PAT	11.25	4.72	138.35%
PAT%	5.15%	5.86%	-71 bps

Mumbai, 10th August 2026: GHV Infra Projects Limited (BSE: 505504), a growing infrastructure development and EPC company, reported strong business momentum during the quarter ended June 30, 2026, marked by a significant scale up in execution and profitability. On a standalone basis, Company's Revenue from Operations surged 171.67% YoY to Rs. 218.59 crore from Rs. 80.46 crore in Q1FY26, while Profit After Tax (PAT) more than doubled, rising 138.35% YoY to Rs. 11.25 crore from Rs. 4.72 crore. The performance reflects the Company's expanding execution scale and its growing ability to convert business momentum into stronger profitability, reinforcing its growth trajectory in India's infrastructure sector.

The strong business momentum was further reflected in the Company's operating performance, with EBITDA more than tripling to Rs. 28.05 crore (EBITDA margin 12.83%) in Q1FY27 from Rs. 8.35 crore (EBITDA margin 10.38%) in Q1FY26, registering a growth of 235.93% YoY. PBT also witnessed a robust 145.73% YoY increase to Rs. 15.53 crore from Rs. 6.32 crore, underscoring the Company's strong earnings performance during the quarter. Diluted EPS stood at Rs. 1.48 in Q1FY27.

Mr. Ajay Hans, Managing Director, GHV Infra Projects Limited, said, "The beginning of FY27 reflects the strength of our evolving business platform and the progress we are making in scaling our presence across India's infrastructure landscape. Our focus remains firmly on building execution capabilities across high-growth segments, leveraging our experience in infrastructure development and EPC to take on larger and more complex opportunities. We are particularly focused on strengthening our project pipeline, improving execution efficiencies and maintaining disciplined financial management as we expand. With infrastructure investment continuing to gain momentum across transportation, energy, urban development and industrial segments, we believe GHV Infra is well positioned to capture emerging opportunities while building a resilient and sustainable business for the long term."

In a recent strategic development, GHV Infra Projects Limited strengthened its Board with the appointment of three eminent professionals as Additional Independent Director viz;

1. **Shri Manoj Aggarwal** is a retired IAS officer and Former Managing Director of GIDC and GMDC, with over 45 years of experience in public administration, governance, infrastructure and industrial development. During his distinguished career, he held several senior leadership positions, including Development Commissioner.
2. **Shri Dhanraj O. Tawade,** Former Member (Technical), National Highways Authority of India (NHAI), brings around 37 years of rich experience in civil Engineering and infrastructure development with the Government of India. He has extensive expertise in highway development, construction and infrastructure projects.
3. **Shri Swarup Dasgupta,** Former Executive Director of Bank of India, brings over four decades of distinguished experience in banking, with expertise spanning corporate credit, risk management, MSME financing, international operations, compliance and corporate governance. He currently serves as Advisor – Corporate Credit at Punjab & Sind Bank.

The appointments bring extensive expertise across public administration, infrastructure development, highways and transportation, banking, finance and corporate governance, further strengthening the Company's strategic oversight and governance framework. The strengthened leadership is expected to support GHV Infra's growth ambitions and pursuit of emerging opportunities across India's infrastructure sector.

GHV Infra Projects Limited has been honoured with the **"Emerging Contractor of the Year"** award at the **RAHSTA Awards 2026**.

Going ahead, GHV Infra Projects Limited remains focused on strengthening its execution capabilities, expanding its presence across key infrastructure segments and leveraging emerging opportunities driven by India's infrastructure development cycle. With a growing operational platform, diversified capabilities and a strengthened leadership framework, the Company is well positioned to pursue sustainable growth while creating long term value for its stakeholders.

About GHV Infra Projects Limited:

GHV Infra Projects Limited is a growing EPC turnkey construction company delivering complex, high-value projects across below verticals:

Infrastructure: EPC execution of roads, water and railway projects.
Industrial: EPC execution and LSTK of Steel plant units, Refinery units and other manufacturing process plants.
Building: EPC execution of residential, commercial, institutional buildings, factory buildings, Integrated townships along with required infrastructure etc.
Coastal Infrastructure: EPC execution for jetties, berths, Ro-Ro, cruise infrastructure, marine connectivity through coastal roads and rail links.
