Order book

The total order book as on June 30, 2026 was ₹ 418 million. Almost 90% of the order book comprises orders from the EPC segment.

Commenting on the financial performance, **Mr Vivek Gupta, Managing Director, Delton Cables**, said, "Q1 FY27 was marked by Delton recapturing its EBITDA margins. Most of the challenges, that we faced in last few quarters that bogged down our operating margins, have been mitigated. With new learnings, Delton has emerged stronger, and we look forward to the profitable growth for the rest of year. On the revenue front, Delton is on a firm footing with a strong order book, and very good business visibility ahead."

About Delton Cables Limited

Delton Cables Limited (Delton) [BSE: 504240] is a pioneering cables & wires company, specialising in low voltage cables. For over 75 years, the company has enjoyed powerful brand recall for its telecom cables. Delton has now transformed itself into a customised branded supplier to high growth sectors such as EPC, Telecom, and Railways. With its robust approval base, vast yet niche product offerings, and being a supplier of choice to marquee global customers in high growth segments, Delton is set to scale new heights as a formidable low voltage cable company.
