Indo-American Chamber of Commerce Felicitates Dr. Lalit Kanodia for His Contribution to US-India Business Relations

Mumbai, 27th August, 2026: Datamatics, a global Digital Technologies, Operations, and Experiences company, today announced that Dr. Lalit S. Kanodia, Founder and Chairman of the Datamatics Group of Companies, was felicitated by the Indo-American Chamber of Commerce (IACC) at its National Convention held in Mumbai on August 18, 2026.

The honour recognizes Dr. Kanodia's exemplary leadership, distinguished service, and enduring contribution to IACC and to strengthening business and economic relations between the United States and India during his tenure as President of the Chamber.

Dr. Kanodia was felicitated in the presence of Mr. Devendra Fadnavis, Hon'ble Chief Minister of Maharashtra, and H.E. Mr. Sergio Gor, US Ambassador to India.

IACC is committed to promoting bilateral trade, commerce, and investment between the United States and India. Dr. Kanodia served as National President of the Indo-American Chamber of Commerce during 2015–2016. During his tenure, he championed stronger economic engagement between the two countries, with a focus on expanding bilateral trade and creating greater opportunities for businesses in both markets.

Commenting on the recognition, Dr. Lalit S. Kanodia, Founder and Chairman, Datamatics Group of Companies, said, *"It is an honour to be recognized by the Indo-American Chamber of Commerce. I have always believed in the immense potential of India and the United States working more closely together. Technology, innovation and entrepreneurship continue to create new opportunities for businesses in both countries, and I am proud to have contributed to strengthening this important relationship."*

A pioneer of India's technology and offshore services industry, Dr. Kanodia was instrumental in setting up Tata Consultancy Services in 1967 and founded Datamatics in 1975. His vision of building globally competitive technology capabilities from India has shaped Datamatics' journey for over five decades.

The recognition of Dr. Kanodia celebrates his enduring contribution to industry, entrepreneurship, and US-India business collaboration, and his continuing legacy in shaping Datamatics' global journey.
