FOR IMMEDIATE RELEASE

Megamont Limited Secures 250 MT of Crude Palm Oil Worth Approx. Rs. 3.14 Crores

Mumbai, 28th October, 2026: Megamont Limited has concluded a trade for the procurement of 250 MT (+/- 2% at seller's option) of Crude Palm Oil (edible grade, FFA 5% max) in bulk from Paras Agri Business Private Limited, Palanpur. The deal value is approximately Rs. 3.14 Crores (including 5% GST), with lifting scheduled in December 2026.

Details of the Trade:

The trade, confirmed on 27th October, 2026, is for Crude Palm Oil (edible grade, FFA 5% max) in bulk. Delivery is Ex-Kandla Port, Gujarat, with lifting in December 2026, and tank rent at Kandla is included in the rate. Payment terms are advance, and the deal value is exclusive of import duty, which will be to the buyer's account.

The contract has been arranged through Hardik Brokers, Ahmedabad. Applicable GST will be payable by the buyer, and the seller may provide a bond-to-bond transfer document or IGST, at the seller's option.

Strategic Significance:

Palm oil is one of the most widely traded edible oils in India's import basket. Securing a bulk lot of crude palm oil ahead of the December lifting window **strengthens Megamont's sourcing position in the edible oil segment** and supports its ability to serve bulk buyers on a planned timeline.

The trade adds to the company's growing edible oil and agri-commodity activity, as Megamont continues to build its sourcing network and expand its presence in the segment.

Industry Outlook:

India is among the world's largest consumers and importers of edible oils, and palm oil is a core part of the country's edible oil basket. Demand from packaged food makers, refiners and household consumers remains steady, and reliable bulk sourcing of crude oils is central to the supply chain. A trading house with sound sourcing and logistics capability is well placed in this market.
