ABOUT US

Atal Realtech Ltd. is a prominent name in India's infrastructure sector, with a strong presence and a reputation for delivering excellence across critical areas of operation. The company's robust operational model enables it to play a significant and impactful role in shaping infrastructure growth.

Our Growth Story

ESTABLISHED LEADERSHIP :

Trusted name in government and PWD circles, maintaining sector leadership.

PROVEN EXPERTISE :

Over **30 lakh sq. ft.** of commercial / residential housing projects completed by 2019

FUTURE-READY FOCUS :

Positioned for growth in commercial / residential schemes.

SOUND FINANCIAL FOUNDATION :

Strong revenue mix and financial stability, aligned with founder principles.

CUSTOMER-CENTRIC APPROACH :

Focused on customer satisfaction, quality, and sustainability.

CONSISTENT PROGRESS :

Committed to continuous improvement and maintaining leadership.

Our Legacy of Excellence:

2012

Atal Realtech Ltd was founded under the leadership of Shri Vijaygopal P. Atal as a building contractor. After experience of 35 years in this field and while simultaneously undertaking his own private turnkey projects., Shri Vijaygopal P. Atal established his own firm, M/s. Atal Realtech Pvt. Ltd.

2020

In 2020, M/s. Atal Realtech Pvt. Ltd. transitioned into a public limited company, becoming M/s. Atal Realtech Ltd.

Class IA

M/s. Atal Realtech Ltd is a registered "Class IA" contractor with the Public Works Department and the Public Works Tribal Department of the Government of Maharashtra. The company is actively expanding its operations, bidding for more challenging projects, and establishing a strong presence in the industry.

