This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellants e-filed the Memo of Appeal on 31.05.2026. The Office after scrutiny of the Memo of Appeal on 18.06.2026, intimated the defects to the Appellants on the same day. The Appellants re-filed the Appeal on 28.07.2026. It is stated in the IA that the defects pointed out by the Registry required collection, verification, arrangement and re-compilation of various documents and annexures forming part of the Appeal paper-book, including documents pertaining to the allotment of the subject flat, payment records, claim documents submitted before the Resolution Professional and other supporting material relied upon in the Appeal. The Appellants also required time for obtaining necessary instructions and documents for effective compliance of the objections raised by the Registry, which resulted in delay of 33 days in re-filing the Appeal, which is neither intentional nor deliberate, so the same may be condoned.

None appeared on behalf of the Appellants. Perused the averments made in the IA as well as Office report.

The Appellants were required to re-file the Memo of Appeal within seven days from the date of intimation of the defects. However, the Appellants re-filed the Memo of Appeal with a delay of 33 days, hence, the case be placed before the Hon'ble Bench with defect for appropriate orders.

List the case before the Hon'ble Bench under the heading 'for admission with defect (fresh case)'.
