In respect of Item No. 4:

Approval of remuneration payable to Mr. Nimish Keshavlal Patel, Chairman and Managing Director, for the remaining period of his term of appointment

The members of the Company, at the Annual General Meeting held for the financial year 2022-23 ("AGM FY 2023"), had by way of a Special Resolution, re-appointed Mr. Nimish Keshavlal Patel (DIN: 00240621) as the Chairman and Managing Director of the Company for a further period of 5 (five) years, with effect from April 1, 2023 to March 31, 2028, on the terms and conditions including remuneration upto a maximum ceiling limit of ₹ 50 lakhs p.a. as set out in the said resolution and the explanatory statement annexed thereto.

As the Company had no profits/inadequate profits, the remuneration payable to Mr. Nimish Keshavlal Patel was approved by the members in terms of Section II of Part II of Schedule V to the Companies Act, 2013. In terms of the said Schedule V, such approval accorded by the members for payment of remuneration in a year of no profit or inadequate profit is valid only for a period not exceeding 3 (three) financial years at a time, notwithstanding that the tenure of appointment of the managerial personnel may be for a longer period. Accordingly, the approval already obtained from the members covers the remuneration payable to Mr. Nimish Keshavlal Patel only up to March 31, 2026, being 3 (three) years from the date of his re-appointment.

Since the Company does not have adequate profits/has inadequate profits for the financial year 2025-26 and the profitability for the subsequent year(s) remains uncertain, fresh approval of the members is required under Section II of Part II of Schedule V to the Companies Act, 2013 read with Section 197, 198 and 203 of the Companies Act, 2013 and Regulation 17(6)(e) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for payment of remuneration to Mr. Nimish Keshavlal Patel for the balance/remaining period of his present term of appointment, i.e. from April 1, 2026 to March 31, 2028.

The Nomination and Remuneration Committee and the Board of Directors of the Company, at their respective meetings held on 11th August 2026, have recommended and approved the payment of remuneration to Mr. Nimish Keshavlal Patel for the remaining period of his term and have recommended the same for approval of the members.

The Board of Directors recommends the resolution set forth in Item No. 4 for approval of the Members as a Special Resolution.

Mr. Nimish Keshavlal Patel (DIN: 00240621) is interested in the said resolution, being the appointee. His relatives, to the extent of their shareholding interest, if any, in the Company, may be deemed to be concerned or interested in the resolution.

Except as stated above, none of the other Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution, except to the extent of their respective shareholding, if any, in the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OVERVIEW

The global castor oil market demonstrated steady growth in FY 2025–26, reaching an estimated volume of approximately 812.1 Kilo Tons at the start of 2026. Projections indicate a continued upward trajectory, with expectations to attain 891.0 Kilo Tons by 2034, reflecting a Compound Annual Growth Rate (CAGR) of 1.03%.

India maintained its position as the leading producer and exporter of castor oil globally, accounting for nearly 85% to 90% of the international trade. In the 2025–26 market window, India exported over 675,168 metric tonnes of castor oil, valued at approximately USD 1.01 billion. Gujarat continued to dominate domestic production, contributing over 85% of India's total castor seed output, followed sequentially by Rajasthan and Andhra Pradesh.

India's castor oil industry navigated shifting trade patterns in FY 2025–26. During the five-month period from April to August 2025, cumulative castor oil exports reached 301,065 metric tonnes. In specific periods like July 2025, single-month exports stood at 49,928 metric tonnes, generating a corresponding export value of Rs. 681.70 crore. Meanwhile, domestic raw material costs remained steady, with the average price of castor seed in Gujarat's Mehsana district successfully ranging between Rs. 6,500 and Rs. 7,050 per quintal.

The rising utilization of castor oil in numerous industries, such as personal care, chemicals, pharmaceuticals, lubricants, etc., owing to its unique properties and versatility, are primarily driving the market.

India holds an overwhelming global monopoly on the castor industry, commanding an 85% to 90% share of total world production. Gujarat remains the undisputed leader, contributing over 85% of India's domestic castor seed output, followed sequentially by Rajasthan and Andhra Pradesh. Originally native to Eastern Africa (Ethiopia), the castor plant thrives in hot, tropical environments. Today, just three nations—India, China, and Brazil—account for roughly 88% of total global cultivation area, yielding between 15 and 20 lakh tonnes of seed annually. The resulting oil is highly versatile, acting as a vital base for washing soaps, lubricating greases, laxatives, surfactants, nylon-11, and hydraulic fluids, while the leftover castor cake serves as organic agricultural manure. Reflecting strong industrial demand, raw castor seed prices reached Rs. 5,950 per quintal in July 2024, pushing India's annual castor oil export revenues to over Rs. 8,000 Crores.

Looking forward, the global castor oil market is projected to experience steady growth from 2026 to 2031, driven by its versatility as a bio-based, eco-friendly raw material for high-value applications like biodiesel, lubricants, and specialized industrial coatings. While its high ricinoleic acid content makes it a crucial, sustainable alternative to petroleum-based chemicals, market growth faces challenges from volatile, weather-dependent supply chains, and its use in the food industry is limited to specialized, non-culinary, high-grade applications.

GLOBAL CASTOR OIL MARKET DRIVERS/CONSTRAINTS:

The global castor oil derivatives market, valued at over USD 1.5 billion in 2025, is projected to reach USD 2.88 billion by 2034, growing at a 6.90% CAGR due to rising demand for green chemicals in coatings, cosmetics, and pharmaceuticals. Major industry players are increasing their portfolio of castor-based, sustainable ingredients, exemplified by BASF SE's 2020 launch of Lamesoft® Balance for stabilizing cleansing formulations.

The primary market restraints hindering the global castor oil derivatives industry include intense raw material price volatility and high production processing costs compared to cheaper synthetic alternatives. Furthermore, the market faces significant supply chain vulnerabilities due to a geographical monopoly, as global production relies heavily on seasonal monsoon patterns within a single dominant growing region.

RISK AND CONCERNS

The Company is exposed due to disparity resulting into pressure on margin. Moreover non-availability of funds due to sickness of the unit and poor market conditions affects the quick turnaround. However, the Management is aware of the said problems & therefore has designed the system to address the same.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF N.K. INDUSTRIES LIMITED

Report on the Audit of the Standalone IND AS Financial Statements

Qualified Opinion

We have audited the accompanying standalone IND AS financial statements of **N.K. INDUSTRIES LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Section of our report, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India of the state of affairs (financial Position) of the Company as at March 31, 2026, and its losses, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

1. The Company had entered into financial arrangement with National Spot Exchange Ltd (NSEL) through trading and Clearing Member, N.K. Proteins Private Ltd (erstwhile N. K. Proteins Limited (NKPL) (Group Company) by way of purchase and sales of various goods up to financial year 2012-13. The trade payables and trade receivables arising out of the said transactions through National Spot Exchange Limited (NSEL) from the concerns other than the group concerns are subject to confirmations by the respective parties/NSEL and reconciliations/ adjustments, if any. Further, NSEL has suspended the trading on 31.07.2013, as per the directions issued by the Government of India, Ministry of Consumer Affairs. NSEL has initiated recovery proceedings against the group company NKPL and also against the company by filing a civil suit in the Hon'ble High Court of Mumbai for an alleged amount of around Rs.937 crores plus interest and the said proceedings are pending as on date. Further, the Home department, Government of Maharashtra has issued a notification under the Maharashtra Protection of Interest of Depositors (in financial establishments)-Act, 1999 (MPID Act) attaching the Land, Building & Plant & Machinery of the company located at Kadi, Gujarat. The company had challenged the notification issued by Home department of Maharashtra before Hon'ble Gujarat High Court which was disposed off vide its order dated 29th March 2017. The company preferred a Special Leave Petition before the Hon'ble Supreme Court of India against the order of Hon'ble Gujarat High Court and The Hon'ble Supreme Court of India had disposed off the Special Leave Petition on 17th April, 2017 with an observation to file an application before Hon'ble Bombay High Court, Mumbai, and as informed by the management, the company has filed petition before the Hon'ble Bombay High Court in June 2017 which is pending. Besides the above, the company has also filed its objections against the attachment notification before the Designated Special MPID Court, Mumbai. In view of the above that the matter is subjudice, and the alleged liability/claim are not accepted by the company, we are unable to quantify the final liability and its impact if any, on the loss of the company for the Year ended on 31st March, 2026. (Refer to the note no. 37 of Standalone IND AS Standalone Financial Statement)
2. The Directorate of Enforcement, Government of India has initiated proceedings against the company under section 5(1) of the prevention of Money Laundering Act, 2002, along with group company NKPL, and by virtue of the provisional attachment order dated 10/03/2015, attached the assets of the company comprising of Land, building, plant and machinery situated at Survey Nos. 719, 720, 721, 732/1, 732/2, 733, 741, 743, 744, 745, Kadi Thol Road, Village Kadi Kasba, taluka- Kadi, District Mehsana-382715 Gujarat. As explained to us, The Company has preferred an appeal before the Hon'ble Appellate Tribunal under the Prevention of Money laundering Act, 2002 against the order of Adjudicating Authority Which is pending for final hearing and adjudication.

