Subject: Mini Diamonds (India) Limited Announces Launch of Fancy Coloured Lab-Grown Diamond Jewellery Line Through Wholly Owned Subsidiary Namra Jewels Private Limited

Dear Sir/Madam,

In terms of the captioned subject, Mini Diamonds (India) Limited (“MDIL” or “the Company”) is pleased to announce the launch of its fancy coloured lab-grown diamond jewellery line through its wholly owned subsidiary, Namra Jewels Private Limited. The new jewellery line is being introduced as part of the Company’s continued efforts to strengthen its consumer facing jewellery portfolio and build a differentiated presence in the fast evolving lab-grown diamond jewellery segment.

The collection will focus on thoughtfully designed fancy shaped and coloured lab-grown diamond jewellery, combining contemporary styling, refined craftsmanship and accessible pricing. With changing consumer preferences, particularly among younger and fashion-conscious buyers, fancy shaped and coloured lab-grown diamonds are emerging as an attractive category due to their visual appeal, design versatility and value proposition. The proposed launch is aligned with MDIL’s broader strategy of moving up the value chain from polished diamonds to branded jewellery offerings through Namra Jewels.

This is for your information and record.

Thanking you.

Yours faithfully,
For Mini Diamonds (India) Limited

Upendra N Shah
Managing Director

Management's Comment:

Commenting on the announcement, the management of Mini Diamonds (India) Limited stated:

"Fancy shaped and Coloured lab-grown diamonds represent an exciting and emerging opportunity within the jewellery industry. Consumer preferences are steadily moving towards jewellery that is expressive, design led and value-conscious. Through Namra Jewels, we intend to introduce a line that brings together attractive designs, reliable quality and affordable pricing, thereby making premium looking diamond jewellery more accessible to new age customers."

About Us:

Mini Diamonds (India) Limited ("MDIL") is a public limited company listed on BSE Limited, was established in the year 1987 with a clear intention to cater diamond import and export business, with its clear track records. Today Mini Diamonds is an internationally well-known company for its cut and polished diamonds and jewellery manufacturing.

MDIL has established a sophisticated manufacturing facility in Mumbai, strategically equipped with cutting-edge technology and state-of-the-art machinery tailored specifically for processing rough diamonds. Within this facility, every facet of the diamond cutting and polishing process is meticulously handled using modern equipment, including Sarin Technology, Auto Bruiting Machines, Semi-Automatic Polishing Mills, and Sawing Machines, among others.

Under the meticulous supervision of MDIL's seasoned experts and their own dedicated staff, the factory ensures the highest standards of precision and quality at every stage of production. This commitment to excellence extends beyond mere technology; it encompasses the fusion of craftsmanship and innovation to elevate the diamond processing industry to new heights.

Moreover, MDIL doesn't limit its expertise solely to diamond processing. The Mumbai facility also serves as a hub for jewellery manufacturing, where professional artisans harness the cutting-edge machinery Available on-site. By integrating their expertise in diamond processing with jewellery manufacturing, MDIL creates a seamless synergy, resulting in exquisite, meticulously crafted pieces that embody both luxury and elegance.

Our company excels in the manufacturing, marketing, and sales of exquisite lab-grown diamond jewellery. We cater to both the Indian and international markets, offering our products through B2B and B2C channels. With a focus on cutting-edge production
