## Satrix Information Security Limited Announces its Renewal Work Orders worth of Rs. 30.45 Millions in the month of April & May, 2026

**Satrix Information Security Limited (SATTRIX) BSE: 544189, ISIN: INEQUV01010**, a leading provider of customer-centric cybersecurity solutions, is pleased to announce the receipt of renewal orders totaling Rs. 30.45 Millions (Excl. taxes) during the month of April and May 2026 from its various clients. The Company considers it a privilege to receive renewal orders from its esteemed customers. The repeat business reflects the continued confidence reposed by customers in the Company's products, service standards, and execution capabilities. This reaffirm the Company's focus on quality, timely delivery, and customer satisfaction. The Company remains committed to maintaining high standards of operational excellence in serving its customers.

The company has secured major renewal order from leading business process outsourcing company, banking company, financial company and Technology consulting companies.

The Company's diversified customer base across multiple sectors provides resilience to its business model and continues to contribute to its overall growth trajectory.

*"By delivering cutting-edge cybersecurity products and robust technical support, we continue to strengthen our recurring revenue streams and solidify our position as a preferred partner for complex digital implementations," said Mr. Sachhin Gajjaer, Managing Director, Satrix Information Security Limited.*

### **About Satrix Information Security Limited:**

Satrix Information Security Limited, founded in 2013, is a globally trusted cybersecurity solutions provider offering end-to-end, customer-centric services across India, the USA, the Middle East, and Malaysia. With over a decade of experience, Satrix delivers agile, cloud-based and on-premise solutions that help enterprises protect digital assets, ensure compliance, and maintain business continuity. Rooted in the mission “Removing the Risk from the Universe,” the name Satrix—derived from Satt (Universe), Ri (Risk), and X (Extenuation)—reflects our commitment to eliminating cybersecurity threats. Combining cutting-edge technology with deep expertise, we stand as a future ready partner in today’s evolving digital landscape. For more information, please visit: <https://www.satrix.com/>.
