Notes:

1. The Government of India, Ministry of Corporate Affairs has allowed conducting Annual General Meeting through Video Conferencing (VC) or Other Audio Visual Means (OAVM) and dispensed the personal presence of the members at the meeting. Accordingly, the Ministry of Corporate Affairs issued General Circular No. 03/2025 dated September 22, 2025 read with earlier circulars issued in this regard ("MCA Circulars") and Circular No. SEBI/HO/CFD/ CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 read with earlier circulars in this regard issued by the Securities and Exchange Board of India ("SEBI Circular") prescribing the procedures and manner of conducting the AGM through VC/OAVM. In terms of the said circulars, the 43rd AGM of the Members will be held through VC/OAVM. The detailed procedure for participation in the meeting through VC/OAVM is as per note no. 29 and available at the Company's website: <https://www.sanrhea.com>.
2. Pursuant to the Circular No. 14/2020 dated 8th April, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives for attending the AGM through VC/OAVM, participating thereat and casting their votes through e-voting.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
4. Information regarding appointment/re-appointment of Directors and Explanatory Statement in respect of special businesses to be transacted pursuant to Section 102 of the Companies Act, 2013 and/or Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is annexed hereto.
5. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI"), as revised with effect from April 01, 2024, read with Clarification / Guidance on applicability of Secretarial Standards 2 dated April 15, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
6. Pursuant to Income Tax Act, 2025, dividend income is taxable in the hands of shareholders and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, please refer to the Income Tax Act, 2025 and the amendments thereof. The shareholders are requested to update their PAN with the DP (if shares held in electronic form) and Company / RTA (if shares held in physical form).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form 121, to avail the benefit of non-deduction of tax at source by e-mail to investor.helpdesk@in.mpms.mufg.com by **19th September, 2026**. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

As per Section 262 of the Income Tax Act, every person who has been allotted a PAN and who is eligible to obtain Aadhaar, shall be required to link the PAN with Aadhaar. In case of failure to comply to this, the PAN allotted shall be deemed to be invalid/inoperative and tax shall be deducted at the rate of 20% as per the provisions of section 397(2) of the Act. The Company will be using functionality of the Income-tax department for the above purpose. Provisions are effective from July 01, 2023. Shareholders may visit <https://www.incometax.gov.in/iec/foportal/> for FAQ issued by Government on PAN Aadhaar linking.

Non-resident shareholders [including Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)] can avail beneficial rates under tax treaty between India and their country of tax residence, subject to providing necessary documents i.e. No Permanent Establishment and

Annual Report 2025-26

Beneficial Ownership Declaration, Tax Residency Certificate, Form 41, any other document which may be required to avail the tax treaty benefits. For this purpose the shareholder may submit the above documents (PDF / JPG Format) by e-mail to investor.helpdesk@in.mpms.mufig.com. The aforesaid declarations and documents need to be submitted by the shareholders by **19th September, 2026**.

7. The Members can join the AGM in the VC/OAVM mode 15 (fifteen) minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. Pursuant to Regulation 44(6) of Listing Regulations, the Company is also providing live webcast of proceedings of the AGM. The Members will be able to view the proceedings on National Securities Depository Limited's ('NSDL') e-Voting website at www.evoting.nsdl.com. The facility of participation at the AGM through VC/OAVM will be made available to at least 1,000 Members on a first come first served basis as per the MCA Circulars. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
8. Further, pursuant to the MCA Circulars and SEBI Circulars, the Notice of the AGM along with the Annual Report for FY 2025-26 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / the Registrar / Depositories. The Notice convening the AGM has been uploaded on the website of the Company at www.sanrhea.com and may also be accessed from the relevant section of the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also available on the website of NSDL at www.evoting.nsdl.com.
9. The Company has fixed **Friday, September 11, 2026** as the 'Record Date' for determining entitlement of members to receive dividend for the FY 2025-26, if approved at the AGM.

Those members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Record Date shall be entitled for the dividend which will be paid on or after **Thursday, October 1, 2026**, subject to applicable TDS.

"Please note that As per SEBI Master Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2024/37 dated May 7, 2024, w.e.f. April 1, 2024, dividend to members who holding shares in physical form shall be paid only through electronic mode. Such payment shall be made upon folio being KYC compliant i.e. registering their PAN, contact details including mobile no., bank account details and specimen signature with RTA / Company".

10. Book Closure

The Register of Members and the Share Transfer Books of the Company will be closed from **Saturday, September 12, 2026 to Thursday, September 17, 2026** (both days inclusive) for the purpose of this AGM.

11. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company's Registrar and Share Transfer Agent, MUFG Intime India Private Limited. ("**Registrar**" or "**RTA**") at Investor.helpdesk@in.mpms.mufig.com for assistance in this regard.
12. Members holding the shares in physical mode are requested to notify immediately the change of their address and bank particulars to the R&T Agent of the Company. In case shares held in dematerialized form, the information regarding change of address and bank particulars should be given to their respective Depository Participant.

