Limited Review Report for the Quarter ended 30th June, 2026.

We have reviewed the accompanying statement of unaudited financial results of **Crystal Business System Limited (Formerly known as Sadhna Broadcast Limited)** for the period ended **30th June, 2026** being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, it has come to our attention that the management has not considered the applicability of Employees' State Insurance Corporation (ESIC) contributions in respect of certain employees who, based on the salary records reviewed by us, appear to fall within the prescribed wage ceiling and fulfil the applicable eligibility criteria for coverage under the Employees' State Insurance Act, 1948. This causes us to believe that the accompanying statement of unaudited financial results may not have appropriately accounted for the related statutory liabilities, wherever applicable, and may not be in accordance with the applicable statutory requirements and other recognized accounting practices and policies.
