Sub: Increase in Volume

Dear Sir/Madam,

This is with reference to your letter under Ref. No. NSE/CM/Surveillance/17602 dated 25.09.2026 received through email seeking clarification on spurt in volume of Company's securities across exchanges in the recent past.

There has been no extra-ordinary event or activity in the Company which would warrant any exceptional movement of volume/share price on the Exchange. However, the price/volume movement of its shares on exchange seems to be in sync with the shares of other sugar companies and the increase in the volume is purely market driven. The management of the company is in no way connected with the increase in the volume of the shares.

It is confirmed that there is no information/announcement(including any impending announcement) which in our opinion may have a bearing on the price/volume behavior of Mawana's scrip.

The Company has always ensured that all requisite information/announcements required to be disclosed or intimated to the Exchanges pursuant to the provisions of Regulation 30 of the Securities and Exchanges Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 and amendments thereto is made available on time. The Company stands committed to promptly make all information/disclosures required to be made under the Regulations from time to time.

We trust you will find this in Order.

Assuring you of our best attentions at all times.

Thanking You,

Yours Faithfully,
For Mawana Sugars Limited