Vision

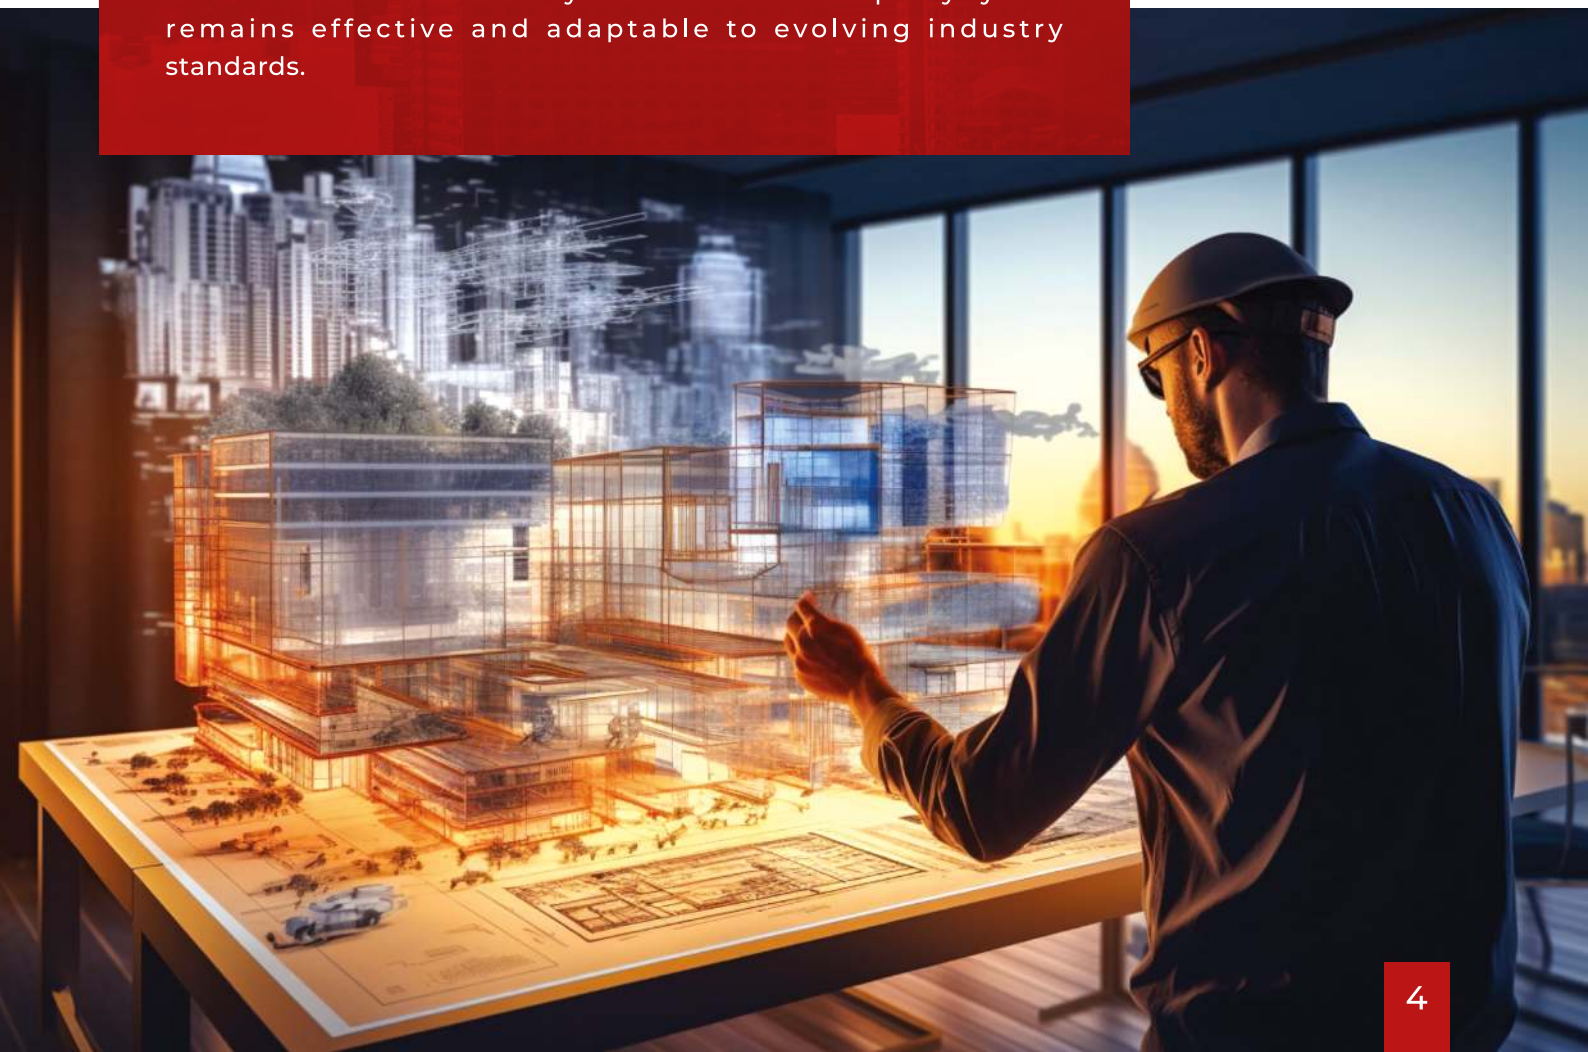

We aspire to lead the construction sector by building a strong brand that delivers unmatched value to our esteemed clients. Our goal is to consistently satisfy our customer base across private, government, semi-government, local bodies and private ensuring excellence in every project. Also willing to diversity in Road Infra projects and Electrical Infra projects

Mission

Our mission is to create enduring value for our customers. We are committed to adhering to best practices, staying responsive to changes in the business landscape, and achieving success as a unified team. We prioritize innovation, adaptability, and customer satisfaction in every aspect of our operations

Quality Policy

Quality is our top priority. We are dedicated to meeting and exceeding customer expectations by delivering services through a well-defined, proactive, and recognized service delivery system. Our commitment to continuous technological advancement and value analysis ensures that our quality system remains effective and adaptable to evolving industry standards.