13. As per Section 72 of the Act, the facility for submitting nomination is available for members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form SH-13. The form can be downloaded from the Company's website. Members are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the RTA, in case the shares are held in physical form.
14. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode.
15. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
16. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Company in case the shares are held by them in physical form.
17. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of Listing Regulations (as amended), and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with NSDL for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as e-voting during the AGM will be provided by NSDL.
18. **Alternatively, Members may send a request to evoting@nsdl.com for procuring user id and password for e-Voting by providing demat account number / Folio number, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAAR (self attested scanned copy of Aadhaar Card).** In case of Individual Shareholders holding securities in demat mode are requested to follow steps mentioned below in Para 29 below under Step 1 (A) i.e. "Login method for remote e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
19. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.
20. Members of the Company holding shares either in physical form or in electronic form as on the cut-off date of **Saturday, September 19, 2026** may cast their vote by **remote e-Voting. The remote e-Voting period commences on Wednesday, September 23, 2026 at 9:00 a.m. and ends on Friday, September 25, 2026 at 5:00 p.m.** The remote e-Voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting rights of the Members (for voting through remote e-Voting before the AGM and e-Voting during the AGM) shall be in proportion to their share of the paid-up equity share capital of the Company as on the **cut-off date of Saturday, September 19, 2026**. Subject to receipt of requisite number of votes, the Resolutions passed by remote e-voting are deemed to have been passed as if they have been passed at the AGM i.e. **Saturday, September**

Annual Report 2025-26

26, 2026. The Notice of the AGM indicating the instructions of remote e-voting process can be downloaded from the NSDL's website www.evoting.nsdl.com or the Company's website www.sanrhea.com

21. Members will be provided with the facility for voting through electronic voting system during the video conferencing proceedings at the AGM and Members participating at the AGM, who have not already cast their vote by remote e-Voting, will be eligible to exercise their right to vote during such proceedings of the AGM. Members who have cast their vote by remote e-Voting prior to the AGM will also be eligible to participate at the AGM but shall not be entitled to cast their vote again on such resolution(s) for which the member has already cast the vote through remote e-Voting.
22. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date i.e. **Saturday, September 19, 2026**, shall be entitled to avail the facility of remote e-voting before the AGM as well as e-Voting during the AGM. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes a Member of the Company after the dispatch of this Notice and holding shares as on the cut-off date, i.e. **Saturday, September 19, 2026**, may obtain the User ID and password by sending a request along with the requisite documents as mentioned in para 18 above, at evoting@nsdl.com. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. In case of Individual Shareholders holding securities in demat mode and who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date may follow steps mentioned **para 29 below under Step 1 (A) i.e. "Login method for remote e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**
23. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting, by use of e-voting system for all those Members who are present during the AGM through VC/OAVM but have not cast their votes by availing the remote e-voting facility. The e-voting module during the AGM shall be disabled by NSDL for voting 15 minutes after the conclusion of the Meeting.
24. **Shri Ashish Doshi partner of SPANJ & ASSOCIATES**, Practising Company Secretaries (Membership No. FCS 3544 & CP No. 2356) has been appointed as the Scrutinizer by the Board for providing facility to the Members of the Company to scrutinize remote e-Voting process before the AGM as well as remote e-Voting during the AGM in a fair and transparent manner.
25. The Scrutinizer will submit his report to the Chairman or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes casted through remote e-voting), not later than 48 hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock Exchange on which the Company's shares are listed, NSDL and RTA and will also be displayed on the Company's website at www.sanrhea.com.
26. Members seeking any information with regard to accounts are requested to write to the Company from their registered email address, mentioning their name, DP ID and Client ID number / folio number and mobile number, to reach the Company's email address at dk.sanrhea@gmail.com atleast 10 days before the meeting so as to enable the management to keep the information ready.
27. SEBI has mandated the submission of PAN, KYC details and nomination by holders of physical securities by October 1, 2023, and linking PAN with Aadhaar by June 30, 2023 vide its circular dated March 16, 2023. Shareholders are requested to submit their PAN, KYC and nomination details to the Company's RTA at Investor.helpdesk@in.mpms.mufig.com for assistance in this regard.

Members holding shares in electronic form are, therefore, requested to submit their PAN to their DP.

In case a holder of physical securities fails to furnish PAN and KYC details before October 1, 2023 or link their PAN with Aadhaar before June 30, 2023, in accordance with the SEBI circular dated March 16, 2023, RTA is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the RTA / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.

28. Since the AGM will be held through VC in accordance with the Circulars, the route map, proxy form and attendance slip are not attached to this Notice.
29. THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:

The remote e-voting period begins on Wednesday, September 23, 2026 at 9:00 a.m. and ends on Friday, September 25, 2026 at 5:00 p.m. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Saturday, September 19, 2026, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Saturday, September 19, 2026.

 - b) **“Physical User Reset Password?”** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at www.evoting.nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- (a) After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status.
- (b) Select “EVEN” of the company Sanrhea Technical Textiles Limited to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join General Meeting”.

(A) Conservation of energy**(i) Steps taken for conservation of energy**

Energy conservation remains a cornerstone of our operational strategy. We have implemented rigorous monitoring systems to optimize energy consumption throughout our manufacturing processes. This is supported by ongoing employee engagement and training initiatives that foster a culture of efficiency and eliminate waste. Furthermore, we utilize advanced ventilation systems to manage thermal output from machinery, enhancing both energy efficiency and workplace safety.

