VORTEX ENGINEERING SECURES PURCHASE ORDER FROM ONE OF THE INDIA'S LARGEST PUBLIC SECTOR BANKS FOR 540 ATM MACHINES

MUMBAI, August 07, 2026: Vortex Engineering Private Limited ("Vortex"), a subsidiary of Vakrangee Limited, has received a purchase order (PO) from one of the India's largest Public Sector Banks for the end-to-end supply, commissioning, and maintenance of 540 ATMs and UPS including AMC for a period of 5 years, with a contract value of ₹37.79 crore.

This repeat order marks an important addition to Vortex's growing institutional banking infrastructure portfolio and reinforces its position as a trusted provider of indigenous, energy-efficient and field-resilient ATM solutions. It also strengthens Vakrangee Group's broader proposition in India's hybrid financial access ecosystem, where physical banking touchpoints continue to play a critical role in serving rural, semi-urban and underbanked markets.

Vortex's ATM platform has been built around the operating realities of emerging markets, with a focus on innovative ATMs, reliability, and remote manageability.

The Company has supplied over 15,500 ATM machines to date and has an annual manufacturing capacity of 12,000 units. It also holds 9 patents/IP in the field of ATMs and cash dispensers, reflecting its long-standing commitment to domestic innovation, Make in India and Atma Nirbhar Bharat.

In addition to its ATM hardware portfolio, Vortex offers Perfo®, an advanced ATM monitoring and operational intelligence platform that is both cross-platform and cross-vendor compatible. Perfo® enables banks to monitor ATM health, transaction performance, cash availability and network status across diverse ATM estates, helping improve uptime, reduce downtime and support more efficient cash replenishment.

About Vakrangee Limited

(BSE Code: 511431; NSE Code: VAKRANGEE)

Incorporated in 1990, Vakrangee has emerged as one of India's largest Last Mile Distribution Platform with a Physical as well as Digital Eco-system in place with a PAN INDIA Presence. We are delivering realtime banking & Financial Services, ATM, insurance, e-Governance, and e-Commerce services to the unserved rural, semi-urban and urban markets and enabling Indians to benefit from financial, social and digital inclusion.

Vakrangee has emerged as the "Go To Market Platform" for various Business verticals including Fintech and Digital platforms. The Assisted Digital Convenience stores (Physical Outlets) are

called as “Vakrangee Kendra” which acts as the “One-stop shop” for availing various services and products and Digital platform is called as BharatEasy Mobile Super app.

About Vortex Engineering Private Limited

Vortex Engineering, subsidiary of Vakrangee Limited, is a leading provider of next-generation Automated self-service terminals, cash automation solutions, and multi-vendor ATM management software.

Incubated at IIT Madras, Vortex has built a strong legacy of innovation through continuous research and development, pioneering energy-efficient and intelligent ATM technologies that deliver high reliability, superior performance, and a compelling total cost of ownership.

The company's comprehensive portfolio includes all 3 Operating Systems (Android, Linux, & Windows) based ATMs, Through-the-wall ATMs, mini ATMs, Self-service Kiosks, and advanced ATM monitoring and management solutions that enable financial institutions to enhance operational efficiency, maximize uptime, and accelerate the digital transformation of their self-service banking networks.

With a growing presence across domestic and international markets, Vortex is committed to advancing financial inclusion by delivering secure, sustainable, and future-ready solutions to extend accessible services to the communities.
