Neetu Yoshi Limited Announces Commencement of Commercial Production at Its New Manufacturing Facility in Haridwar

Dehradun – August 08, 2026: Neetu Yoshi Limited (BSE: 544434), a leading RDSO-certified manufacturer of customized ferrous metallurgical products, is pleased to announce that the Company is scheduled to commence commercial production at its new manufacturing facility with effect from September 13, 2026. The facility has been established utilizing the proceeds of the Company's Initial Public Offer (IPO), in accordance with the Objects of the Offer as disclosed in the Prospectus.

Key Highlights:

- **New Manufacturing Facility**: Established at Khasra No. 433, Chudiyala Mohanpur, Bhagwanpur, Haridwar, Uttarakhand – 247661
- **Commercial Production**: Scheduled to commence with effect from September 13, 2026
- **IPO Proceeds Utilisation**: Facility funded through IPO proceeds in accordance with the Objects of the Offer

A Strategic Leap Forward:

The commissioning of the Haridwar plant represents a key milestone in Neetu Yoshi Limited's expansion strategy. The additional capacity is expected to nearly double the Company's manufacturing capabilities, enabling it to address a larger and more diversified order pipeline across the railway and engineering sectors. Backed by sustained investments in India's railway infrastructure and modernisation initiatives, the expansion strengthens the Company's ability to meet evolving customer requirements while supporting its long-term growth objectives.

The expansion reflects the Company's disciplined deployment of IPO proceeds in line with the Objects of the Offer. With India's railway sector witnessing sustained investments and capacity expansion, Neetu Yoshi Limited is well positioned to capitalise on the growing demand for high-quality railway castings and components while strengthening its competitive position and delivering long-term value to stakeholders.

Commenting on the milestone Mr. Himanshu Lohia, Managing Director cum Chief Financial Officer, Neetu Yoshi Limited said, "The commencement of commercial production at our new Haridwar plant represents an important step in strengthening Neetu Yoshi Limited's manufacturing platform and supporting our long-term growth strategy. Developed through the prudent utilisation of IPO proceeds, the expansion reinforces our commitment to disciplined execution and positions us to serve our customers with greater scale, efficiency, and reliability.

We have chosen September 13, 2026 - the 52nd birth anniversary of our Late mother, Mrs. Neetu Lohia-as the date to commence commercial production. Her vision, values, and unwavering dedication to excellence laid the foundation of Neetu Yoshi Limited, making this occasion a fitting tribute to her enduring legacy. As we embark on this new chapter, we remain committed to creating sustainable, long-term value for all our shareholders and stakeholders."