Further, the Director of Enforcement (hereinafter referred to as ED), Government of India had initiated proceedings of search/seizure on 30.05.2018 on the group company NKPL, the promoters of the company late Shri Nilesh Patel and Shri Nimish Patel, one of the family member as well as on the company and thereafter on 29.06.2018, the ED, Government of India, had preferred an application u/s 17(4) of the Prevention of Money Laundering Act, 2002 before the Adjudicating Authority, New Delhi, vide it's Application No. OA/236 of 2018 against the company as well as group company NKPL and the promoters for retention of the seized properties and for continuation of order of freezing the properties, till finalization of the proceedings, of the properties mentioned in the application u/s 17(4) of the PMLA Act, 2002. The company along with Group Company and promoters challenged the show cause notice issued by the adjudicating authority New Delhi, before the Hon'ble High Court of Delhi and the Hon'ble High Court has set aside the said show cause notice. The Director of Enforcement has attached assets of the company, group company NKPL and the promoters

of the company by issuing a fresh show cause notice dated 30/08/2018 and the company has filed an appeal before PMLA Appellate Tribunal, Delhi. In view of the above that the matter is subjudice, and the alleged liabilities /claims are not accepted by the company, we are unable to quantify the final liability and its impact, if any, on the loss of the company for the Year ended on 31st March, 2026. (Refer to note no. 38 of the IND AS Standalone Financial Statement)

3. The Government of Maharashtra, (at the instance of Economic offence, wing Mumbai), has filed supplementary Charge sheet dated 25th December, 2018 under the various sections of IPC AND MPID Act. against the company and its chairman Shri Nimish Patel. Further, MPID Court on the basis of above supplementary charge sheet has issued summons and as stated by the management, the Company has complied with the said summons. However, the matter is subjudice. Thus, in view of the fact that the said criminal proceedings which have been initiated, inter alia, against the company and its Chairman Shri Nimish Patel are pending, we are unable to ascertain/quantify the final liability, if any, that may arise from the said criminal proceedings and therefore we are unable to quantify its impact, if any, on the loss of the company for the Year ended on 31st March, 2026. (Refer to the note no. 39 of the IND AS Standalone Financial Statement).

We conducted our audit of the Statement in accordance with the Standards on Auditing ("SA"s) specified under Section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

1. The company is having accumulated losses (after taking into account the balance of reserves) of Rs 35,492.13 lakhs as at 31.03.2026 and the net worth of the company is negative. However, as per the business plan submitted by the management to us and accepted by us, the Company is making sincere efforts for the revival of the Business & the management is confident to recover the losses through improved profitability in foreseeable future. Therefore, no provision for the impairment has been made and accounts for the year have been prepared on "going concern basis." Further, the business plan prepared by the management and accepted by us with respect to the subsidiaries company i.e. Banpal Oil Chem Private limited and NK OIL Mills Private limited, (Except Tirupati Retail India Pvt Ltd where proper provision of Impairment has been done) the management is confident to also revive the operations of the loss making subsidiary companies, hence no provision for impairment in the fair value of the investment made in the said subsidiary companies has been made in the books of accounts. (Refer Note No 34 of standalone IND AS Standalone financial statements)

Our opinion is not modified on the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter:

Description of Key audit Matter	Our response and results
Litigations and claims (Refer note 29) to the standalone Ind AS financial statements) The cases are pending with multiple tax authorities like Income Tax, Sales tax etc. and there are claims against the company which have not been acknowledged as debt by the company. In normal course of business, financial exposures may arise from pending proceedings and from claims of the customers not acknowledged as debt by the company. Whether a claim needs to be recognized as liability or disclosed as contingent liability in the standalone Ind AS financial statements is dependent on a number of significant assumptions and judgments. The amounts involved are potentially significant and determining the amount, if any, to be recognised or disclosed in the standalone Ind AS financial statements, is inherently subjective. We have considered Litigations and claims, a Key Audit Matter as it requires significant management judgement, including accounting estimates that involves high estimation uncertainty.	Our audit procedures, inter alia, included following: - Discussed disputed litigation matters with the company's management. - Evaluated the management's judgment of tax risks, estimates of tax exposures, other claims and contingencies. Past and current experience with the tax authorities and management's correspondence/ response including on the claims lodged by customers, were used to assess the appropriateness of management's best estimate of the most likely outcome of each uncertain contingent liability. - Critically assessed the entity's assumptions and estimates in respect of claims, included in the contingent liabilities disclosed in the financial statements. Also, assessed the probability of negative result of litigation and the reliability of estimates of related obligations. Conclusion: Based on the procedures described above, we did not find any material exceptions to the management's assertions and treatment, presentation & disclosure of the subject matter in the standalone Ind AS financial statements.

Emphasis of Matter

1. The company is having accumulated losses (after taking into account the balance of reserves) of Rs 35,492.13 lakhs as at 31.03.2026 and the net worth of the company is negative. However, as per the business plan submitted by the management to us and accepted by us, the Company is making sincere efforts for the revival of the Business & the management is confident to recover the losses through improved profitability in foreseeable future. Therefore, no provision for the impairment has been made and accounts for the year have been prepared on "going concern basis." Further, the business plan prepared by the management and accepted by us with respect to the subsidiaries company i.e. Banpal Oil Chem Private limited and NK OIL Mills Private limited, (Except Tirupati Retail India Pvt Ltd where proper provision of Impairment has been done) the management is confident to also revive the operations of the loss making subsidiary companies, hence no provision for impairment in the fair value of the investment made in the said subsidiary companies has been made in the books of accounts. (Refer Note No 34 of standalone IND AS Standalone financial statements)
2. The Income Tax Department had carried out survey u/s 133 of the Income tax Act, 1961 (the IT Act) on the company along with other group companies during FY 2013-14 and had ordered a special audit of the books of the company u/s 142(2A) of the IT Act, 1961, for AY 2011-12 & A.Y 12-13. The department had raised a demand of Rs 86.00 lakhs A.Y.2014-15 on the company for the aforesaid assessment years and the said demand has been disputed by the company and the company has initiated appellate proceedings before appropriate authorities. The said amount has been shown as contingent liability in the notes forming part of standalone financial statements. Further, Income tax department has passed an attachment order on 22.04.2015 & 14.08.2015 by which it has attached properties of the company in pursuant to a demand, the details of the properties attached which are in the name of company is as under:
 - 803, Manas Complex, Opp Star Bazaar, Nr Jodhpur Cross road, Satellite, Ahmedabad 380015.
 - 603, Manas Complex, Opp Star Bazaar, Nr Jodhpur Cross road, Satellite, Ahmedabad 380015.
 - Land, situated at Survey Nos.719, 720, 721, 732/1, 732/2, 733, 741, 743, 744, 745, Kadi Thol Road, Village Kadi Kasba, taluka- Kadi, District Mehsana-382715.
 - Factory Building Situated at survey No 745, Kadi Thol Road, Village Kadi Kasba, taluka- Kadi, District Mehsana-382715

