Dear Sir/Madam,

Subject: Clarification on news item appearing in “www.ndtvprofit.com” dated September 30, 2026 captioned “Rentomojo To Raise Debt As It Targets 80-83% Occupancy: CEO Geetansh Bamanian”

Reference:

1. NSE letter Ref. No. NSE/CM/Surveillance/17635 dated September 30, 2026

2. BSE email: L/SURV/ONL/RV/API/ (2026-2027)/ 104

This is in reply to your letter referred to above, which asks us to clarify the news item named in the subject.

Mr. Geetansh Bamanian, Chairperson, Managing Director & Chief Executive Officer of the Company, gave a general post-listing interview to NDTV Profit about the Company's business model and operations. The headline seems to present the Company's routine business activity and information already disclosed in the Prospectus dated September 11, 2026 ("Prospectus") as if it were a new development. We clarify as follows:

(a) Whether such negotiations/events were taking place:

The Company operates a technology-driven, full-stack direct-to-consumer ("D2C") online rental and subscription platform for furniture and appliances in India. As disclosed in the Prospectus, the Company's borrowings are availed in the ordinary course of business for the purpose of capital expenditure, and the proceeds are primarily deployed towards the acquisition of rental assets. The Company funds the acquisition of rental assets through a combination of borrowings and internal accruals.

The Board of Directors, at its meeting held on July 28, 2026, and the shareholders, at their meeting held on August 4, 2026, have already authorised the Board under Section 180(1)(c) of the Companies Act, 2013 to borrow up to ₹10,000.00 million, including money already borrowed by the Company. This approval is disclosed in the Prospectus under "Our Management – Borrowing powers of the Board" on page 246. The Company's borrowings outstanding as on June 30, 2026 are disclosed under "Financial Indebtedness" beginning on page 332. All borrowings are availed within these existing approvals.

In the interview, Mr. Geetansh Bamanian, described this ordinary course funding model. He did not announce any new or specific debt raise. The headline suggests a new fund raising event or decision, and that impression is incorrect. In fact, he stated that the business is generating internal accruals and that its reliance on debt is decreasing.

Other than borrowings availed in the ordinary course of business within the existing approvals, the Company is not in any negotiations or discussions for any new or specific debt raise, and no such proposal has been placed before the Board. Accordingly, there is no sequence of events to report and no event or information requiring disclosure under Regulation 30 of the SEBI (LODR) Regulations, 2015.

Further, the Company's occupancy rates of 83.34%, 82.82% and 86.43% for Fiscals 2026, 2025 and 2024 respectively are already disclosed in the Prospectus under "Our Business" on page 187. Any reference to occupancy in the interview relates to this publicly available information and to the Company's business model generally. It is not a new target or guidance announced by the Company.

(b) Whether the Company is aware of any information not announced to the Exchanges that could explain the movement in trading:

The Company is not aware of any information or announcement (including any impending announcement) which, in its opinion, may explain the movement in trading or have a bearing on the price/volume behaviour of the scrip. The Company has been making timely disclosures of all events and information having a bearing on its operations and performance, including price-sensitive information, in accordance with Regulation 30 of the SEBI LODR Regulations.

(c) Material impact of the article on the Company:

The article may seem to present the Company's ordinary course funding of capital expenditure towards rental assets, and operating metrics already disclosed in the Prospectus, as if they were new developments. It does not reflect any new decision, event or development at the Company. Under Regulation 30 of the SEBI (LODR) Regulations, 2015 and the Company's Policy for Determination of Materiality of Events and Information, the Company believes the article has no material impact on its operations, financial position or performance.

The Company remains committed to complying with the SEBI (LODR) Regulations, 2015 and will inform the Exchanges promptly of any development that requires disclosure.

Please take the above on record.

Thanking you,

Yours faithfully,

For Rentomojo Limited
