Management Commentary

Mr. Ajay Longani, Chairman & Managing Director, Admach Systems Limited, said:

“This order underscores the confidence that customers place in Admach's engineering capabilities and execution expertise. As a company specializing in customized industrial systems for the special steel industry and other mission-critical sectors, we continue to see opportunities driven by modernization and capacity expansion across manufacturing industries. The order strengthens our project pipeline and complements our growing order book, while further reinforcing our presence in the steel segment, which continues to be a significant contributor to our business.”
