The key parameters of the transaction are outlined below:

1. **Capital Infusion Amount:** TrucksUp has secured an aggregate funding of ₹78.26 Crore (Rupees Seventy-Eight Crore and Twenty-Six Lakh only) on 25th of August 2026.

2. **Investor Participation:** The growth round witnessed active participation from a prominent syndicate of marquee institutional investors and leading family offices.

3. **Promoter Commitment:** Demonstrating their long-term equity dedication to the enterprise trajectory, TrucksUp's Co-founders, Mr. Sarthak Shah Elwadhi and Mr. Aviraj Singh Chadha, have also personally co-invested into this financing round as promoters.

4. **Advisory Team:** Monarch Networth Capital Limited acted as the exclusive transaction advisor for this financing round.

Strategic Utilization of Capital:

The newly raised capital of ₹78.26 Crore inside the subsidiary will be deployed to strengthen core technology infrastructure, expand high-tier product engineering and data science teams, accelerate the capabilities of TrucksUp’s intelligent freight-matching engine, working capital requirements and general corporate purposes. The platform remains anchored in optimizing real-time demand-supply dynamics, removing empty transit trips across corridors, and continuing its active drive to integrate lakhs of Small and Medium Enterprises (SMEs) onto its digital logistics network.
