**Vipul Organics Limited appoints Mr. Tushar Jagtap as
President – India and Subcontinent, Sales & Marketing**

Vipul Organics Limited (BSE: VIPULORG / 530627), a leading specialty chemicals company in the pigments and dyes segment, today announced the appointment of **Mr. Tushar Jagtap as President – India & Subcontinent, Sales & Marketing**, effective immediately. He will report directly to the Managing Director and Directors of the Company.

Mr. Jagtap brings over 30 years of extensive experience in sales leadership, business development, strategic market expansion, and commercial management within the chemicals, pigments, and coatings industries. Throughout his professional career with reputed organizations such as Archroma and Clariant Chemicals (now Sudarshan Colorants), he has successfully led regional sales operations, managed large teams, and driven robust business growth across India and the broader subcontinent.

His core areas of expertise span strategic business planning, key account management, channel development, new product launches, revenue growth, and profitability improvement. In his new role at Vipul Organics, Mr. Jagtap will lead the Sales & Marketing function for India and the Subcontinent, focusing sharply on business expansion, deepening customer engagement, driving market penetration, and achieving the company's commercial objectives.

Welcoming him to the leadership team, **Mr. Vipul P. Shah, Managing Director, Vipul Organics Limited**, said, "We are pleased to welcome Mr. Tushar Jagtap to Vipul Organics Limited. Tushar's strong industry knowledge, proven leadership, and deep experience in building customer relationships and high-performing teams in the Indian Sub-continent will be invaluable as VOL continues to strengthen its market presence within India and the region, expand our footprint, and pursue our ambitious growth objectives across the pigments, dyes, and advanced membrane businesses."

Vipul Organics operates a robust Dyes and Pigments Division that stands as a cornerstone of the company's market leadership. As a premier manufacturer of Pigments, Dyestuff, Lake Colours, and Pigment Intermediaries / Fast Salts, the division caters to diverse industrial applications including paints, inks, plastics, textiles, and paper. Backed by state-of-the-art manufacturing facilities in Maharashtra and its newly operational greenfield facility in Sayakha, Gujarat, the division combines rigorous quality standards, indigenous technical expertise, and extensive global reach spanning over 45 countries to deliver consistent value to its clients worldwide.

About Vipul Organics Limited:

Vipul Organics Limited is a BSE Listed (VIPULORG / 530627) leading Specialty Chemicals company in the Pigments and Dyes segment. Today, it is amongst the foremost manufacturers of Pigments, Dyestuff, Lake Colours and Pigment Intermediaries / Fast Salts in the country. It has manufacturing facilities in Maharashtra and Gujarat, and has a global footprint in over 45 countries. Vipul Organics ended the financial year 2025-26 with standalone revenues of Rs. 175.40 crore.
