..Respondent(s)

Petition is filed to condone the delay of 166 days in filing the Review application for the order dated 25.11.2025 made in WP No.44390 of 2025 to file and prosecute the said Review

For Petitioner(s): Mr.Sivakumar Rajappan

ORDER

This application to condone the delay in filing the review application. When the applicant is a third party to the writ petition, the act of the Registry in calling upon the applicant to file a condonation of delay application itself is untenable. The Court can call upon a party to file an application to condone the delay only when he is aware of the order. When he is a non-party, obviously he or she will not be aware of the order. Hence, the condone delay petition is rejected as unnecessary. Registry is directed to number the Review Application and post the matter on 04.11.2026.