(B) Technology Absorption**(i) Research and development**

Our R&D strategy is strategically aligned with national imperatives for import substitution and self-reliance. We are aggressively developing a pipeline of specialized technical fabrics designed to replace imports in high-growth sectors, including Automotive, Engineering, Rubber Components, and Defense (specifically for Marine and Inflatable applications). Several innovative fabrics are in advanced stages of development and testing, representing significant future volume and revenue streams as they move toward commercialization and approval with major multinational corporations.

(ii) Technology absorption, adaptation and innovation

In line with our strategic vision, we have successfully commissioned significant technological upgrades to enhance our product quality and manufacturing capabilities. This includes the installation of new Twisting False Twist (TFO) units, advanced Rapier Looms, and a modernized, state-of-the-art Dipping Line. These investments are critical for producing the high-specification fabrics required by our target sectors and solidify our position as a technologically advanced manufacturer.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure and Developments

The Indian industry continues to remain on a strong and sustainable growth trajectory. Despite ongoing global uncertainties and geopolitical developments, the Indian economy has demonstrated resilience and continues to emerge as a stable, balanced and attractive destination for global businesses and investments. The increasing interest of foreign companies in India is expected to create new business opportunities and further strengthen domestic economic activity.

The Government's continued focus on **"Make in India"**, self-reliance and domestic manufacturing has opened up significant opportunities across various sectors. In addition, increased defence procurement, greater emphasis on indigenous defence production and the implementation of large-scale infrastructure projects have provided strong impetus to industrial growth across the country.

With supportive government policies, improving economic fundamentals and sustained investments in infrastructure, manufacturing and defence, we believe that the Indian industry is well positioned for continued growth in the coming years. Accordingly, we remain optimistic about the overall industry outlook and foresee strong and sustainable opportunities for businesses operating within the Indian market.

Opportunities and Threats

The continued expansion of India's manufacturing and infrastructure sectors presents significant and growing opportunities for the technical textile industry. Rising domestic consumption, increasing industrial activity, greater emphasis on indigenous manufacturing and the growing preference for locally produced and engineered products are expected to support sustained demand for specialised technical textiles and high-performance fabrics.

We believe that opportunities for a focused and growth-oriented company are extensive. India is increasingly positioned to emerge as a global sourcing and manufacturing hub for a wide range of finished as well as intermediate products. The Government's continued emphasis on **"Make in India"**, self-reliance, domestic manufacturing and infrastructure development, together with India's expanding global trade relationships and emerging international partnerships, is expected to create new avenues for Indian manufacturers to access both domestic and international markets.

The Company believes that its presence across diverse industrial segments provides a strong platform to capitalise on these opportunities. This is an important phase for the Company to strengthen its capabilities, expand its product portfolio, develop new applications and deepen its presence across existing and emerging markets.

At the same time, the global business environment continues to present challenges. Geopolitical tensions, including ongoing conflicts in Ukraine and the Gulf region, changes in international trade policies, tariffs, supply-chain disruptions, fluctuations in raw material prices and global economic uncertainties may adversely affect demand, costs and export markets. Nevertheless, the fundamental need for industrial products and infrastructure remains strong, and the Company believes that India is well positioned to benefit from the continuing shift towards diversified and reliable global supply chains.

The Company will continue to closely monitor these developments and focus on **operational efficiency, product innovation, customer diversification, market expansion and prudent risk management** to address emerging challenges and convert available opportunities into sustainable and long-term growth.

Segment - Wise or Product - Wise Performance

CHAFER FABRICS : Chafer Fabrics continue to remain the Company's largest product segment. During the year, the sales volumes of the Company to its tyre customers have increased, resulting in an overall increase in volumes in this segment. The Company has further initiated supplies to newer customers, where it expects gradual growth in volumes. Further approvals are underway, and the Company expects more tyre industry customers to be added in the coming period. The Company is very bullish on this segment as every tyre company is either increasing its capacity or setting up additional plants.

BELTING FABRICS : Belting Fabrics continue to face challenges in the domestic market, primarily due to the availability of imported RFL dipped fabrics at competitive prices. The Company continues to maintain its presence in this segment and is also exploring opportunities in overseas markets. At the same time, the Company continues to engage with industry associations and relevant authorities regarding issues affecting the domestic technical textile industry. The Company believes that favourable changes in import-related policies could provide an opportunity for the segment to revive and achieve its potential. The domestic market in this segment continues to be non-remunerative, primarily on account of the dumping of ready RFL dipped fabrics into India, rendering the production of these fabrics non-lucrative. The Company has a small presence in this segment among select customers and is also reaching out to customers overseas in the Conveyor Belting Industry. However, the Company does not intend to write off or exit this sector, as it is confident that Government policies on imports will be amended, thereby reopening this segment, which has a huge volume requirement in India.

SPECIALISED FABRICS : The Company continues to focus on the development and commercialisation of specialised fabrics for the Auto-Component, Marine Inflatable and Engineering Industries. During the year, the Company has continued to strengthen its capabilities in value-added and application-specific products and is pursuing opportunities with reputed customers. The Company believes that the increasing demand for specialised products and the approvals obtained for certain applications will provide opportunities for commercial volume growth in this segment. The Company's concentration continues in this segment and is confident that the specialized fabrics it has developed and obtained approvals for in certain critical applications will now see commercial volume sales.

