Krystal Integrated Services Ltd. to Generate 10,000+ Jobs Across 25+ Cities in Next Six Months

The company marks 25 years of operations, building on 9,500 employment opportunities generated in FY2026-27

Mumbai, 10th October 2026: Krystal Integrated Services Ltd (KISL), a leading provider of Integrated facility management solutions, plans to generate more than 10,000 employment opportunities across 25+ cities between October 2026 and March 2027. The planned hiring will span skilled, semi-skilled and unskilled roles across facility management, sanitation, staffing and other service operations.

The company has already generated more than 9,500 employment opportunities across 40+ cities so far in FY2026–27, according to company data. Building on this momentum, the additional hiring is expected to support project requirements across the company's service portfolio.

As Krystal marks 25 years of operations, the company has built a pan-India services business spanning facility management, staffing and payroll, security, catering and waste management. Its operating footprint includes 4,068 locations across 20 states and four Union Territories, supported by 41,676 on-site employees, according to its FY2025–26 annual report. The company serves clients across sectors including healthcare, education, manufacturing, transport infrastructure, logistics, retail and government institutions.

In FY2025–26, the company added more than 177 corporate customers across over 250 locations, with the combined multi-year business value of these additions exceeding ₹300 crore.

Krystal's business expansion has included large-scale facility management and sanitation mandates, alongside its entry into city lighting and urban infrastructure through the acquisition of Citelum India.

Mr. Sanjay Dighe, CEO and Whole-Time Director of Krystal Integrated Services Limited, said: "As we mark 25 years, our focus is on building a services organisation equipped to meet the evolving requirements of workplaces, public institutions and urban infrastructure. Our operating experience has helped us develop the ability to mobilise teams and manage services across diverse locations. As we expand our capabilities, creating employment opportunities while strengthening workforce skills and service delivery will remain important to our growth."

Krystal reported consolidated revenue from operations of ₹1,277.3 crore in FY2025–26, an increase of 5.32% year-on-year. Consolidated EBITDA rose 7.49% to ₹83.53 crore during the year.

The upcoming hiring programme is expected to support the company's operational requirements across its service locations. Krystal is also focusing on technically trained personnel and greater mechanisation as it expands into specialised and engineering-led services.

About Krystal Integrated Services Limited:

KISL is a well-diversified service provider in integrated facility management services, staffing solutions, security services, catering and waste management across India. The Company specializes in sectors such as healthcare, education, City infrastructure, Waste Management and Manufacturing segment—including state government entities, Corporate clients, municipal bodies and other government offices—airports, railways, metro infrastructure and retail. The company offers a comprehensive range of integrated facility management services across these varied sectors. Additionally, KISL provides staffing solutions and payroll management, private security and manned guarding services and catering services. Over the fiscal years 2021 to 2026, KISL's customer base has grown to over 570, with operations spanning more than 4,000 locations across India.

The Company is also providing services in solid waste management as well as water waste management. The team's expertise covers bio-mining of legacy waste, Common Effluent Treatment Plants (CETP) and Zero Liquid Discharge (ZLD) technologies.
