Dear Sir/Madam,

Sub.: Intimation to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This is in continuation of our earlier intimation dated 11th December 2025, pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, inter alia, regarding the setting up of a 4 MWp (DC) ground-mounted solar photovoltaic (PV) power plant at its Nadiad Unit for captive consumption.

We are now pleased to inform you that the plant has started generation of electricity from 19th July 2026. The project is expected to improve cost competitiveness by reducing energy costs, which remain a key component of manufacturing expenses. This initiative reflects the Company's commitment towards environmental sustainability by contributing to green energy generation and reducing carbon footprint.

We request you to take the above on record.

Thanking You,

Yours faithfully,

For **Mafatlal Industries Limited**
