The Record Date for the aforesaid sub-division was fixed as 17th April, 2026. Accordingly, the Basic and Diluted EPS for the prior periods have been restated considering face value of Rs. 1 each in accordance with Ind AS 33 - "Earning per Share".
7. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020, consolidating 29 existing labour laws. The company continues to monitor the finalization of Central / State Rules and clarifications from the Governments on other aspects of the Labour Codes and would provide appropriate accounting effect on the basis of such developments as needed.

The standalone annual financial result includes the result for the quarter ended 31st March, 2026 being the balancing figure between the audited figures in respect of the

full financial year ended 31st March, 2026 and the published unaudited year to date up to the third quarter of the current financial year which was subject to limited review.

9. The figures of previous quarters/Year are reclassified, regrouped, and rearranged wherever necessary so as to make them comparable with current period's figures.

10. **FIRST-TIME ADOPTION OF IND-AS**

The Company was earlier listed on the SME Platform (EMERGE) of the National Stock Exchange of India Limited (NSE). Upon migration, the equity shares of the Company were listed on the Main Board of NSE and BSE Limited (BSE) with effect from July 17, 2025.

Accordingly the Company has adopted Indian Accounting Standards ("Ind AS") effective from April 1, 2025 and date of transition to Ind AS is April 1, 2024 in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), notified under Section 133 of the Companies Act, 2013, read with relevant rules thereunder, and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, along with the applicable provisions and guidance issued thereunder.

Accordingly:

- The **audited standalone financial results for the Quarter and Year ended 31st March, 2026** represent the **fourth audited quarterly and year to date financial results** prepared under Ind AS.
- The **audited standalone financial results for the quarter and year ended 31st March, 2026** have been prepared in accordance with Ind AS.

Exemption Availed: -

- **Deemed cost of property, plant and equipment and intangible assets**
The Company has elected to continue with the carrying value of all its property, plant and equipment's and intangible assets recognised as of 1st April, 2024 measured as per the previous GAAP and use that carrying value as its deemed cost on transition date.
- **Derecognition of financial assets and financial liabilities**
The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after transition date.
- **Classification and measurement of financial assets**
The Company has assessed classification and measurement of financial assets on the basis of facts and circumstances that exist as on transition date.
- **Impairment of financial assets**
The Company has applied impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk

at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date.

- **Fair valuation for Financial Assets and Financial Liabilities**

The Company has valued certain financial assets and financial liabilities at fair value. Impact of fair value changes as on date of transition is recognised in opening reserves and changes thereafter are recognised in Statement of Profit and Loss Account or Other Comprehensive income, as the case may be.

The Company has adopted Ind AS with effect from 1st April, 2025 with comparatives being restated. Accordingly, the impact of transition has been provided in the Opening Reserves as at 1st April 2024 and all the periods presented have been restated accordingly.

Reconciliation of Profit, as reported under previous GAAP to Ind AS for earlier periods, is as follows:

Sr. No.	Nature of adjustments	Refer Note below	Profit reconciliation	
			Quarter ended	Year ended
			31/03/2025	31/03/2025
	Net Profit/Reserves as per Previous Indian GAAP (A)		703.08	1,288.03
1	Fair Valuation for financial Guarantee	1	15.27	15.27
2	Deferred Tax	2	(13.96)	51.26
3	Impact of Ind AS 116 - Leases	3	(0.98)	(3.92)
4	Expected Credit Loss	4	1.71	6.87
5	Remeasurement cost of net defined benefit liability	5	14.06	53.46
	Total Adjustments (B)		16.10	122.94
	Net profit before OCI/Reserves as per Ind AS (A) + (B)		719.18	1,410.97

Notes:

1. **Fair valuation for Financial Guarantee:-**

On the date of transition to Ind AS, the Company recognized financial guarantee liabilities in respect of bank guarantees issued, measured at fair value in accordance with the requirements of Ind AS 109 *Financial Instruments*. This resulted in recognition of a financial liability in the opening balance sheet, with a corresponding reduction in retained earnings (net of the applicable deferred tax impact).

Subsequently, the financial guarantee liability is amortized over the period of the underlying obligation, with the amortization recognized in the Statement of Profit and Loss as "Income from financial guarantee contracts." This amortization represents the systematic reversal of the liability as the guarantee obligation is progressively fulfilled.

2. Deferred Tax:-

On the date of transition to Ind AS, the Company computed deferred taxes using the **balance sheet approach** in accordance with Ind AS 12 *Income Taxes*, as compared to the profit and loss approach applied under the previous GAAP. This resulted in recognition of deferred tax assets/liabilities on all temporary differences between the carrying amounts of assets and liabilities in the financial statements and their respective tax bases, including those arising from the Ind AS transition adjustments.

The adoption of the balance sheet approach led to a one-time impact on reserves as at the transition date, with corresponding recognition of deferred tax assets/liabilities in the opening Ind AS balance sheet.

