Sub.: Clarification in relation to query on Financial Results - Figures of Standalone and Consolidated are same

Ref: Query relating to clarification for Financial results for June 30, 2026 - Figures of Standalone and Consolidated are same, raised via mail dated July 31, 2026.

Dear Sir / Madam,

With reference to the captioned subject, we would like to clarify that the Company has a wholly owned subsidiary viz., CreditAccess India Foundation ('CAIF' / 'Subsidiary') incorporated under the provisions of Section 8 of the Companies Act, 2013, for undertaking CSR activities on behalf of the Company. The said subsidiary has been established solely for carrying out charitable and social welfare activities and does not undertake any commercial operations. Accordingly, the subsidiary does not generate any revenue.

Further, the operational and administrative expenses incurred for the activities of the Subsidiary are funded entirely by the Company and are recognized as Corporate Social Responsibility (CSR) expenditure in the Standalone Financial Statements, in compliance with the applicable provisions of the Companies Act, 2013 and relevant accounting standards.

Since:

- the subsidiary has no revenue or operating income, and
- the expenses relating to the subsidiary are already accounted for as CSR expenses in the Standalone Financial Statements and consolidated Financial Statements as per section 135 of companies act 2013,

there is no additional revenue or expense impact arising on consolidation. Consequently, the revenue figures reported in the Standalone Financial Statements and the Consolidated Financial Statements remain the same.

We trust the above explanation adequately addresses your query.

In case you have any further query, please do let us know.

For **CreditAccess Grameen Limited**

Deepti Ramani
Company Secretary & Compliance Officer
