Scrip Code: 539607

Dear Sir/Madam,

Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Empanelment by Bharat Sanchar Nigam Limited (BSNL) as a Captive Non-Public Network Provider.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Blue Cloud Softech Solutions Limited (“the Company”) has been empaneled by Bharat Sanchar Nigam Limited (“BSNL”) as a Captive Non-Public Network Provider (Category III), pursuant to a formal agreement executed between the Company and BSNL, valid for a period of 60 months. The signed agreement was received on 25.06.2026 by the company from BSNL.

A copy of the Press Release issued by the Company in this regard is enclosed herewith.

The empanelment confers on the Company eligibility to participate in enterprise Captive Non-Public Network (CNPN) projects in association with BSNL. It does not, by itself, guarantee any specific business or revenue, and the financial impact, if any, will depend on the projects actually secured. The arrangement is in the ordinary course of business and does not involve any related party.

This disclosure is also being hosted on the Company’s website at <https://bluecloudsoftech.com/wp-content/uploads/2026/06/New-Press-Release-Blue-Cloud-Softech-Solutions-Limited-Empaneled-by-BSNL-as-a-Captive-Non-Public-Network-Provider.pdf>

Kindly take the above on record.

Thanking you.

Yours faithfully,

For Blue Cloud Softech Solutions Limited

PRESS RELEASE

Blue Cloud Softech Solutions Limited Empaneled by BSNL as a Captive Non-Public Network Provider

Empanelment enables BCSSL to participate in enterprise private network and digital connectivity projects across India

Hyderabad, India – 29 June 2026

Blue Cloud Softech Solutions Limited (“BCSSL” or “the Company”), an AI-first technology company listed on BSE Limited (Scrip Code: 539607), has been empaneled by Bharat Sanchar Nigam Limited (“BSNL”) as a Captive Non-Public Network Provider under Category III, for the provision of Captive Non-Public Network (CNPN) services to enterprise customers across India.

The empanelment follows the execution of a formal agreement between BSNL and BCSSL, enabling the Company to collaborate with BSNL in planning, designing, deploying, commissioning and maintaining captive private network solutions for enterprise customers. The agreement is valid for a period of 60 months, subject to the terms and conditions contained therein.

The empanelment confers on the Company eligibility to participate in enterprise CNPN projects in association with BSNL. It does not, by itself, guarantee any specific business or revenue, and the financial impact, if any, will depend on the projects actually secured.

Captive Non-Public Networks are emerging as an important component of India’s digital transformation, enabling enterprises to deploy secure, reliable and dedicated communication networks tailored to their operational requirements. Such networks are expected to support Industry 4.0 initiatives, smart manufacturing, logistics automation, mission-critical communications and digital enterprise applications.

Under the empanelment framework, BCSSL will be eligible to partner with BSNL across its areas of operation for enterprise CNPN projects, strengthening the Company’s position in the evolving private network ecosystem and creating opportunities to deliver connectivity solutions to enterprises across multiple industry sectors.

Management Commentary

Commenting on the development, the Management of Blue Cloud Softech Solutions Limited stated:

“We are pleased to be empaneled by BSNL as a Captive Non-Public Network Provider. This reflects our technological capabilities and our commitment to supporting India’s digital infrastructure. We look forward to working with BSNL and enterprise customers to deploy secure, scalable, reliable and next-generation private network solutions that drive operational efficiency and digital transformation.”

Strategic Significance

- Strengthens BCSSL's presence in the telecommunications and enterprise technology ecosystem.
- Enables participation in the growing market for private 4G/5G and enterprise network solutions.
- Creates opportunities across manufacturing, logistics, utilities, healthcare, smart campuses, mining and other enterprise sectors.
- Supports India's vision of accelerating digital transformation and the adoption of advanced communication technologies.

"This empanelment further strengthens the Company's telecom capabilities following the grant of its DoT Unified Licence (VNO) and positions Blue Cloud to participate in emerging enterprise private network opportunities across smart manufacturing, logistics, healthcare, utilities, industrial IoT and AI-enabled digital infrastructure. It reinforces the Company's long-term strategy of delivering advanced enterprise connectivity and next-generation digital transformation solutions across multiple industry sectors."

This paragraph is concise, adds strategic value, and remains consistent with SEBI-compliant disclosure language.
