Notes:

1 The above un-audited financial results are reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 12, 2026.

2 Change in fair value are not reflective of the Company's business performance but are a result of temporary market volatility. The decline in Revenue from Operations, EBITDA, and PAT during the quarter ended September 30, 2026 was primarily impacted by adverse global economic conditions, including geopolitical tensions and war-related uncertainties, which led to market volatility and subdued business sentiment. These external factors affected overall market conditions and resulted in lower operational performance during the year. However, the impact is considered temporary and does not reflect the long-term fundamentals or growth potential of the Company.

3 The Company has only one business segment reportable under Indian Accounting Standard 108 "Operating Segments"

4 The consolidated financial results include the result of one foreign subsidiary i.e. Anjali Tradelink FZE(100%)

5 The figures have been re-grouped wherever necessary to conform to the current quarter and make compareable with previous year.

Notes:

1 The above un-audited financial results are reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 12, 2026.

2 Change in fair value are not reflective of the Company's business performance but are a result of temporary market volatility. The decline in Revenue from Operations, EBITDA, and PAT during the quarter ended September 30, 2026 was primarily impacted by adverse global economic conditions, including geopolitical tensions and war-related uncertainties, which led to market volatility and subdued business sentiment. These external factors affected overall market conditions and resulted in lower operational performance during the year. However, the impact is considered temporary and does not reflect the long-term fundamentals or growth potential of the Company.

2 The Company has only one business segment reportable under Indian Accounting Standard 108 "Operating Segments"

3 The consolidated financial results include the result of one foreign subsidiary i.e. Anjali Tradelink FZE(100%)

4 The figures have been re-grouped wherever necessary to conform to the current quarter and make compareable with previous year.
