## **Mangalam Worldwide Ltd. Gets Listed on BSE Mainboard Achieves Dual-Exchange Listing Across NSE and BSE Within Eight Months**

**India, May 27 2026** – Mangalam Worldwide Limited (MWL), a fully integrated stainless-steel manufacturing company, has successfully listed its equity shares on BSE Mainboard Platform of BSE Limited (BSE).

This significant milestone underscores Mangalam Worldwide’s growth trajectory and its commitment to strengthening its position in both domestic and global markets. The listing involves a total of 2,97,00674 equity shares with a face value of Rs. 10/- each fully paid up and has been carried out in compliance with BSE.

**Commenting on this development, Mr. Chandragupt Prakash Mangal, Managing Director of Mangalam Worldwide Limited said,** “Our listing on the BSE Mainboard is a proud milestone for Mangalam Worldwide as it reaffirms the market’s confidence in our business fundamentals, growth strategy, and long-term vision. This will further enhance our visibility, provide access to a wider investor base, and strengthen our ability to deliver sustainable value to all stakeholders.”

By achieving dual-exchange status, the company eliminates trading friction, tightens bid-ask spreads, and maximizes retail equity access.

The listing on BSE Mainboard is expected to boost investor participation and aligns with the company’s strategy to scale operations and expand exports across geographies. This follows the company’s successful migration to the NSE Main Board in September 2025, further cementing MWL’s position as a credible listed entity across India’s premier stock exchanges.

Currently, MWL operates in 20 countries, including Asia, Africa, the Middle East, Europe (Spain, Italy, Germany, Netherlands, France, Poland, Czech Republic), Russia, Thailand, USA, Canada, Brazil, and Mexico. The company aims to expand its product portfolio and strengthen its global presence.

The listing is backed by strong financials for FY26, MWL reported Total Income of ₹1,214.98 crore (up 14% YoY) and PAT of ₹50.14 crore (up 70% YoY), with Q4 FY26 PAT rising 81% YoY to ₹15.37 crore

### **About Mangalam Worldwide Limited**

Mangalam Worldwide Limited, established in 1995, is a fully integrated stainless steel manufacturer, with operations ranging from scrap melting to the manufacturing of seamless pipes and tubes. The company also produces stainless steel (SS) billets, ingots, flat bars, round bars, bright bars, as well as seamless pipes & tubes, heat exchanger tubes and U-tubes. Its infrastructure includes steel melting shops, rolling mills, peeling unit with finishing machines and Seamless Pipes & Tubes unit, spread across four plants located in Halol (Unit I), Changodar (Unit II), and Kapadvanj (Unit III & IV), Gujarat. Together, these facilities cover over 1,25,000 square meters and have a total installed capacity of more than 1,90,000 MTPA. With a skilled workforce of 750+ people, Mangalam Worldwide is well-positioned to meet the growing demand for stainless steel products, including billets, ingots, bars, and seamless pipes & tubes.