(Refer to the note no 40 of the IND AS Standalone Financial Statement)
3. A Search & Seizure action U/S 132 of the Income Tax Act took place on 24.2.99. The Income Tax department had raised

demand of Rs. 3312 lakhs vide the block assessment Order dt. 30.4.2001. In case of the company, the Hon'ble Income Tax Appellate Tribunal (ITAT), Ahmedabad has subsequently given partial relief to the extent of Rs. 2884 lakhs. The company had preferred an appeal before the Hon'ble High Court of Gujarat against the order of Hon'ble ITAT, Ahmedabad. The Hon'ble Gujarat High Court vide its order dated 20th June, 2016 had given partial relief on some of the grounds and had also dismissed some of the grounds of the company. Against the grounds dismissed by Hon'ble High Court of Gujarat, the company had further preferred an appeal before Hon'ble Supreme Court of India, and the Hon'ble Supreme Court of India vide order dated 16th January, 2017 had dismissed the appeal of the Company. The Company had already provided an amount of Rs 288 lakh against the grounds dismissed by Hon'ble ITAT, Ahmedabad during F.Y 2002-03 as well as Rs 127 lakh was provided in the books of accounts for the Assessment year in question for the interest payable up to 31-03-2005 during F.Y 2004-05. However, in view of the management and on the basis of the Judgment of the Hon'ble Gujarat High Court, the amount provided/paid by the company towards total demand shall result in refund to the company. Pending effect of the various orders of adjudicating authorities by the Income Tax Department, the Company is yet to provide final entries in its books of accounts even during the year under review. In view of non-availability of order of the appeal effects from the Income Tax Department, we are unable to opine on the same. (Refer to the note no 31 of the IND AS Standalone Financial Statement)

4. The Sales Tax Department has completed the assessment proceedings for various assessment years and raised demand of Rs. Rs. 3314.22 lacs (net of recovery) for the earlier financial years. The company has not made any provision for the above demand raised by the sales tax authority in its books of accounts as in view of the Management, the said demand shall not withstand before the Appellate Authorities and the company has already preferred an appeal before the appellate authority which is still pending. In view of the above, the said amount has been shown as contingent liability in the notes forming part of standalone financial statements. (Refer to the note no 20 and 42 of the IND AS Standalone Financial Statement)
5. The balance confirmation from the suppliers, customers as well as to various loans or advances, capital advances given, certain non-moving banks & Fixed Deposit with Bank have been called for by the company, but the same are awaited till the date of audit. Thus, the balances of receivables, capital advances, trade payables as well as loans and advances, certain non-moving bank balances and Fixed Deposit balance have been taken as per the books of accounts submitted by the company and are subject to confirmation from the respective parties. (Refer to the note no 45 of the IND AS Standalone Financial Statement)

Our opinion is not modified on the above matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone IND AS financial statements and our auditor's report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone IND AS Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone IND AS financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the applicable Indian accounting standards (Ind AS) specified under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone IND AS financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis

of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone IND AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 197(16) of the Act as amended, in our Opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 3(h) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of N.K. INDUSTRIES LIMITED of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to Standalone Ind AS Financial Statements of **N.K. INDUSTRIES LIMITED** (the "Company") as of March 31, 2026 in conjunction with our audit of the standalone IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Standalone Financial Statements issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference to Standalone Financial Statements (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone Ind AS Financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Standalone Financial Statements issued by the ICAI.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

SIGNIFICANT ACCOUNTING POLICIES

1. CORPORATE INFORMATION:

The company is incorporated under the Indian Companies Act, 1956, having its registered office situated at 7th Floor, Popular House, Ashram Road, Ahmedabad. The company is engaged in manufacturing of castor oil and other allied products including its derivatives viz. 12 HAS, ricilonic acid, etc. and is also engaged in trading of castor oil derivatives, mainly Hydrogenated Caster Oil (HCO), which the company is getting done on job work basis through outside parties. As explained by the management, the company has during the year as per Dry lease agreement entered given its Plant on lease due to working capital crunch. As per the details given by the management, the company is having a crushing capacity of castor seeds of more than 27,000 MT per month.

1.1 RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

A. Standards issued but not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Standalone Financial Statements are disclosed below. The Company will adopt this new and amended standard, when it becomes effective.

- (i) Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants The amendment requires that if a covenant breach is rectified after the reporting date, the same will be treated as a non-adjusting event and this amendment will be applicable from annual reporting periods beginning on or after the April 01, 2026.

The amendment does not see any material impact on the Standalone Financial Statements.

- (ii) Standards issued and are effective in reporting period.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 01, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 01, 2025 – The amendment relates to classification of liabilities as current or non-current and noncurrent liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 01, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The amendments also require companies to provide new disclosures to compensate for potential loss of information resulting from the relief. Such disclosures are to be provided for annual reporting periods beginning on or after April 01, 2025. These requirements are not applicable to the Company.
4. Other Amendments (Ind AS 115, Ind AS 116): Removed the conflict between Ind AS 109 and Ind AS 115 over the amount at which a trade receivable is initially measured (Ind AS 115 and Ind AS 116). These amendments do not have a material impact on the Company's financial statements.

1.2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

A) STATEMENT OF COMPLIANCE

(i) Compliance with Indian Accounting Standards (Ind AS)

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

(ii) Basis of Preparation and Presentation

The Company has prepared its Standalone Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1st April, 2023.

The Financial Statements have been prepared on the historical cost convention on the accrual basis except for certain assets and liabilities that are required to be carried at fair values by Ind AS.

(iii) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is: -

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when: -

- It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting period,
- or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(iv) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

1.3 MATERIAL ACCOUNTING POLICY

(a) Revenue Recognition:

- (i) Revenue comprises of all economic benefits that arises in the ordinary course of activities of the Company which result in increase in Equity other than increases relating to contributions from equity participants. Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates.

Goods and service tax is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the Government. Accordingly, it is excluded from revenue.

Revenue from sales is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer, which generally coincides with delivery. Revenues from sale of by-products are included in revenue. Inter-transfers, other benefits passed on the customer in kind etc are expensed in statement of Profit and loss.

(ii) Other Income

a. Interest Income

Interest income is recognized using effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

b. Dividend income

Dividend are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

c. Gain or loss on derecognition of Financial Assets

Gain or Loss on derecognition of financial asset is determined as the difference between the sale price (net of selling costs) and carrying value of financial asset.

d. All other Incomes are recognised and accounted for on accrual basis

(b) Property, Plant and Equipment

(i) Property, plant and equipment [PPE]

All PPE are stated at original cost (net of tax/duty credit availed) less accumulated depreciation and impairment losses except freehold land which is carried at cost. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses relating to the acquisition, trail run expenses (net of revenue) and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met. Thus, the policy of the company is that subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that the future economic benefits associated with the items will flow to the entity and the cost of the same can be measured reliably.

The Cost of Property, Plant and Equipment as at 1st April 2016, the company's date of transition to IND AS, was determined with reference to its carrying value, recognized as per the pervious GAAP (deemed cost) as at the date of transition to IND AS

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipments are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed periodically and adjusted prospectively, if appropriate.

a. Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred

to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalized when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

b. Depreciation

Assets in the course of development or construction and freehold land are not depreciated.

Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value basis over except Computers, office equipment office building and Factory building which has been provided on the basis of Straight-line method over its useful life (as per Schedule II of Companies Act, 2013), as follows:

The useful lives of assets are as follows:

Buildings	30-60 Years
Plant and equipments	15 Years
Furniture and fixtures	10 Years
Vehicles	8-10 Years
Others- Computer Hardware	3-6 Years
Office equipments	5 Years

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such costs. The carrying amount of the remaining previous overhaul cost is charged to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

(c) Intangible assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(d) Financial instruments:

(i) Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities except investment in subsidiaries are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Regular way purchase and sale of financial assets are accounted for at trade date.

(ii) Subsequent Measurement

a. Non-derivative financial instruments

i. Financial assets measured at amortized cost

A financial asset except equity instruments (other than those of subsidiaries) is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets measured at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has elected to measure Equity instruments (other than those of subsidiaries) at fair value through other comprehensive income.

iii. Financial assets measured at fair value through profit or loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

iv. Financial liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Interest bearing bank loans and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

b. Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognized as a deduction from equity instrument net of any tax effects.

(iii) Effective interest rate (EIR) method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(iv) De-recognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

(v) Off-setting

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the company currently has a legally enforceable right to offset the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

(e) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability

in an orderly transaction between market participants at the measurement date.

The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 – inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

Level 3 – inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

(f) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(g) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences if any, to the extent regarded as an adjustment to the borrowing costs.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowings costs eligible for capitalization.

(h) Impairment

(a) Financial assets

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Company assesses whether financial assets carried at amortized cost is credit impaired. A financial asset is 'credit -impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime expected credit losses together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

(b) Non-Financial assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the company estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an assets net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognized in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

(i) Inventories

Inventories are valued at the lower of cost and net realizable value except scrap and by products which are valued at net realizable value.

Costs incurred in bringing the inventory to its present location and conditions are accounted for as follows:

Stores & Spares: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Obsolete inventories are identified and written down to net realizable value. Slow moving and defective inventories are identified and provided to net realizable value.

(j) Accounting For Taxes on Income:

Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.

Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it is become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income. As such, deferred tax is also recognized in other comprehensive income.

Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

(k) Employee benefit schemes

(i) Short Term employee benefits

Short term employee benefits for salary and wages including accumulated leave that are expected to be settled wholly within 12 months after the end of the reporting period in which employees render the related service are recognized as an expense in the statement of profit and loss.

(ii) Post- employment benefits

(a) Gratuity

The Company provides for gratuity, a defined benefit plan ("the Gratuity Plan") covering the eligible employees of the Company. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of the employment with the Company.

Liability with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The Company recognises the net obligation of a defined benefit plan as a liability in its balance sheet. Gains or losses through re-measurement of the net defined benefit liability are recognised in other comprehensive income and are not reclassified to profit and loss in the subsequent periods. Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Company recognizes these remeasurements in the Other Comprehensive Income (OCI).

(b) Provident Fund

Eligible employees of the Company receive benefits from provident fund, which is a defined contribution plan. Both the eligible employees and the Company make monthly contributions to the Government administered provident fund scheme equal to a specified percentage of the eligible employee's salary. Amounts collected under the provident fund plan are deposited with in a government administered provident fund. The Company have no further obligation to the plan beyond its monthly contributions.

(iii) Compensated Absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using the projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised is the period in which the absences occur.

(l) Provisions

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Warranties

A provision for warranties is recognised when the underlying products are sold. The provision is based on technical evaluation, historical warranty data and a weighting of all possible outcomes by their associated probabilities. A liability is recognised at the time the product is sold. The Company does not provide any extended warranties to its customers.

(m) Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements

(n) Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are neither recognised nor disclosed in the financial statements.

(o) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

(p) Investments

Investment in Subsidiary Companies are valued at Original Cost. Investment in NSC and investments in unquoted equity shares are stated at cost. Investment in quoted equity shares are stated at Fair Value through statement of Profit and loss account.

(q) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(r) LEASE

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The company applies single recognition and measurement approach for all leases, except for short term leases and leases of low- value assets. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets.

I Right of Use Assets

Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. In case of rent deposits carried at rate less than market rate, Initial direct costs of right of use assets includes the difference between present value of the Right of Use Assets and Nominal Amount of the deposit. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets:

Useful life of the asset is as follows;

Asset	Useful Life
Right of Use Assets for the Factory Shed	Over the balance period of Lease agreement

II. Lease Liabilities:

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. In calculating the present value, the lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the Company's incremental borrowing rates.

(s) Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. For the disclosure on reportable segments see Note 33.

(t) GST input credit

Goods and service tax (GST) input credit is accounted on an accrual basis on purchase of eligible inputs, capital goods and services. The balance of GST input credit is reviewed at the end of each year and amount estimated to be un-utilizable is charged to the statement of profit and loss for the year.

(u) Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

(v) Equity

Ordinary shares are classified as equity share capital. Incremental costs directly attributable to the issuance of new ordinary shares, share options and buyback are recognised as a deduction from equity, net of any tax effects.

(w) Dividend

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividend are recorded as a liability on the date of declaration by the company's board of directors.

Note : Purpose of Reserves

- General Reserve** : Under the erstwhile Indian Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn though the Company may transfer such percentage of its profits for the financial year as it may consider appropriate. Declaration of dividend out of such reserve shall not be made except in accordance with rules prescribed in this behalf under the Act.
- Security Premium** : Securities premium is used to record premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.
- Capital Reserve** : The Company recognises profit and loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.
- Revaluation Reserve** : Amount of reserve created by company when fair market value of assets increase as compared to book value then the difference of profit is transferred to revaluation reserve and if value of any assets decreases then this reserve is used by company for balancing the losses.
- Retained Earnings** : Retained Earnings are the profits and gains that the Company has earned till date, less any transfer to general reserve, dividends or other distributions paid to shareholders.

(F) SENSITIVITY ANALYSIS

₹ in Lakhs

	31-Mar-2026	31-Mar-2025
Projected Benefit Obligation on Current Assumptions	305.90	301.65
Delta effect of +1% change in rate of discounting	(17.07)	(17.71)
Delta effect of -1% change in rate of discounting	19.54	20.33
Delta effect of +1% change in rate of salary increase	19.79	20.49
Delta effect of -1% change in rate of salary increase	(17.58)	(18.15)
Delta effect of +1% change in rate of employee turnover	3.15	2.57
Delta effect of -1% change in rate of employee turnover	(3.52)	(2.87)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis the present value of the projected benefit obligation has been calculated using the unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognized in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(G) RISK ANALYSIS

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest Rate risk

A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Salary Risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk

The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality Risk

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

The above data is taken on the basis of actuariy report of K.A. Pandit Consultants and Actuaries.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF N.K. INDUSTRIES LIMITED

Report on the Audit of the Consolidated IND AS Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Ind AS Financial statements of **N.K. INDUSTRIES LIMITED** ("the Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated balance sheet as at March 31, 2026, and the Consolidated statement of profit and loss (including other comprehensive income), Consolidated statement of changes in equity and Consolidated statement of cash flows for the year ended, and notes to the consolidated Ind AS financial statements including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for *Qualified Opinion* Section of our report, and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs (Consolidated financial Position) of the Group as at March 31, 2026, and its Consolidated losses (Consolidated financial performance including other comprehensive income), its Consolidated Cash flows and Consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

