Subject: Namra Jewels Private Limited, a wholly owned subsidiary of Mini Diamonds (India) Limited, Launches Exclusive Festive Range of Designer Solitaire Jewellery Across Online and Offline Channels

Dear Sir/Madam,

Mini Diamonds (India) Limited ("MDIL") is pleased to announce that its wholly owned subsidiary, Namra Jewels Private Limited, has launched an exclusive festive collection of designer solitaire jewellery with new designs across its online and offline retail channels. The collection has been curated for festive, gifting and occasion-led demand, with a focus on contemporary designs, premium aesthetics and accessible price points.

The launch further strengthens Namra Jewels' growing consumer-facing jewellery portfolio and supports MDIL's broader strategy of increasing its presence across the jewellery value chain. By combining its experience in diamonds with Namra Jewels' omnichannel retail platform, the Group continues to focus on value-added products, design innovation, brand building and wider customer reach.

This is for your information and record.

Thanking you.

Yours faithfully,
For Mini Diamonds (India) Limited

About Us:

Mini Diamonds (India) Limited (“MDIL”) is a public limited company listed on BSE Limited, was established in the year 1987 with a clear intention to cater diamond import and export business, with its clear track records. Today Mini Diamonds is an internationally well-known company for its cut and polished diamonds and jewellery manufacturing.

MDIL has established a sophisticated manufacturing facility in Mumbai, strategically equipped with cutting-edge technology and state-of the-art machinery tailored specifically for processing rough diamonds. Within this facility, every facet of the diamond cutting and polishing process is meticulously handled using modern equipment, including Sarin Technology, Auto Bruiting Machines, Semi-Automatic Polishing Mills, and Sawing Machines, among others.

Under the meticulous supervision of MDIL's seasoned experts and their own dedicated staff, the factory ensures the highest standards of precision and quality at every stage of production. This commitment to excellence extends beyond mere technology; it encompasses the fusion of craftsmanship and innovation to elevate the diamond processing industry to new heights.

Moreover, MDIL doesn't limit its expertise solely to diamond processing. The Mumbai facility also serves as a hub for jewellery manufacturing, where professional artisans harness the cutting-edge machinery Available on-site. By integrating their expertise in diamond processing with jewellery manufacturing, MDIL creates a seamless synergy, resulting in exquisite, meticulously crafted pieces that embody both luxury and elegance.

Our company excels in the manufacturing, marketing, and sales of exquisite lab-grown diamond jewellery. We cater to both the Indian and international markets, offering our products through B2B and B2C channels. With a focus on cutting-edge production technology, we strive to deliver high-quality, cost-effective lab-grown diamonds that appeal to a wide range of customers.
