Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Receipt of Manufacturing License for Biomesan Analytics Platform

Dear Sir / Madam,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Lord's Mark Industries Limited has become the first and only company in India to receive a manufacturing licence for an In Vitro Diagnostic Software (Software as a Medical Device – SaMD) for its Biomesan Analytics Platform.

The licence has been granted under the Medical Devices Rules, 2017, marking a significant milestone in bringing gut microbiome science into mainstream wellness and preventive healthcare.

Key details regarding the development are outlined below:

- **Platform Overview:** Biomesan combines whole metagenome sequencing data with a validated bioinformatics pipeline to generate detailed gut microbiome profiles, diversity scores, enterotype classification, functional metabolic assessments, and evidence-based personalized dietary recommendations.
- **Licence & Classification:** The platform is licensed as a wellness and health-information tool (Software as a Medical Device – SaMD) under the Medical Devices Rules, 2017, for preventive healthcare and early health risk assessment.
- **Strategic Objectives & Network Expansion:** Building on this milestone, the Company plans to establish a nationwide network of Health & Wellness Centres in collaboration with hospitals, doctors, and healthcare institutions to provide personalized microbiome assessments and preventive care strategies.

Statement from Management:

Commenting on the development, Mr. Sachidanand Upadhyay, Managing Director, Lord's Mark Industries Ltd., stated: "Healthcare is moving from reactive treatment to proactive prevention. Our vision is to empower every individual with scientific insights into their own health before disease develops. Biomescaan represents a new era where genomics and nutrition come together to create truly personalized wellness. Through partnerships with hospitals and medical professionals across India, we aim to make preventive healthcare accessible, affordable and impactful for millions."

The Company further intends to establish a nationwide network of Health & Wellness Centres in collaboration with hospitals, doctors and healthcare institutions to make preventive healthcare solutions based on the Biomescaan platform widely accessible.

Thanking You,

For Lord's Mark Industries Limited
(Formerly known as Lords Mark India Limited and Kratos Energy & Infrastructure Limited)
