Sub: Clarification on price movement in the equity shares of the Company

Ref: Your email reference no. L/SURV/ONL/PV/SJ/ 2026-2027 / 4427 dated October 26, 2026

Dear Sir/Madam,

This is with reference to the above email, by which the Exchange has sought a clarification from the Company on the significant movement in the price of its equity shares in the recent past.

In this regard, we submit that the Company has, from time to time, disclosed to the Exchange all information and events which have a bearing on its operations and performance, including all disclosures required under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"), within the timelines prescribed.

We further confirm that, as on date, there is no information, announcement or event, including any price-sensitive information, pending disclosure by the Company which, in our view, could explain the recent movement in the price of its shares. The Company is not aware of any specific reason for this movement, which appears to be purely market-driven. The Company, its Board of Directors and its management have no role in, and no control over, the trading of the Company's shares on the Exchange.

The Company remains committed to complying with the Listing Regulations and other applicable laws, and will promptly inform the Exchange of any information or event that requires disclosure under Regulation 30 of the Listing Regulations as and when it arises.

We request you to kindly take the above clarification on record.

Thanking you,
Yours faithfully,

For Black Opal Consultants Limited