Outlook

The Company continues to pursue a growth-oriented strategy with a focus on specialised and value-added products. While the development and approval process for such products may require time, the Company believes that these products can provide established, remunerative and long-term business opportunities. The Company is also exploring opportunities in overseas markets to diversify its customer base and strengthen its presence beyond India. These initiatives are expected to support the Company's future growth and provide a platform for expanding its production capacity.

The Company continues to see a strong and growth-oriented outlook. With the increase in the automobile industry in the country, all the product segments of the Company see promising prospects. India seems to be becoming a hub for the automobile industry, and more and more automobile companies are setting up plants here. This assures growth for a company like ours.

Risks and Concerns

A significant portion of the Company's raw material requirements continues to be sourced from overseas, as stable and competitive domestic sources for specialised yarns are still developing. A substantial portion of these requirements is sourced from China, making the Company sensitive to changes in trade policies, import regulations, duties, logistics costs and India-China relations. The availability and cost of imported raw materials therefore remain important factors affecting the Company's operations. Also, the Textile Ministry's lack of in-depth knowledge of the Technical Textile Industry and its critical requirements is a major constraint while drafting policies that could truly help the industry grow. This remains one of the major concerns for the

Annual Report 2025-26

industry. Over and above this, the Government's policies on imports, when influenced by the vested interests of large players in this segment, can greatly hamper the prospects for the development and growth of mid-sized and small players in the field of technical textiles.

Internal Control Systems and Their Adequacy

The Company has an adequate internal control system commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit function are defined in the Internal Audit Charter. The Internal Auditor maintains independence and objectivity and places the Internal Audit reports before the Board of Directors.

The Internal Auditor periodically reviews and evaluates the effectiveness and adequacy of the internal control systems of the Company, including compliance with operating processes, accounting procedures and applicable policies. Based on the observations and recommendations of the Internal Auditor, the respective process owners undertake corrective actions, wherever required, to strengthen the internal control framework. Significant audit observations and the status of corrective actions are placed before the Board of Directors for its review.

Discussion on Financial Performance With Respect to Operational Performance

The company's Annual Sales have been ₹ 8044.53 Lakhs. The EBITDA of the year stood at ₹ 1115.51 Lakhs as against a EBITDA of ₹ 961.67 lakhs, in the previous year. After providing Depreciation, Finance Charges and Taxation, the company has incurred Net Profit of ₹ 568.40 Lakh. As you would observe, though the tonnage volumes and revenue of the company have gone up, there has been substantial improvement in the profitability of the company. This has been primarily on account of the shift to higher value and specialized products.

Details of Significant Changes in Key Financial Ratios and Return on Net Worth

Pursuant to amendment made in Schedule V to the SEBI Listing Regulations, details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in Key Financial Ratios and any changes in Return on Net Worth of the Company (on standalone basis) including explanations there for are given in Note no. 40 of the Financial Statements.

OPERATIONS

The Company's operations have remained on track and continued to grow during the year. To support ongoing operations and planned expansion, the Company has leased two additional sheds in the nearby industrial estate. The shifting of certain operations and the related corrections and alterations required at the plant caused some temporary disruption to operations. However, these measures were necessary to create additional space and infrastructure in line with the Company's planned future growth. The Company has been operating at optimum levels during the year and has achieved its highest-ever output. The Company has reached a stage where it needs to undertake capacity expansion immediately to meet the growing demand for its products.

STRATEGY AND MARKET

Over the past few years, the Company's strategy has continued to focus on developing and increasing the share of specialised products. This not only generates better revenues but also helps secure long-term business associations. Simultaneously, the Company is focused on increasing volumes with each of its existing customers as well as adding new customers across each segment. The Company is also pursuing approvals for its products in overseas markets and working towards establishing a presence in international markets.

The Company actively mitigates these risks by focusing on high-value products, expanding into international markets, maintaining working capital discipline, engaging regulatory bodies via industry associations, and executing capacity expansion plans.

EXPANSION CUM DIVERSIFICATION

The Company has taken up its growth and expansion plans on a war-footing basis. It has initiated the process of identifying suitable land in the nearby areas for setting up a new manufacturing unit with more than double the existing capacity. The Company plans to finalise the land within the next few months and targets to have the new plant operational by the end of 2027. This expansion is expected to more than double the Company's production capacity and enable it to enter additional segments of the technical textile product range for which the existing facility is not equipped.

SWOT ANALYSIS

Strengths

- **Specialised Product Portfolio:** Core expertise in developing technically demanding fabrics for tyre, automotive, engineering, and marine applications, enabling long-term customer partnerships.
- **Quality & Manufacturing Infrastructure:** Robust quality management systems and certifications (ISO 9001 and ISO 14001 by DNV) that ensure consistent product standards across diverse industrial applications.
- **Diversified Segment Base:** Presence across multiple end-use applications reduces operational reliance on any single market segment.

Weaknesses

- **Vulnerable Supply Chain:** A critical dependency on imported raw materials, primarily from a single geographic region (China), exposes us to significant geopolitical, logistical, and pricing risks.
- **Margin Pressure:** Volatility in raw material and energy costs, coupled with high working capital expenses, continues to compress margins and challenge profitability.

Accounting Treatment

In the preparation of the financial statements, the Company has followed the applicable Indian Accounting Standards. The significant accounting policies applied in the preparation and presentation of financial statements have been set out in Note No. 1 of the Notes forming part of the financial statements for the financial year ended on March 31, 2026.

