Dear Sir/Ma'am

**Sub: Disclosure under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations")**

This is to inform that a fire incident occurred at one of the manufacturing facilities of our supplier i.e. Mobis India Limited ("Mobis") at Irrungattukottai, Kancheepuram District of Tamil Nadu in the late afternoon of May 31, 2026. No fatality has been reported.

The above facility of Mobis supplies audio components and few other automotive parts to the Company.

The Company and Mobis teams are working closely to assess the situation and extent of damage to Mobis facility. This incident will result in temporary disruption to Company's production. However, alternative sourcing and supply continuity measures are being actively explored to minimize the operational impact. There is sufficient vehicle inventory in our dealer network to take care of the customer demand.

This is for your information and records.

Thanking you,

For **Hyundai Motor India Limited**