1. The Holding Company had entered into financial arrangement with National Spot Exchange Ltd (NSEL) through trading and Clearing Member, N.K. Proteins Private Ltd (erstwhile N. K. Proteins Limited (NKPL) (Group Company) by way of purchase and sales of various goods up to financial year 2012-13. The trade payables and trade receivables arising out of the said transactions through National Spot Exchange Limited (NSEL) from the concerns other than the group concerns are subject to confirmations by the respective parties/NSEL and reconciliations/adjustments, if any. Further, NSEL has suspended the trading on 31.07.2013, as per the directions issued by the Government of India, Ministry of Consumer Affairs. NSEL has initiated recovery proceedings against the group company NKPL and also against the Holding company by filing a civil suit in the Hon'ble High Court of Mumbai for an alleged amount of around Rs.937 crores plus interest and the said proceedings are pending as on date. Further, the Home department, Government of Maharashtra has issued a notification under the Maharashtra Protection of Interest of Depositors (in financial establishments)-Act, 1999 (MPID Act) attaching the Land, Building & Plant & Machinery of the Holding company located at Kadi, Gujarat. The Holding company had challenged the notification issued by Home department of Maharashtra before Hon'ble Gujarat High Court which was disposed off vide its order dated 29th March 2017. The Holding company preferred a Special Leave Petition before the Hon'ble Supreme Court of India against the order of Hon'ble Gujarat High Court and The Hon'ble Supreme Court of India had disposed off the Special Leave Petition on 17th April, 2017 with an observation to file an application before Hon'ble Bombay High Court, Mumbai, and as informed by the management, the Holding company has filed petition before the Hon'ble Bombay High Court in June 2017 which is pending. Besides the above, the Holding company has also filed its objections against the attachment notification before the Designated Special MPID Court, Mumbai. In view of the above that the matter is subjudice, and the alleged liability/claim are not accepted by the holding company we are unable to quantify the final liability and its impact if any, on the loss of the Holding company for the Year ended on 31st March, 2026. (Refer note No. 37 of consolidated Ind AS financial statements)
2. The Directorate of Enforcement, Government of India has initiated proceedings against the Holding company under section 5(1) of the prevention of Money Laundering Act, 2002, along with group company NKPL, and by virtue of the provisional attachment order dated 10/03/2015, attached the assets of the Holding company comprising of Land, building, plant and machinery situated at Survey Nos. 719, 720, 721, 732/1, 732/2, 733, 741, 743, 744, 745, Kadi Thol Road, Village Kadi Kasba, taluka- Kadi, District Mehsana-382715 Gujarat. As explained to us, The Holding Company has preferred an appeal before the Hon'ble Appellate Tribunal under the Prevention of Money laundering Act, 2002 against the order of Adjudicating Authority which is pending for final hearing and adjudication.

Further, the Director of Enforcement (hereinafter referred to as ED), Government of India had initiated proceedings of search/seizure on 30.05.2018 on the group company NKPL, the promoters of the Holding company late Shri Nilesh Patel and Shri Nimish Patel, one of the family member as well as on the Holding company and thereafter on 29.06.2018, the ED, Government of India, had preferred an application u/s 17(4) of the Prevention of Money Laundering Act, 2002 before the Adjudicating Authority, New Delhi, vide it's Application No. OA/236 of 2018 against the company as well as group company NKPL and the promoters for retention of the seized properties and for continuation of order of freezing the

properties, till finalization of the proceedings, of the properties mentioned in the application u/s 17(4) of the PMLA Act, 2002. The Holding company along with Group Company and promoters challenged the show cause notice issued by the adjudicating authority New Delhi, before the Hon'ble High Court of Delhi and the Hon'ble High Court has set aside the said show cause notice. The Director of Enforcement has attached assets of the Holding company, group company NKPL and the promoters of the Holding company by issuing a fresh show cause notice dated 30/08/2018 and the Holding company has filed an appeal before PMLA Appellate Tribunal, Delhi. In view of the above that the matter is subjudice, and the alleged liabilities /claims are not accepted by the Holding company we are unable to quantify the final liability and its impact, if any, on the loss of the Holding company for the Year ended on 31st March, 2026. (Refer note No. 38 of consolidated Ind AS financial statements)

3. The Government of Maharashtra, (at the instance of Economic offence, wing Mumbai), has filed supplementary Charge sheet dated 25th December, 2018 under the various sections of IPC AND MPID Act against the holding company and its chairman Shri Nimish Patel. Further MPID Court on the basis of above supplementary charge sheet has issued summons and as stated by the management, the Holding Company has complied with said summons. However, the matter is subjudice. Thus, in view of the fact that the said criminal proceedings which have been initiated, inter alia, against the Holding company and its Chairman Shri Nimish Patel are pending, we are unable to ascertain/quantify the final liability, if any, that may arise from the said criminal proceedings and therefore we are unable to quantify its impact, if any, on the loss of the Holding Company for the year ended on 31st March, 2026. (Refer note No. 39 of consolidated Ind AS financial statements).
4. The Subsidiary Company Tirupati Retail (India) Pvt Ltd had entered into financial arrangement with National Spot Exchange Ltd (NSEL) through trading and Clearing Member, N.K. Proteins private Limited erstwhile N.K Proteins Limited (NKPL) by way of purchase and sales of various goods up to financial year 2013-14. The trade payables and trade receivables (now reflected under non-current financial liabilities & non-current financial assets) arising out of the transactions through National Spot Exchange Limited (NSEL) from the concerns other than the group concerns are subject to confirmations by the respective parties and reconciliations / adjustments, if any. Further, NSEL has initiated recovery proceedings against the company viz. N.K. Proteins private Limited and Holding Company viz. N K Industries limited and also against the subsidiary Company and the said proceedings are pending as on date. In view of the fact that the matter is sub-judice, and the alleged liability/Claim are not accepted by the said subsidiary company, we are unable to quantify the final liability and its impact if any, on the loss of the Consolidated Accounts. (Refer note No. 49 of consolidated Ind AS financial statements).

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the "ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

1. The Consolidated financial statements reflect accumulated losses (after taking into account the balance of reserves) of Rs. 35,763.86 lakhs as at 31.3.2026 and the net worth of the Consolidated accounts as well as Holding Company and Subsidiary Companies as at 31.03.2026 is negative. However, as per the business plan submitted by the management of the holding company to us and accepted by us, and as informed by the management of the Holding Company, the Holding Company is making sincere efforts for the revival of the Business & the management is confident to recover the losses through improved profitability in foreseeable future. Therefore, provision for the impairment has not been made for and accounts for the year have been prepared on "going concern basis." Similarly, the Management of the Subsidiary Companies i.e. Banpal Oil Chem Private limited and NK OIL Mills Private limited, (Except Tirupati Retail India Pvt Ltd where proper provision of Impairment has been done) is also making sincere efforts to revive the business and the management of the said Subsidiary companies are confident to recover the losses through improved profitability in foreseeable future. Therefore, no provision for the impairment has been made in the books of said subsidiary companies and in the consolidated accounts and accounts of the Holding and said Subsidiary Companies for the year have been prepared on "going concern basis." (Refer Note No. 34 of consolidated financial statements).

Our opinion is not modified in the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate standalone Ind AS financial statements and on the other financial information of the subsidiaries were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters

were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter:

Description of Key audit Matter	Our response and results
Litigations and claims (Refer note 29) to the Consolidated Ind AS financial statements) The cases are pending with multiple tax authorities like Income Tax, Sales tax etc. and there are claims against the Holding company & its subsidiary company which have not been acknowledged as debt by the Group. In normal course of business, financial exposures may arise from pending proceedings and from claims of the customers not acknowledged as debt by the company. Whether a claim needs to be recognized as liability or disclosed as contingent liability in the financial statements is dependent on a number of significant assumptions and judgments. The amounts involved are potentially significant and determining the amount, if any, to be recognised or disclosed in the Consolidated financial statements, is inherently subjective. We have considered Litigations and claims, a Key Audit Matter as it requires significant management judgement, including accounting estimates that involves high estimation uncertainty.	Our audit procedures, inter alia, included following: - Discussed disputed litigation matters with the management. - Evaluated the management's judgment of tax risks, estimates of tax exposures, other claims and contingencies. Past and current experience with the tax authorities and management's correspondence/ response including on the claims lodged by customers, were used to assess the appropriateness of management's best estimate of the most likely outcome of each uncertain contingent liability. - Critically assessed the entity's assumptions and estimates in respect of claims, included in the contingent liabilities disclosed in the Consolidated Ind AS financial statements. Also, assessed the probability of negative result of litigation and the reliability of estimates of related obligations. Conclusion: Based on the procedures described above, we did not find any material exceptions to the management's assertions and treatment, presentation & disclosure of the subject matter in the Consolidated Ind AS financial statements.