Subsequent to the transition date, the Company has recognized additional deferred tax assets arising mainly from **changes in estimates** and **Ind AS adjustments**. These changes have been recognized in the Statement of Profit and Loss in the respective reporting periods in accordance with Ind AS 12.

3. Impact of Ind AS 116 - Leases:-

The Group has adopted Ind AS 116 "Leases" effective from 1st April, 2025 using the modified retrospective method with the cumulative impact being recognized on the date of initial application on 1st April, 2024. Accordingly previous quarter/year information has not been restated. This has resulted in recognizing a right-of-use asset (including reclassification of lease prepayment from other assets) and a corresponding lease liability.

Consequently, operating lease expenses which were recognised as other expenses in previous quarter/year have now been recognised as depreciation expense in respect of the right-of-use asset and finance cost for interest accrued on lease liability. Accordingly, the figures for the current quarter and year ended are not directly comparable with those of previous quarter/year.

Reconciliation for the effects of the transition on standalone financial results for the earlier periods as follow:

Particulars	Quarter ended 31/03/2025	Year ended 31/03/2025
Others Expenses	(2.04)	(8.16)
Finance Cost	2.13	8.52
Depreciation and amortization expense	0.89	3.56
Profit before tax	0.98	3.92

4. Expected Credit Loss:-

The Company has adopted the Expected Credit Loss (ECL) model as per Ind AS 109, replacing the incurred loss model under IGAAP. The ECL approach considers historical data, current conditions, and forward-looking information to estimate credit losses. For trade receivables, the simplified approach has been applied, recognizing lifetime ECL. The change resulted in an adjustment to retained earnings on the date of transition. This enhances the accuracy and timeliness of credit loss recognition.

5. **Re-measurement cost of net defined benefit liability:-**

The re-measurement cost arising primarily due to change in actuarial assumptions has been recognised in Other Comprehensive Income (OCI) under Ind AS compare to Statement of Profit and Loss under previous GAAP.

The risk of not detecting a material misstatement resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

If we conclude that a material uncertainty exists. We are required to draw attention in our auditor's report to the related disclosures in the standalone financial results, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Ministry of Labour & Employment has also published draft Central Rules and FAQs.

Based on management assessment and actuarial valuation, incremental impact of these changes has been recognised in the result of the company for the quarter and year ended 31st March, 2026. The company continues to monitor the finalization of Central / State Rules and clarifications from the Governments on other aspects of the Labour Codes and would provide appropriate accounting effect on the basis of such developments as needed.

8. The consolidated annual financial result includes the result for the quarter ended 31st March, 2026 being the balancing figure between the audited figures in respect of the full financial year ended 31st March, 2026 and the published unaudited year to date up to the third quarter of the current financial year which was subject to limited review.

- I. Pashupati Cotyarn LLP
 - II. Sarjak Infra LLP
10. The figures of previous quarters/Year are reclassified, regrouped, and rearranged wherever necessary so as to make them comparable with current period's figures.
11. **FIRST-TIME ADOPTION OF IND-AS**
The Company was earlier listed on the SME Platform (EMERGE) of the National Stock Exchange of India Limited (NSE). Upon migration, the equity shares of the Company were listed on the Main Board of NSE and BSE Limited (BSE) with effect from July 17, 2025.

Accordingly the Company has adopted Indian Accounting Standards ("Ind AS") effective from April 1, 2025 and date of transition to Ind AS is April 1, 2024 in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), notified under Section 133 of the Companies Act, 2013, read with relevant rules thereunder, and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, along with the applicable provisions and guidance issued thereunder.

Accordingly:

- The Audited consolidated financial results for the Year ended 31st March, 2026 represent the fourth audited quarterly and year to date financial results prepared under Ind AS.
- The audited consolidated financial results for the year ended 31st March 2026 have been prepared in accordance with Ind AS.

Exemption Availed: -

- **Deemed cost of property, plant and equipment and intangible assets**
The Company has elected to continue with the carrying value of all its property, plant and equipments and intangible assets recognised as of 1st April, 2024 measured as per the previous GAAP and use that carrying value as its deemed cost on transition date.
- **Derecognition of financial assets and financial liabilities**
The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after transition date.
- **Classification and measurement of financial assets**
The Company has assessed classification and measurement of financial assets on the basis of facts and circumstances that exist as on transition date.
- **Impairment of financial assets**
The Company has applied impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date.

- **Fair valuation for Financial Assets and Financial Liabilities**

The Company has valued certain financial assets and financial liabilities at fair value. Impact of fair value changes as on date of transition is recognised in opening reserves and changes thereafter are recognised in Statement of Profit and Loss Account or Other Comprehensive income, as the case may be.

The Company has adopted Ind AS with effect from 1st April, 2025 with comparatives being restated. Accordingly, the impact of transition has been provided in the Opening Reserves as at 1st April 2024 and all the periods presented have been restated accordingly.