Material Developments in Human Resources / Industrial Relations Front, Including Number of People Employed

As of March 31, 2026, the Company had 113 full-time employees. The Company recognises that its employees are an important part of its growth and continues to focus on developing a positive, transparent and participative work environment. The Company also remains focused on performance, employee development and operational effectiveness to support its business and expansion plans.

Cautionary Statement

This Annual Report contains certain forward-looking statements based on the Company's current expectations, estimates and projections regarding its business and future performance. These statements are subject to various risks, uncertainties and assumptions, including changes in domestic and global economic conditions, market and competitive conditions, raw material prices and availability, currency fluctuations, Government policies and regulations, geopolitical developments and the Company's ability to execute its growth and expansion plans. Actual results may differ materially from those expressed or implied in such forward-looking statements. The Company undertakes no obligation to publicly update or revise any forward-looking statements, except as may be required under applicable laws and regulations.

Certification

Sanrhea Technical Textiles Limited is an **ISO 9001, ISO 14001 and ISO 45001:2018 certified Company**, demonstrating its continued commitment to maintaining high standards of **quality, environmental management, occupational health and safety** across its operations.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SANRHEA TECHNICAL TEXTILES LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2026 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1.	Inventory Existence and Valuation The - Company recognised inventory of ₹ 1313.44 Lakhs at March 31, 2026. Inventory is held by Company's plant. We focused on this matter because of the: - Relevance of the inventory for profitability on the financial statement. - Complications inherent in ascertaining the valuation of Inventory.	Our Audit procedures comprised: ➤ Choosing a sample of inventory items and comparing the counted quantities with the recorded quantities. We then verified any differences found during physical verification to ensure accurate accounting. ➤ Observing a sample of management's inventory count procedures to evaluate compliance with the company's process. ➤ Making inquiries about non-moving inventory items and examining the conditions of items counted. ➤ Assessing a selection of controls over inventory existence across the company. Additionally, we confirmed the inventory held by Job worker at their place for Job work. ➤ Checking approvals for reviewing selling prices, authorizing and recording costs, and ensuring that subsequent selling prices exceed the inventory's accounted value. ➤ Testing the valuation of inventory in line with Indian Accounting Standard -2. ➤ Testing the design, implementation, and effectiveness of key controls management established for provision computations and to ensure inventory provision accuracy. We identified no significant exceptions from these procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to the Board's Report, but does not include the financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditors' responsibilities relating to other Information'. We have nothing to report in this regard.

Management's responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act and the rules thereunder, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are

Annual Report 2025-26

reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management or Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the financial statements comply with the Ind AS specified under section 133 of the Act and the Rules thereunder, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to the financial statements and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B' to this report.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of sub-section (16) of Section 197 of the Act, as amended, we report that to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigation which would have impact on its financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) The Company was not required to transfer any amount to the Investor Education and Protection Fund during the year.

- (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as provided in (a) and (b) above, contain any material misstatement.
- (v) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with the section 123 of the Act to the extent it applies to payment.

As stated in note 15 to the accompanying financial statements, the Board of Directors of the Company have proposed final dividend for the year ended 31 March 2026 which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

- (vi) Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Sanrhea Technical Textiles Limited

(Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Sanrhea Technical Textiles Limited)

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and the records examined by us in the normal course of audit, we state that:

- (i) In respect of the Company's Property, Plant and Equipment:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company does not have intangible assets during the year and hence, reporting under Clause 3(i)(a)(B) is not applicable.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment, so as to cover all the assets every year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, Property, Plant and Equipment due for verification during the year were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) With respect to immovable properties of buildings, according to the information and explanations given to us and on the basis of our examination of the records of the Company, the building shown in the balance sheet is on leasehold, for which the lease agreement is not registered in the name of the Company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification.
- (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks on the basis of security of current assets. The quarterly returns/statements filed by the Company with such banks are in agreement with the books of account of the Company.
- (iii) The Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms and limited liability partnerships or any other parties covered in the register maintained under section 189 of the Act. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company.
- (iv) The Company has not granted any loans, made investments or provided guarantees or securities during the year. Accordingly, reporting under clause 3(iv) of the Order is not applicable to the Company.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under clause 148(1) of the Companies Act, 2013, for the operations of the Company.

(vii) In respect of statutory dues:

- (a) In our opinion, the Company has generally been regular in depositing the undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and any other material statutory dues, as applicable, to the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and other material statutory dues, as applicable, in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

- (b) Based on the records of the Company examined by us, there are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues, as applicable, which have not been deposited on account of any dispute.

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961 (43 of 1961).

(ix) (a) The Company is regular in repayment of loans or other borrowings or in payment of interest thereon to lenders.

- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or government authority.

- (c) The Company has utilised the money obtained by way of term loans during the year for the purpose for which they were obtained.

- (d) According to the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

- (e) The Company does not have subsidiaries, associates or joint ventures during the year. Hence, reporting under clause 3(ix)(e) of the Order is not applicable.

- (f) The Company does not have subsidiaries, associates or joint ventures during the year. Hence, reporting under clause 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable.

- (b) During the year, the Company has made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and the requirements of section 42 and section 62 of the Act have been complied with and the funds raised have been used for the purposes for which the funds were raised.

(xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.

- (c) As represented to us by the management of the Company, there are no whistle blower complaints received by the Company during the year.

