Dear Sir / Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform the Exchange that WSFx Global Pay Limited (“GlobalPay” or the “Company”) has launched “**GlobalPay Connect**”, a strategic Forex Card Distribution Program designed to expand the Company’s distribution network through partnerships with RBI-authorised entities.

Under the program, Authorised Dealer Category-II entities, Full Fledged Money Changers (FFMCs) and Banks can partner with GlobalPay as Authorised GlobalPay Forex Card Distributors, enabling them to offer GlobalPay’s multi-currency forex card solutions to their customers.

The key features of the initiative are as follows:

- **Comprehensive Product Offering:** Distribution of GlobalPay’s secure multi-currency forex cards supporting transactions in 30 currencies across more than 180 countries, with features including contactless Tap & Pay, real-time card management and digital self-service through the GlobalPay App.
- **Partner Enablement:** End-to-end support covering partner onboarding, technology integration, compliance, training, operations and business development, enabling partners to establish and scale their forex card business efficiently.
- **Strategic Expansion:** The initiative represents a significant milestone in GlobalPay’s strategy to build a nationwide partner-led distribution ecosystem, leveraging the Company’s four decades of foreign exchange expertise, RBI Authorised Dealer Category-II licence and proprietary digital platform.

The Company believes that GlobalPay Connect will strengthen its distribution capabilities, expand market reach and create a scalable platform for long-term growth in its forex card business. This is for your information and record.

Yours faithfully,
For WSFx Global Pay Limited
