The observations primarily pertain to historical non-compliances, non-availability of certain statutory records and documents, delays in statutory filings, and deficiencies in the composition of the Board and its Committees during the relevant period.

The Board submits that the Company had appointed Independent Directors through Postal Ballot, the results whereof were declared on August 8, 2019, and the appointments became effective from the said date. However, the Company was unable to convene the ensuing Annual General Meeting due to the absence of a duly constituted Board as reflected in the records of the Ministry of Corporate Affairs ("MCA"). Further, changes in the jurisdiction of the Regional Director and differing regulatory interpretations at the relevant time resulted in procedural delays. Thereafter, the outbreak of the COVID-19 pandemic further affected the Company's ability to regularise its Board composition and complete the pending statutory compliances.

The Board further states that the Company has obtained the requisite consent to act as Directors (Form DIR-2) and declarations of non-disqualification (Form DIR-8) from the concerned Directors. The Company is presently undertaking the process of updating its MCA records, regularising the composition of the Board and its Committees, completing the pending statutory filings and strengthening its internal compliance framework to ensure compliance with the provisions of the Companies Act, 2013, the Rules made thereunder, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and the Secretarial Standards issued by the Institute of Company Secretaries of India.

The Board also notes the observations relating to procedural compliances and non-availability of certain historical records. The Company is making all reasonable efforts to reconstruct, update and maintain its

statutory records and registers in accordance with the applicable legal requirements and has implemented measures to ensure that such procedural lapses do not recur.

The Board is committed to maintaining high standards of corporate governance and regulatory compliance and will continue to take all necessary corrective and preventive measures to ensure full compliance with the applicable laws and regulations.

Management Discussion and Analysis Report:**a. Industry Structure and Developments**

The agricultural and textile trading sectors continue to play a crucial role in the Indian macroeconomy. However, **Shri Mahalaxmi Agricultural Development Limited** could not execute active trading operations during Financial Year 2021-22 due to sustained operational paralysis, regulatory constraints, and corporate governance defaults.

b. Opportunities and Threats

Opportunities: Re-constitution of the Board of Directors via ROC backend appointment under Section 167(3) opens the path to regularizing compliance backlogs, holding pending AGMs post-2018, and evaluating strategic options to resume trading activities.

Threats: Accumulation of statutory late fees/penalties for delayed MCA/SEBI filings, potential stock exchange suspension remedies, and financial illiquidity.

c. Segment-Wise or Product-Wise Performance

Since the Company generated **zero revenue from core operations** during FY 2021-22 (as well as in preceding financial years), segment-wise reporting under **Ind AS 108 / AS 17** is not applicable.

d. Outlook

The company's immediate priority is navigating the legal process seeking condonation of delay for pending statutory filings, convening the backlogged AGMs post-2018, and evaluating options to restore commercial trading operations.

e. Risks and Concerns

Compliance Backlog: Delay in filing annual returns (MGT-7) and financial statements (AOC-4) with the RoC since FY 2017-18 exposes the company to statutory late fees and compliance condonation procedures.

f. Internal Control Systems and Their Adequacy

Control Deficit & Operational Deadlock: A technical deadlock occurred when all previous directors filed Form DIR-11 directly, leaving no authorized signatory to execute Form DIR-12 on the MCA portal. This administrative vacancy temporarily impaired internal secretarial controls, preventing the timely approval of financial statements and the holding of statutory AGMs post-2018.

Restoration & Remedial Action: To restore governance and internal controls, the Registrar of Companies (RoC), Ahmedabad, exercised powers under Section 167(3) of the Companies Act, 2013, to appoint three (3) new Directors. The newly constituted Board is actively taking corrective steps to complete pending audits, clear statutory backlogs (Forms AOC-4 & MGT-7), and strengthen internal financial control systems.

The Company is in the process of restoring and re-establishing its internal financial control processes to ensure ongoing and future statutory compliance.

g. Discussion on Financial Performance with Respect to Operational Performance

- Dividend Income: ₹1,76,490.00
- Interest Income: ₹34,427.00 (down from ₹15.22 Lakhs last year).
- Long-Term Capital Gains: ₹22,413.94

Financial statements reflect complete operational dormancy. Earnings generated pertain solely to non-operational investment gains, which saw a steep decline compared to the preceding year. Financial statements reflect complete operational dormancy.

h. Material Developments in Human Resources / Industrial Relations

2. Key Financial Ratios & Return on Net Worth

(Pursuant to Schedule V of SEBI LODR Regulations, 2015)

Ratio	FY 2021--22	FY 2010-21	Change (%)	Reason for Significant Variation (≥25%)
(i) Debtors Turnover	N/A	N/A	N/A	No Trade Receivables or operational revenue in both financial years.
(ii) Inventory Turnover	N/A	N/A	N/A	No Inventories held or traded in both financial years.
(iii) Interest Coverage Ratio	N/A	389.62	N/A	No finance costs/interest expenses incurred in either year.
(iv) Current Ratio	3.39	2.84	19.4%	Not applicable — below the 25% threshold; ratio remained broadly stable.
(v) Debt-Equity Ratio	0.266	0.111	139.64%	Long-term borrowings increased by ₹1,76,10,025.72 during the year, raising leverage relative to net worth.
(vi) Operating Profit Margin (%)	0.00%	0.00%	0.00%	Core operational revenue was ₹0.00.
(vii) Net Profit Margin (%)	(1.22%)	0.45%	-371.11%	Company moved from a small profit to a loss, driven by a sharp fall in interest income and a one-time Long-Term Capital Loss of ₹17,52,725.76.

Change in Return on Net Worth (RONW)

"The company's bottom-line performance experienced a contraction, shifting from a net profit of ₹5,21,278.04 in FY 2020-21 to a net loss of ₹(14,04,025.71) in FY 2021-22. This downside movement was driven by a 58.38% drop in total treasury yield inflows, caused primarily by a collapse in fixed interest returns from ₹15.22 Lakhs to just ₹34,427.00. This income decline, paired with an unexpected non-operating Long-Term Capital Loss of ₹17,52,725.76, outpaced our internal corporate overhead cost savings and employee salary scale downs, directly causing the negative variances in our Debt-Equity and Return on Net Worth metrics."

8. Means of Communication:

a) Publication of quarterly results & website details: Due to the system-enforced lockout on the Ministry of Corporate Affairs (MCA) portal, Because the automated portal limitations reflected a complete vacancy of active board data, the Company lacked even a single recognized signing authority on official databases. This structural restriction did not just block corporate filings; it completely prevented the Company from carrying out day-to-day operations. This included an absolute freeze on corporate banking transactions, as the banking institutions could not verify active, authorized signatories on the MCA public registry. Consequently, the Company was systemically blocked from publishing digital quarterly financial statements, annual accounts, or required statutory updates on the regulatory portal.

No Dividend has been recommended for the year under review.