Emphasis of Matter

- The Consolidated financial statements reflect accumulated losses (after taking into account the balance of reserves) of Rs. 35,763.86 lakhs as at 31.3.2026 and the net worth of the Consolidated accounts as well as Holding Company and Subsidiary Companies as at 31.03.2026 is negative. However, as per the business plan submitted by the management of the holding company to us and accepted by us, and as informed by the management of the Holding Company, the Holding Company is making sincere efforts for the revival of the Business & the management is confident to recover the losses through improved profitability in foreseeable future. Therefore, provision for the impairment has not been made for and accounts for the year have been prepared on "going concern basis." Similarly, the Management of the Subsidiary Companies i.e. Banpal Oil Chem Private limited and NK OIL Mills Private limited, (Except Tirupati Retail India Pvt Ltd where proper provision of Impairment has been done) is also making sincere efforts to revive the business and the management of the said Subsidiary companies are confident to recover the losses through improved profitability in foreseeable future. Therefore, no provision for the impairment has been made in the books of said subsidiary companies and in the consolidated accounts and accounts of the Holding and said Subsidiary Companies for the year have been prepared on "going concern basis." (Refer Note No. 34 of consolidated financial statements).
- A) The Income Tax Department had carried out survey u/s 133 of the Income tax Act, 1961 (the IT Act) on the Holding company along with other group companies during FY 2013-14 and had ordered a special audit of the books of the company u/s 142 2A of the IT Act, 1961, for AY 2011-12 & A.Y 2012-13. The department had raised a demand of Rs 86.00 lakhs for AY 2014-15 on the holding company for the aforesaid assessment years and the said demand has been disputed by the holding company and the holding company has initiated appellate proceedings before appropriate authorities. The said amount has been shown as contingent liability in the notes forming part of consolidated Ind AS Financial statements. Further, Income tax department has passed an attachment order on 22.04.2015 & 14.08.2015 by which it has attached properties of the holding company in pursuant to a demand, the details of the properties attached which are in the name of holding company is as under:

The department has raised a demand on the said subsidiary company for the said assessment year and the said demand has been disputed by the said subsidiary company and the said subsidiary company has initiated appellate proceedings before appropriate authorities. The said amount has been shown as contingent liability in the notes forming part of consolidated Ind AS financial statements. Further, Income tax department has passed an order u/s 179 of the Income tax Act, 1961 in the name of the Directors of the said Subsidiary company. (Refer to note no.51 of IND AS Consolidated Financial Statements).

Our opinion is not modified in the above matters.

Information other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated state of affairs, consolidated Profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors /management of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These consolidated Ind AS financial statements have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the respective companies.

Auditor's Responsibilities for the Audit of the consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence; and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTER

1. We did not audit the standalone financial statements of three subsidiaries, whose financial statements reflect Total assets of Rs 1,56,530.01 lakhs as at 31st March 2026 and total revenues of Rs. 1004.89 lakhs & net cash outflows amounting to Rs. 19.86 lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management

and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors. Our opinion above on the consolidated Ind AS financial statements are not modified in respect of the above matter with respect to our reliance on the work done & the reports of the others auditors and financial information certified by the management of the Holding company.

Report on Other Legal and Regulatory Requirements

1. As required by section 197(16) of the Act as amended , in our Opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding company to its directors during the year is in accordance with the provisions of section 197 of the Act. Further, we report that the provisions of Section 197 of the Act are not applicable to three subsidiary companies, covered under the Act, since none of such companies is a public company as defined under section 2(71) of the Act.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:
 - a. We have sought and except for the matters described in the Basis for Qualified opinion, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements,
 - b. Except for the possible effects of the matter described in the Basis for Qualified opinion, paragraph above, in our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books and the report of the other auditors,
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e. On the basis of written representations, received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements, and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"** which is based on the auditor's report of the Holding company and its subsidiary companies. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us & based on the consideration of the report of the other auditors on financial statement as also the other financial information of the subsidiaries:
 - i. The Consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated Ind AS financial position of the Group (Refer Note No 29 to the Consolidated Ind AS Financial Statements.)
 - ii. The Group did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries during the year ended 31st March 2026.
 - iv. (a) The respective management of the Holding company and its subsidiaries has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of its subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that

the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of its subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The respective management of the Holding company and its subsidiaries has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or any of its subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of its subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures performed by us and those performed by the auditors of the subsidiaries and that have been considered reasonable and appropriate in the circumstances, nothing has come to our and other auditors notice that has caused us or other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Group has not declared and paid any interim dividend nor has proposed any final dividend during the previous year, and hence the question of Compliance and applicability of section 123 of the Companies Act does not arise.
 - vi. Based on our examination which included test checks and that performed by the respective auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, the Holding Company and subsidiaries have used an accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries did not come across any instance of audit trail feature being tampered with. The audit trail has been preserved by the Holding Company and above referred subsidiaries as per the statutory requirements for record retention.
3. With respect to the matters specified in paragraph 3(xxi) and 4 of the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of the Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanation given to us, and based on the CARO reports issued by us for the Holding Company and respective auditors of its subsidiaries included in the Consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualification or adverse remarks in these CARO reports.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF N.K. INDUSTRIES LIMITED ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2026

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Ind AS financial statements of **N.K. INDUSTRIES LIMITED** ("the Holding Company") and its subsidiaries (the Holding company and its subsidiaries together referred to as the Group) as at and for the year ended 31st March 2026, we have audited the internal financial controls with reference to Consolidated Financial Statements of the Holding company and its subsidiaries, which are companies covered under the Act, as at that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies incorporated in India, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Consolidated Financial Statements issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the company and its subsidiary companies as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements and the Guidance Note issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their reports referred to in the other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to Consolidated Financial Statements of the Holding company and its subsidiaries as aforesaid.

Meaning of Internal Financial Controls with reference to Consolidated Ind AS Financial statements

A Group's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorizations of management and directors of the Holding company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated

Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and based on the consideration of the reports of the other auditors on the internal financial controls with reference to Consolidated Financial Statements, of the Holding Company and its subsidiaries which are companies covered under the Act, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31st March 2026, based on the internal control with reference to Consolidated Financial Statements established by the Holding Company and its subsidiaries as aforesaid, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Consolidated Financial Statements issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid reports under section 143(3)(i) of the act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to three subsidiary companies, incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

1.1 RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

A. Standards issued but not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Standalone Financial Statements are disclosed below. The Group will adopt this new and amended standard, when it becomes effective.

- i) Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants. The amendment requires that if a covenant breach is rectified after the reporting date, the same will be treated as a non-adjusting event and this amendment will be applicable from annual reporting periods beginning on or after the April 01, 2026.

The amendment does not see any material impact on the Consolidated Financial Statements.

B. Standards issued and are effective in reporting period.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 01, 2025. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 01, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Group has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 01, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The amendments also require companies to provide new disclosures to compensate for potential loss of information resulting from the relief. Such disclosures are to be provided for annual reporting periods beginning on or after April 01, 2025. These requirements are not applicable to the Group.
4. Other Amendments (Ind AS 115, Ind AS 116): Removed the conflict between Ind AS 109 and Ind AS 115 over the amount at which a trade receivable is initially measured (Ind AS 115 and Ind AS 116). These amendments do not have a material impact on the Group's financial statements.

1.2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

A) STATEMENT OF COMPLIANCE

(i) Compliance with Indian Accounting Standards (Ind AS)

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

(ii) Basis of Preparation and Presentation

In accordance with the notification issued by Ministry of Corporate Affairs, Company is required to prepare its Consolidated Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016 1st April, 2023.