Reconciliation of Profit, as reported under previous GAAP to Ind AS for earlier periods, is as follows:

Sr. No.	Nature of adjustments	Note	Profit reconciliation	
			Quarter Ended	Year Ended
			31/03/2025	31/03/2025
	Net Profit as per Previous Indian GAAP (A)		703.38	1,288.04
1	Fair Valuation for financial Guarantee	1	15.27	15.27
2	Deferred Tax	2	(13.01)	51.50
3	Impact of Ind AS 116 - Leases	3	(0.99)	(3.93)
4	Expected Credit Loss	4	0.73	6.87
5	Profit/(loss) of subsidiary due to control	5	(0.08)	(0.14)
6	Re-Measurement cost of net defined benefit liability	6	14.05	53.47
	Total Adjustments (B)		15.97	123.04
	Net profit before OCI/Reserves as per Ind AS (A) + (B)		719.35	1,411.08

1. Fair valuation for Financial Guarantee:-

On the date of transition to Ind AS, the Company recognized financial guarantee liabilities in respect of bank guarantees issued, measured at fair value in accordance with the requirements of Ind AS 109 *Financial Instruments*. This resulted in recognition of a financial liability in the opening balance sheet, with a corresponding reduction in retained earnings (net of the applicable deferred tax impact).

Subsequently, the financial guarantee liability is amortized over the period of the underlying obligation, with the amortization recognized in the Statement of Profit and Loss as "Income from financial guarantee contracts." This amortization represents the systematic reversal of the liability as the guarantee obligation is progressively fulfilled.

2. Deferred Tax:-

On the date of transition to Ind AS, the Company computed deferred taxes using the balance sheet approach in accordance with Ind AS 12 *Income Taxes*, as compared to the profit and loss approach applied under the previous GAAP. This resulted in recognition of deferred tax assets/liabilities on all temporary differences between the carrying amounts of assets and liabilities in the financial statements and their respective tax bases, including those arising from the Ind AS transition adjustments.

The adoption of the balance sheet approach led to a one-time impact on reserves as at the transition date, with corresponding recognition of deferred tax assets/liabilities in the opening Ind AS balance sheet.

Subsequent to the transition date, the Company has recognized additional deferred tax assets arising mainly from changes in estimates and Ind AS adjustments. These changes have been recognized in the Statement of Profit and Loss in the respective reporting periods in accordance with Ind AS 12.

3. Impact of Ind AS 116 - Leases:-

The Group has adopted Ind AS 116 "Leases" effective from 1st April, 2025 using the modified retrospective method with the cumulative impact being recognized on the date of initial application on 1st April, 2024. Accordingly previous period/year information has not been restated. This has resulted in recognizing a right-of-use asset (including reclassification of lease prepayment from other assets) and a corresponding lease liability.

Consequently, operating lease expenses which were recognised as other expenses in previous periods/year have now been recognised as depreciation expense in respect of the right-of-use asset and finance cost for interest accrued on lease liability. Accordingly the figures for the current quarter and nine months are not directly comparable with those of previous quarter/period.

Reconciliation for the effects of the transition on consolidated financial results for the earlier periods as follow:

Particulars	Quarter ended 31/03/2025	Year ended 31/03/2025
Others Expenses	(2.04)	(8.16)
Finance Cost	2.13	8.52
Depreciation and amortization expense	0.89	3.56
Profit before tax	0.98	3.93

4. Expected Credit Loss:-

The Company has adopted the Expected Credit Loss (ECL) model as per Ind AS 109, replacing the incurred loss model under IGAAP. The ECL approach considers historical data, current conditions, and forward-looking information to estimate credit losses. For trade receivables, the simplified approach has been applied, recognizing lifetime ECL. The change resulted in an adjustment to retained earnings on the date of transition. This enhances the accuracy and timeliness of credit loss recognition.

5. Control Assessment under Ind AS 110

The Holding Company has determined that its investment in the partnership firm meets the control criteria under Ind AS 110, as it has power over relevant activities, exposure to variable returns, and the ability to affect such returns. Accordingly, the partnership firm has been classified as a subsidiary and included in the scope of consolidation. This assessment has been made in accordance with Ind AS 101 – First-time Adoption of Indian Accounting Standards.

6. Re-measurement cost of net defined benefit liability:-

The re-measurement cost arising primarily due to change in actuarial assumptions has been recognised in Other Comprehensive Income (OCI) under Ind AS compare to Statement of Profit and Loss under previous GAAP.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group and its subsidiaries and in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated Ind AS annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the statement that give a true and fair view of the net consolidated profit and other comprehensive income and other financial information of the group in accordance with the applicable Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued hereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the Companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the statement by the directors of the Holding Company, as aforesaid.

In preparing the consolidated Statement, the respective Board of Directors of the Companies included in the group are responsible for assessing the ability of the respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions; misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal

financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular no CIR/CFD/CMD/1/44/2019 dated March 29, 2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.
