“Ceigall India Receives Completion Certificate for ₹1,659.84 Crore Delhi–Saharanpur Highway Project”

- Completion Certificate received for the 16.85-km, six-lane, access-controlled stretch of NH-709B from the Delhi/UP Border to the Eastern Peripheral Expressway (EPE) Junction
- The project, with a revised estimated cost of ₹1,659.84 crore, forms part of the Economic Corridor under Phase I of Bharatmala Pariyojana
- The highway was declared fit for entry into operation with effect from September 12, 2024
- Ceigall India will undertake Operation & Maintenance of the stretch at ₹2.88 crore per annum, plus escalation

National, October 13, 2026: Ceigall India Limited (BSE: 544223 | NSE: CEIGALL), one of India’s leading infrastructure developers and EPC companies, has received the Completion Certificate from the Authority’s Engineer for a key stretch of the Delhi–Saharanpur Highway in Uttar Pradesh, executed jointly with Gayatri Projects Limited. The certificate, dated October 12, 2026, is a key contractual milestone and formally certifies the completion of all highway works.

The project involves the development of a six-lane, access-controlled section of National Highway 709B for the National Highways Authority of India (NHAI), from the Delhi/UP Border to the EPE Junction (Chainage 14.750 km to 31.600 km). With a revised estimated project cost of ₹1,659.84 crore, the stretch forms part of the Economic Corridor being developed under Phase I of Bharatmala Pariyojana, the Government of India’s flagship programme to improve highway connectivity across the country.

The Completion Certificate confirms that all works forming part of the Project Highway have been completed. The Authority’s Engineer had declared the highway fit for entry into operation with effect from September 12, 2024, within the 30-day cure period following the extended completion date of August 15, 2024.

Commenting on the development, **Ramneek Sehgal, Chairman & Managing Director, Ceigall India Limited**, said, *“The Completion Certificate for the Delhi–Saharanpur Highway is an important milestone for Ceigall. Access-controlled corridors such as this are critical to regional connectivity and to the faster movement of people and goods into the National Capital Region. The project adds to our track record of delivering large and complex highway works, and we will continue to serve the stretch through its operation and maintenance. We remain committed to building infrastructure that supports India’s long-term growth.”*

The project was awarded on April 16, 2022, with a scheduled completion date of November 7, 2023, which was subsequently extended to August 15, 2024. The certificate adds to Ceigall’s record of

completed highway projects as the Company continues to execute projects across roads, metro, renewable energy and power transmission.

About Ceigall India Limited (BSE: 544223 | NSE: CEIGALL)

Ceigall India Limited is one of India's leading infrastructure developers, with over 24 years of EPC expertise and a growing portfolio of long-term assets. Incorporated in 2002 and listed on the NSE and BSE in 2024, the Company builds highways, expressways, elevated corridors, flyovers, bridges, railway overbridges, tunnels, metro stations and runways, executing projects under EPC and Hybrid Annuity Model (HAM) formats across 13 states. It has diversified into renewable energy, through utility-scale solar and Battery Energy Storage System (BESS) projects, and into power transmission. The Company holds long-term and short-term credit ratings of IND AA-/A1+ from India Ratings.