The Financial Statements have been prepared on the historical cost convention on the accrual basis except for certain assets and liabilities that are required to be carried at fair values by Ind AS.

(iii) Basis of consolidation

- i. The Holding Company consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company, its subsidiaries. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group Companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain/loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

- ii. Companies included in Consolidation:

The Group's consolidated Financial Statements includes financial statements of the holding company N K Industries Limited as well as its three wholly owned subsidiaries which are as follows:

- o N K Oil Mills
- o Banpal Oil-Chem Private Limited
- o Tirupati Retail Private Limited

(iv) Current and Non-Current Classification

The Group presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is: -

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when: -

- It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting period,
- or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(v) Operating Cycle

Based on the nature of products/activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

B) Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

C) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value as described below and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

D) Functional and presentation currency

The functional currency and the presentation currency of the Group is Indian rupees. All the amounts are stated in the nearest rupee in lakhs with two decimals.

E) Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupee in lakhs with two decimals as per the requirement of Schedule III, unless otherwise stated.

1.3 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of Property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Measurement and timing for Revenue Recognition

- Income tax and deferred tax
- Measurement of defined employee benefit obligations

1.4 Material Accounting Policies

The Group has applied following accounting policies to all periods presented in the Ind AS Financial Statement.

a) Revenue Recognition

- A) Revenue comprises of all economic benefits that arises in the ordinary course of activities of the Group which result in increase in Equity other than increases relating to contributions from equity participants. Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates.

Goods and service tax is not received by the Group on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the Government. Accordingly, it is excluded from revenue.

Revenue from sales is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer, which generally coincides with delivery. Revenues from sale of by- products are included in revenue. Inter-transfers, other benefits passed on the customer in kind etc are expensed in P&L Account. Rent income and Interest Income is accounted on accrual basis.

A) Other Income

1. Interest Income

Interest income is recognized using effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

2. Dividend Income

Dividend are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably if any.

3. Gain or loss on derecognition of financial assets

Gain or Loss on derecognition of financial asset (if any) is determined as the difference between the sale price (net of selling costs) and carrying value of financial asset.

4. All other Incomes are recognised and accounted for on accrual basis.

b) Property, Plant and Equipment

a. Property, plant and equipment [PPE]

All PPE are stated at original cost (net of tax/duty credit availed) less accumulated depreciation and impairment losses except freehold and lease hold land which is carried at cost. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses relating to the acquisition, trail run expenses (net of revenue) and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met. Thus, the policy of the group is that subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that the future economic benefits associated with the items will flow to the entity and the cost of the same can be measured reliably.

When significant parts of plant and equipment are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipments are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed periodically and adjusted prospectively, if appropriate.

b. Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalized when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

c. Depreciation

Assets in the course of development or construction and freehold and lease hold land are not depreciated.

Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value except office building and Factory building on which depreciation has been provided on Straight line basis over its expected useful life (as per Schedule II of the Companies Act 2013), as follows:

The estimated useful lives of assets are as follows:

Buildings	30-60	Years
Plant and equipments	15	Years
Furniture and fixtures	5	Years
Vehicles	8-10	Years
Office equipments	5	Years
Others Computer hardware	3-6	Years

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such costs. The carrying amount of the remaining previous overhaul cost is charged to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

c) Intangible assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The group currently does not have any intangible assets with indefinite useful life. Intangible assets are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

d) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

e) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences if any, to the extent regarded as an adjustment to the borrowing costs.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowings costs eligible for capitalization.

f) Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss.

g) Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value.

Costs incurred in bringing the inventory to its present location and conditions are accounted for as follows:

Stores and Spares: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Obsolete inventories are identified and written down to net realisable value. Slow moving and defective inventories are identified and provided to net realisable value.

h) Accounting For Taxes on Income:

Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.

Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognised deferred tax assets are reassessed at each reporting date and are recognized to the extent that it is become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income. As such, deferred tax is also recognized in other comprehensive income.

Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

i) Employee benefits

A) Short Term employee benefits

Short term employee benefits for salary and wages including accumulated leave that are expected to be settled wholly within 12 months after the end of the reporting period in which employees render the related service are recognized as an expense in the statement of profit and loss.

B) Post-employment benefits

Gratuity

The Group provides for gratuity, a defined benefit plan ("the Gratuity Plan") covering the eligible employees of the Group. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of the employment with the Group.

Liability with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The Group recognizes the net obligation of a defined benefit plan as a liability in its balance sheet. Gains or losses through re-measurement of the net defined benefit liability are recognized in other comprehensive income and are not reclassified to profit and loss in the subsequent periods. Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Group recognizes these remeasurements in the Other Comprehensive Income (OCI).

Provident Fund

Eligible employees of the Group receive benefits from provident fund, which is a defined contribution plan. Both the eligible employees and the Group make monthly contributions to the Government administered provident fund scheme equal to a specified percentage of the eligible employee's salary. Amounts collected under the provident fund plan are deposited with in a government administered provident fund. The Group have no further obligation to the plan beyond its monthly contributions.

C) Compensated Absences

The Group has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by

an independent actuary at each balance sheet date using the projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

j) Provisions

A provision is recognized when the group has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Warranties

A provision for warranties (if any) is recognized when the underlying products are sold. The provision is based on technical evaluation, historical warranty data and a weighting of all possible outcomes by their associated probabilities. A liability is recognized at the time the product is sold. The Group does not provide any extended warranties to its customers.

k) Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The group does not recognize a contingent liability but discloses its existence in the financial statements.

l) Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group. Contingent assets are neither recognized nor disclosed in the financial statements.

m) Earnings per share

The Group presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

n) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the group are segregated based on the available information.

o) Impairment

A) Financial assets

The Group recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Group assesses whether financial assets carried at amortized cost is credit impaired. A financial asset is 'credit -impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Under the simplified approach, the Group is not required to track changes in credit risk. Rather, it recognizes

impairment loss allowance based on lifetime expected credit losses together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Group uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

B) Non-Financial assets

The group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the group estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an assets net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognized in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Goodwill is tested for impairment annually. Goodwill acquired in a business combination, for the purpose of impairment testing is allocated to cash-generating units that are expected to benefit from the synergies of the combination.

p) Financial Instruments

A) Initial recognition

The group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Regular way purchase and sale of financial assets are accounted for at trade date.

B) Subsequent Measurement

a. Non-derivative financial Instruments

i. Financial assets measured at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets measured at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The group has elected to measure Equity instruments (other than those of subsidiaries) at fair value through other comprehensive income.

iii. Financial assets measured at fair value through profit or loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Group changes its business model for

managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

iv. Financial liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

b. Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the group after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognized as a deduction from equity instrument net of any tax effects.

C) Effective Interest rate (EIR) method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

D) De-recognition

The group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

E) Off-setting

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the group currently has a legally enforceable right to offset the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

q) Fair value measurement

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Fair value for measurement and /or disclosure purpose in these financial statements is determined on such a basis, except for measurements that have some similarities to fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36, if any.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

r) Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Group. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Group. For the disclosure on reportable segments see Note No. 33.

s) GST Input Credit

Goods and service tax (GST) input credit is accounted on an accrual basis on purchase of eligible inputs, capital goods and services. The balance of GST input credit is reviewed at the end of each year and amount estimated to be un-utilizable is charged to the statement of profit and loss for the year.

t) Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

u) Equity

Ordinary Shares are classified as equity share capital. Incremental costs directly attributable to the issuance of new ordinary shares, share options and buyback are recognized as a deduction from equity, net of any tax effects.

v) Dividend

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Board of Directors.

w) Investments

Quoted investments are stated at Fair value through profit and loss account and Unquoted investments are Stated at its cost.

x) Lease

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group applies single recognition and measurement approach for all leases, except for short term leases and leases of low- value assets. At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets.