(xii) In our opinion, the Company is not a Nidhi company. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

- (xiii) In our opinion, the Company is in compliance with Section 177 and Section 188 of the Act with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, during the year, the Company has not entered into non-cash transactions with directors or persons connected with its directors, and hence, provisions of section 192 of Act are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clauses 3(xvi)(a), (b), and (c) of the Order is not applicable to the Company.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Hence, reporting under clause 3(xvi)(d) of the Order is not applicable to the Company
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the board of directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with the second proviso to sub-section (5) of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable.
- (b) There are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with sub-section (6) of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable.

Report on the internal financial controls with reference to the financial statements under section 143(3)(i) of the Act

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the SAs prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to the financial statements.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly

reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to Financial Statements for the Year Ended March 31, 2026

1. MATERIAL ACCOUNTING POLICIES

1.01 Company Information

Sanrhea Technical Textiles Limited is public company domiciled in India and incorporated under the provisions of the Companies Act, 2013. Its shares are listed on Bombay Stock Exchange in India. The company is engaged in the manufacturing of Industrial Fabrics like Conveyor Belting fabrics, Chafer fabrics for Tyres, Diaphragm fabrics for Auto industries, Liners, etc. The company caters to both domestic and international markets.

The Board of directors approved the financials statements for the year ended March 31, 2026 and authorised for issue on May 28, 2026.

1.02 Basis of Preparation of Financial Statements:

(i) Compliance with Ind-AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III) , as applicable to the standalone financial statements of the Company.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company has identified twelve month as its operating cycle.

(iii) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note 1.3. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(iv) Rounding of amounts

The financial statements are presented in INR and all values are rounded to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.03 Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgment are:

Estimation of Defined benefit obligation - refer note 1.12

Estimation of current tax expenses - refer note 1.06

1.04 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value as per Ind AS 113 at each balance sheet date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.05 Revenue recognition

The company earns revenue primarily from sale of Conveyor Belting fabrics, Chafer fabrics for Tyres, Diaphragm fabrics for Auto industries and Liners .

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation.

The transaction price of goods sold is net of variable consideration on account of various discounts offered by the Company as the part of contract. Revenue (net of variable consideration) is recognised only to the extent that is highly probable that amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the company expects to receive in exchange for those products or services.

Goods and Services Tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from the sale of goods is recognised when control of the goods have passed to the buyer, usually on delivery of the goods. In determining the transaction price for the sale of goods, the company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

Dividends

Dividend income from investment is accounted for when the right to receive is established, which is generally when shareholders approve the dividend.

Other Income:

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

Contract Balances:

Trade receivables:

A receivable represents the company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer note 1.13 Financial instruments – initial recognition and subsequent measurement.

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). recognised as revenue when the company performs under the contract.

Annual Report 2025-26

1.06 Taxes

Tax expenses comprise of current and deferred tax.

Current income tax

- a Current tax is measured at the amount expected to be paid on the basis of reliefs and deductions available in accordance with the provisions of the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- b Current tax items are recognised in correlation to the underlying transaction either in Profit & Loss, Other Comprehensive Income or directly in equity.

Deferred tax

- a Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.
- b Deferred tax liabilities are recognised for all taxable temporary differences.
- c Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax losses can be utilized.
- d The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- e Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.
- f Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.
- g Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

1.07 Property, Plant and Equipment

Property, Plant and Equipment (PPE) (including Capital work in progress) are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs, if capitalisation criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use.

Capital Work in progress included in PPE is stated at cost. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term constructions projects if the recognition criteria is met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Borrowing cost relating to acquisition/construction of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for the assets mentioned below for which useful lives estimated by the management. The identified component of fixed assets are depreciated over the useful lives and the remaining components are depreciated over the life of the principal assets.

Asset Description	Management Estimation of Useful Life	As per Schedule II
1) Building (SLM)	10 years	30 years
2) Electric Installation(WDV)	20 years	10 years
3) Furniture(WDV)	10 years	10 years
4) Vehicles(WDV)	8 years	8 years

Further, the Company evaluated the useful life of certain components of Plant and Machinery, the impact of which is not material. Assets costing Rs. 5,000 or less are fully depreciated in the year of purchase. Leasehold improvements are amortized over the period of lease or estimated useful life, whichever is lower.

1.08 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

General borrowing costs are capitalised at the weighted average of such borrowings outstanding during the year.

1.09 Inventories

Inventories are valued as under:

a Raw Materials, Packing Materials and Stores & Spares:

Raw materials and stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials and stores and spares is determined on First-in-First-out basis.

b Finished Goods & Work in Progress :

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

c Waste :

Waste comprises scrap and by-products generated during the manufacturing process, which are not intended to be processed further into finished goods. Waste is classified and valued separately from work-in-progress and finished goods.

The valuation of waste is carried out at net realizable value (NRV). NRV represents the estimated selling price in the ordinary course of business, less estimated costs of completion, if any, and the estimated costs necessary to make the sale.

d Stock-in-Trade :

Valued at lower of cost or net realizable value and for this purpose cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

1.10 Impairment of non-financial assets

Intangible assets and Property, Plant and Equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior year.

