For immediate release

Groundbreaking Ceremony Conducted for Telecom Infrastructure Project in Collaboration with BSNL

We are pleased to inform that **KP Green Engineering Limited** has officially conducted the **Groundbreaking Ceremony** for the telecom infrastructure project awarded by **Bharat Sanchar Nigam Limited (BSNL)** under the previously disclosed Advance Work Orders aggregating to **₹819 Crore**.

The project spans across **5 States and 1 Union Territory** and marks a significant milestone towards strengthening India's digital connectivity and telecom infrastructure across strategically important and geographically challenging regions.

This prestigious project reflects the growing trust and confidence in **KP Green Engineering Limited's execution capabilities, engineering expertise, and commitment towards delivering large-scale infrastructure projects of national importance.**

The project is expected to contribute meaningfully towards enhancing telecom connectivity, supporting digital inclusion, and enabling seamless communication networks across remote and underserved regions of the country.

With increasing focus on digital infrastructure and nationwide connectivity expansion, the Company believes this project represents a strong step towards reinforcing its position in the infrastructure and engineering segment while contributing to India's digital growth journey.

The commencement of this project further strengthens **KP Green Engineering Limited's presence in the telecom infrastructure sector** and highlights its capability to execute **large-scale projects across diverse geographies within defined timelines and quality standards.**

About KP Group:

Established in 1994, by Dr. Faruk G. Patel, KP Group has grown into a multi-faceted conglomerate with core expertise in renewable energy, infrastructure, and innovation. Over the past three decades, the group has championed sustainability by spearheading transformative projects in wind, solar, hybrid energy, Battery Energy Storage System (BESS) and green hydrogen, thereby contributing to India's green energy mission. With a strong portfolio of renewable energy projects, KP Group has earned a reputation as a trusted partner for companies committed to reducing their carbon footprint. The group remains steadfast in its mission to contribute meaningfully to India's energy transition while setting new benchmarks in the renewable energy sector.
