing a more vibrant and inclusive commodity markets ecosystem while creating sustainable, long-term value for all our stakeholders."*

**About MCX:**

The Multi Commodity Exchange of India Ltd. (MCX) is India's leading Commodity Derivatives Exchange and the largest Commodity Options Exchange globally (FIA 2025). Operational since 2003, MCX has a market share of over 98% in terms of the value of commodity futures contracts traded in H1 FY27. With pan-India presence, MCX serves as a dynamic platform for the Indian commodity market ecosystem, offering dual advantages of fair price discovery and efficient risk management. It offers trading in a diverse range of commodities, spanning multiple segments including bullion, energy, metals and agri commodities, as well as sectoral commodity indices. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations.