Impairment is determined for goodwill by assessing the recoverable amount of each Cash Generating Unit (i.e. Cash Generating Unit) (or group of Cash Generating Units) to which the goodwill relates. When the recoverable amount of the Cash Generating Unit is less than its carrying amount, an impairment loss is recognised. Impairment loss is recognised. Impairment losses relating to goodwill cannot be reversed in future periods.

Intangible assets with indefinite useful lives are tested for impairment annually as at year end at the Cash Generating Unit level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

1.11 Provisions, Contingent Liabilities and Contingent Assets:

- a Provisions are recognised when the Company has present obligation (legal or constructive) as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

Contingent Liabilities are disclosed by way of notes to Financial Statements. Contingent assets are not recognised in the financial statements but are disclosed in the notes to the financial statements where an inflow of economic benefits is probable. Provisions and contingent liabilities are reviewed at each Balance Sheet date.

- b If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

1.12 Employee benefits

a Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensated absences etc., and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

b Post-Employment Benefits:

i) Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans.

The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

ii) Defined Benefit Plans:

The Employee's Gratuity Fund Scheme and compensated absences is Company's defined benefit plans. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government Securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in rate to the net defined benefit liability or asset is charged or credited to 'Finance costs' in the Statement of Profit and Loss. Any differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligations under the defined benefit plans, to recognise the obligation on net basis.

Gains or losses on the curtailment or settlement of any defined benefits plans are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense on a straight-line basis over the average period until the benefits become vested.

c Long Term Employee Benefits:

The employees' long term compensated absences are company's defined benefit plans. The present value of the obligation is determined based on the actuarial valuation using the projected unit credit method as at the date of the balance sheet. In case of funded plans, the full value of plan assets is reduced from the gross obligation to recognise the obligation on the net basis.

d Employee Separation Costs:

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

1.13 Financial instruments

Financial Assets

Initial recognition and measurement:

The company recognizes a financial asset in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction cost that are attributable to the acquisition of the financial asset.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets.

In case the fair value is not determined using a level 1 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain in the Statement of Profit and Loss only to the extent the such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

However trade receivables that do not contain a significant financing component are measured at transaction price.

Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Derivative Financial Instruments

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts its foreign currency risks. Such derivative financial instrument recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as Financial liabilities when the fair value is negative. Any gain & losses arising from the change in Fair Value of Derivative are taken directly to Profit & Loss Account

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

(1) Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

(2) Fair value through other comprehensive Income:

Assets that do not meet the criteria for amortised cost are measured at fair value through Other Comprehensive Income. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Impairment of Investments

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is recorded in the Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the Investment is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the cost of the Investment. A reversal of an impairment loss is recognised immediately in Statement of Profit or Loss.

Impairment of Financial Assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e.removed from the company's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The company transfers its contractual rights to receive cash flows of the financial assets and has substantially transferred all the risk and rewards of ownership of the financial assets;
- iii. The company retains the contractual rights to receive cash flows but assumes a contractual obligations to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial assets, the Company continues to recognize

such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On De-recognition of a financial asset, (except as mentioned in ii above for financial assets measured a FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Financial liabilities:

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit or loss

Financial liabilities at amortised cost (Loans and borrowings)

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. For more information refer Note 16 & 18.

1.14 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.15 Statement of Cashflows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in inventories and operating receivables and payables, transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, and unrealized foreign currency gains and losses etc.; and
- iii. all other items for which the cash effects are investing or financing cash flows.

1.16 Key accounting estimates and judgements

The preparation of the Company's Financial Statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

A. Income Taxes

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions (Refer note 6).

B. Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

C. Defined Benefit Obligation

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with IND AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions

selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The same is disclosed in Note 22 & 38 of Financial statement.

D. Fair Value Measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgments and assumptions.

1.17 Recent Accounting Pronouncements Issued But Not Yet Effective

“The Ministry of Corporate Affairs vide notification dated May 7, 2025 and August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 1, 2025:

- (a) Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants - Amendments to Ind AS 1
- (b) Supplier Finance Arrangements - Amendments to Ind AS 7 and Ind AS 107
- (c) International Tax Reform - Pillar Two Model Rules - Amendments to Ind AS 12
- (d) Lack of Exchangeability - Amendments to Ind AS 21

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.”.

New standards or amendments not yet adopted

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants - Amendments to Ind AS 1

This amendment also includes specific provisions that will take effect or reporting periods beginning on or after April 1, 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8. The Company does not expect this amendment to have an impact on its operations or financial statements.

32 Fair Value Measurement

Financial Instrument by category and hierarchy

The fair value of the financial assets and liabilities are included at the amount of which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair Value of Cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amount largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rate are evaluated by the company based on parameters such as interest rates and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair values of such instruments is not materially different from their carrying amounts:-

For the financial assets and liabilities that are measured at fair values, the carrying amount are equal to the fair value.

- Valuation Methodology**

Investments in equity shares included in Level 3 of the fair value hierarchy have been valued using the cost approach to arrive at their fair value. Cost of unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

- Fair value Hierarchy**

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets which are measured at fair value as at Balance Sheet date, the classification of fair value calculations by category is summarized below:

33 Capital risk Management

Equity Share capital and other equity are considered for the purpose of company's capital management. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The Capital structure of the company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

34 Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risks. The company's senior management has the overall responsibility for establishing and governing the company's risk management framework. The company has constituted a Risk management committee, which is responsible for developing and monitoring the company's risk management policies. The company's risk management policies are established to identify and analyse the risks faced by the company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the company.