I. Right of Use Assets

Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. In case of rent deposits carried at rate less than market rate, Initial direct costs of right of use assets includes the difference between present value of the Right of Use Assets and Nominal Amount of the deposit. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets:

Useful life of the asset is as follows;

Asset	Useful Life
Right of Use Assets for the Factory Shed	Over the balance period of Lease agreement

II. Lease Liabilities:

At the commencement date of the lease, the Group recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. In calculating the present value, the lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the Groups incremental borrowing rates.

Note : Purpose of Reserves

- General Reserve :** Under the erstwhile Indian Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn though the Company may transfer such percentage of its profits for the financial year as it may consider appropriate. Declaration of dividend out of such reserve shall not be made except in accordance with rules prescribed in this behalf under the Act.
- Security Premium :** Securities premium is used to record premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.
- Capital Reserve :** The Company recognises profit and loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.
- Revaluation Reserve :** Amount of reserve created by company when fair market value of assets increase as compared to book value then the difference of profit is transferred to revaluation reserve and if value of any assets decreases then this reserve is used by company for balancing the losses.

- e) Retained Earnings : Retained Earnings are the profits and gains that the Company has earned till date, less any transfer to general reserve, dividends or other distributions paid to shareholders.

(E) Actuarial Assumptions:

In accordance with IND AS-19, actuarial valuation as at the year end was performed in respect of the aforesaid Defined Benefit Plans based on the following assumptions:

Particulars		31-Mar-2026	31-Mar-2025
(a)	Discount rate [per annum]	7.27%	6.79%
(b)	Rate of Employee turnover	2.00%	2.00%

(d)	Mortality rate during employment	indian Assured lives mortality (2012-14) Urban	indian Assured lives mortality (2012-14) Urban
(e)	Mortality rate after employment	N.A.	N.A.

(f) Leave Availment Pattern, The balance leave is available for encashment on separation from the company.

(F) SENSITIVITY ANALYSIS

	31-Mar-2026	31-Mar-2025
Projected Benefit Obligation on Current Assumptions	305.90	301.65
Delt effect of +1% change in rate of discounting	(17.07)	(17.71)
Delt effect of -1% change in rate of discounting	19.54	20.33
Delt effect of +1% change in rate of salary increase	19.79	20.49
Delt effect of -1% change in rate of salary increase	(17.58)	(18.15)
Delt effect of +1% change in rate of employee turnover	3.15	2.57
Delt effect of -1% change in rate of employee turnover	(3.52)	(2.87)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis the present value of the projected benefit obligation has been calculated using the unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognized in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(F) RISK ANALYSIS

Gratuity is a defined benefit plan and following are the risks associated with defined benefit plan:

Interest Rate risk

A fall in the discount rates which is linked to the G. Sec. rate will increase the present value of the liability requiring higher provision.

Salary Risk

The present value of defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salaries of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk

The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from owned funds.

Mortality Risk

Since the benefits under the pplan are not payable for life time and payable till retirement age only, plan does not have any longevity risk.

The above data is taken on the basis of actuarial report of K.A. Pandit Consultants and Actuaries.

However, as per the business plan submitted by the management of the holding company to us and accepted by us, and as informed by the management of the Holding Company, the Holding Company is making sincere efforts for the revival of the Business & the management is confident to recover the losses through improved profitability in foreseeable future. Therefore, provision for the impairment has not been made for and accounts for the year have been prepared on "going concern basis." Similarly, the Management of the Subsidiary Companies i.e. Banpal Oil Chem Private limited and NK OIL Mills Private limited, (Except Tirupati Retail India Pvt Ltd where proper provision of Impairment has been done) is also making sincere efforts to revive the business and the management of the said Subsidiary companies are confident to recover the losses through improved profitability in foreseeable future. Therefore, no provision for the impairment has been made in the books of said subsidiary companies and in the consolidated accounts and accounts of the Holding and said Subsidiary Companies for the year have been prepared on "going concern basis."*
- 35 *On the basis of certificate received from the Management of Holding company, the holding company does not have any control on its joint Venture viz "AWN AGRO PRIVATE LIMITED" and hence no consolidation of the said joint venture is taken in to accounts while consolidation of accounts.*
- 36 In the opinion of the Board, Current Assets, Loans and Advances are approximately of the value stated, if realized, in the ordinary course of the business. The provisions for depreciation and all known liabilities are adequate. There are no contingent liabilities other than stated.
- 37 *The Holding Company had entered into financial arrangement with National Spot Exchange Ltd (NSEL) through trading and Clearing Member, N.K. Proteins Private Ltd (erstwhile N. K. Proteins Limited (NKPL) (Group Company) by way of purchase and sales of various goods up to financial year 2012-13. The trade payables and trade receivables arising out of the said transactions through National Spot Exchange Limited (NSEL) from the concerns other than the group concerns are subject to confirmations by the respective parties/NSEL and reconciliations/adjustments, if any. Further, NSEL has suspended the trading on 31.07.2013, as per the directions issued by the Government of India, Ministry of Consumer Affairs. NSEL has initiated recovery proceedings against the group company NKPL and also against the Holding company by filing a civil suit in the Hon'ble High Court of Mumbai for an alleged amount of around Rs.937 crores plus interest and the said proceedings are pending as on date. Further, the Home department, Government of Maharashtra has issued a notification under the Maharashtra Protection of Interest of Depositors (in financial establishments)-Act, 1999 (MPID Act) attaching the Land, Building & Plant & Machinery of the Holding company located at Kadi, Gujarat. The Holding company had challenged the notification issued by Home department of Maharashtra before Hon'ble Gujarat High Court which was disposed off vide its order dated 29th March 2017. The Holding company preferred a Special Leave Petition before the Hon'ble Supreme Court of India against the order of Hon'ble Gujarat High Court and The Hon'ble Supreme Court of India had disposed off the Special Leave Petition on 17th April, 2017 with an observation to file an application before Hon'ble Bombay High Court, Mumbai, and as informed by the management, the Holding company has filed petition before the Hon'ble Bombay High Court in June 2017 which is pending. Besides the above, the Holding company has also filed its objections against the attachment notification before the Designated Special MPID Court, Mumbai.*

- 38 The Directorate of Enforcement, Government of India has initiated proceedings against the Holding company under section 5(1) of the prevention of Money Laundering Act, 2002, along with group company NKPL, and by virtue of the provisional attachment order dated 10/03/2015, attached the assets of the Holding company comprising of Land, building, plant and machinery situated at Survey Nos.719, 720, 721, 732/1, 732/2, 733, 741, 743, 744, 745, Kadi Thol Road, Village Kadi Kasba, taluka- Kadi, District Mehsana-382715 Gujarat. (ii) Fair Value Measurement

This note provides information about how the Group determines fair values of various financial assets.

Fair Value of financial assets and liabilities that are not measured at fair value (but fair value disclosures are required) Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements approximate their fair values.

(iii) Financial Risk Management Objectives

While ensuring liquidity is sufficient to meet Group's operational requirements, the Groups's financial management committee also monitors and manages key financial risks relating to the operations of the Group by analysing exposures by degree and magnitude of risks. These risks include market risk (including currency risk and price risk), credit risk and liquidity risk.

Market Risk

Market risk is the risk of uncertainty arising from possible market price movements and their impact on the future performance of a business. The major components of market risk are commodity price risk.

Liquidity Risk

The Group manages liquidity risk by maintaining sufficient cash and cash equivalents including bank deposits and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

The following tables detail the Groups remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Group may be required to pay.

Proteins Pvt Ltd (NKPPL) for crushing castor seeds. As per the said agreement entered into between both the parties all expenses for running and maintaining the factory including existing plant and machinery shall be the responsibility of NKPPL. This is purely a temporary commercial decision keeping in view the current market scenario and also with a view to restructure/reorganize the business of the company and at a same time it is also worth while that a factory as well as Plant and Machinery shall not remain idle in the process, had it been so it may have huge impact on commercial ecisions which it will be able to take based on running facility. Thus, the company has temporarily given on lease its factory.
