Dear Sir/Madam,

**Sub.:** Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Purchase of Notebook Manufacturing Machines

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Company has purchased the following notebook manufacturing machines as part of its business expansion and backward integration initiative:

1. Linomatic Automatic Reel to Sheet Super High Speed Ruling/Flexo Printing Machine - SHS 104 S
2. Exercise Book Binding Machine - UNO B104

With the installation of the above machines, the Company will commence in-house manufacturing of notebooks/exercise books for supply to its existing customer schools, instead of procuring the same from external vendors.

This initiative is expected to improve operational efficiencies, strengthen quality control, optimize production timelines, and achieve better cost efficiencies for the Company.

The above development is in line with the Company's long-term growth and operational strategy.

You are requested to take the above information on record.