A. Management of Liquidity Risk

Liquidity risk is the risk that the company will face in meeting its obligation associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this management considers both normal and stressed conditions.

Due to dynamic nature of the underlying businesses, company treasury maintains flexibility in funding by maintaining availability of under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

The following table shows the maturity analysis of the company's financial liabilities based on the contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

B. Management of Market Risk

The company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Foreign Currency risk
- Price risk
- Interest rate risk

The above risks may affect the company's income and expenses, or the value of its financial instruments. The company's exposure to and management of these risks are explained below:

(i) Foreign Currency risk

Particular of unhedged foreign currency exposures as at the reporting date.

Management Policy

The company manages foreign currency exposures within the prescribed limits, through use of forward exchange contracts. Foreign currency exchange rate exposure is partly balanced by purchasing of goods/commodities in the respective currencies.

Sensitivity to Risk

A change of 5% in Foreign currency would have following Impact on profit before tax as well as Equity

(₹ in Lakhs)

Particulars	Impact on Profit before tax		Impact on Equity	
	Year ended March 31, 2026	Year ended March 31, 2025	Year ended March 31, 2026	Year ended March 31, 2025

Decrease by 5%	11.43	23.02	8.55	17.23

(ii) Price Risk

The Company is not exposed to equity price risk arising from investments in quoted equity instruments, as the Company does not have any investments in quoted equity shares/securities as at the reporting date. Accordingly, management does not have any exposure to price risk in respect of quoted equity instruments.

Sensitivity Analysis

The Company does not have any investments in quoted equity instruments as at the reporting date. Accordingly, there is no exposure to equity price risk and hence sensitivity analysis in respect of changes in market indices is not applicable.

(iii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50

Annual Report 2025-26

basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Exposure to interest rate risk

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on profit before tax as well as Equity

(₹ in Lakhs)

	Year ended March 31, 2026	Year ended March 31, 2025	Year ended March 31, 2026	Year ended March 31, 2025
50 bp decrease	0.82	3.43	0.61	2.57
50 bp increase	(0.82)	(3.43)	(0.61)	(2.57)

C Management of Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk, the company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- Actual or expected significant adverse changes in business,
- Actual or expected significant changes in the operating results of the counterparty,
- Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- Significant increase in credit risk on other financial instruments of the same counterparty,
- Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

The Company has a diversified customer base. For the year ended March 31, 2026, revenue from three customers, each contributing more than 10% of the Company's revenue, aggregated to 62.93% of total revenue. For the year ended March 31, 2025, revenue from three customers contributing more than 10% of the Company's revenue represented 58.41% of total revenue. Apart from these customers, revenue from no other individual customer exceeded 10% of the Company's total revenue for the respective years.

35 Earnings per Share (EPS) as per Indian Accounting Standard 33:

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting for interest on the

convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

E. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans and post retirement medical benefits at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date

The significant actuarial assumptions were as follows:

Gratuity:	For the year ended March 31, 2026	For the year ended March 31, 2025
Financial Assumptions		
Discount rate	7.40%	6.83%
Salary Escalation Rate	6.00%	6.00%
Attrition Rate	2.00%	2.00%
Demographic Assumptions		
Published rates under the Indian Assured Lives Mortality (2012-14) Urban table.		

F. Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted key assumptions are:

(₹ in Lakhs)

Gratuity:	For the year ended March 31, 2026		For the year ended March 31, 2025	
	Change in Present Value of plan liabilities due to		Change in Present Value of plan liabilities due to

Salary Escalation Rate	8.18	(7.61)	8.34	(7.37)
Attrition Rate	0.66	(0.77)	0.34	(0.40)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

G. The defined benefit obligations shall mature after year end 31st March, 2026 as follows:

(₹ in Lakhs)

Gratuity :	For the year ended March 31, 2026	For the year ended March 31, 2025

3rd Following year	3.02	5.41
4th Following year	28.75	3.29
5th Following year	8.80	24.92
Thereafter	168.50	151.18

Risk Exposure - Asset Volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk derivatives to minimize risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments % which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit.

(i) Leave obligations

The leave obligations cover the Company's liability for sick and earned leave. The amount of the provision of ₹ 48.66 lakhs [March 31, 2025: ₹ 33.83 lakhs] is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations.

(ii) Defined contribution plans

The Company also has certain defined contribution plans. Contributions are made to provident fund in India for employees at the rate of 12% of basic salary as per regulations.

Annual Report 2025-26

The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 54.35 lakhs [March 31, 2025: ₹ 45.82 lakhs].

- 39** The Government of India, vide notification dated 21st November, 2025, has consolidated multiple existing labour regulations into a unified framework comprising four labour codes collectively referred to as the 'New Labour Code'. The Ministry of Labour & Employment has also issued draft Central Rules and FAQs to help assess the financial Impact of these changes. Also, in accordance with the requirements of Ind AS 19, "Employee Benefits", changes to employee benefit plans resulting from legislative amendments constitute a plan amendment, necessitating the immediate recognition of any variation in the cost upon such notification. Consequently, the Company has assessed the same & there is no material impact of these changes. The Company continues to monitor the finalisation of Central/ State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect (if any) on the basis of such developments as needed.
