Particulars	Details
Brief details of litigation viz. name(s) of the opposing party, court/ tribunal/agency where litigation is filed, brief details of dispute/litigation	**Name of the opposing party**: M/s. Edutest Solutions Private Limited **Court/ tribunal/agency where litigation is filed**: High Court of Delhi **Brief details of dispute/litigation**: Pursuant to the transport agreement entered into between TCI Express Limited ('the Company') and Edutest Solutions Pvt. Ltd. ('Edutest'), the Company duly transported and delivered the consignments in accordance with the agreement and submitted the corresponding Proofs of Delivery (PODs) as evidence of completion of the services. For the transportation services duly rendered, the Company raised freight bills aggregating approximately ₹2 crore, which remain unpaid despite repeated demands for payment. Rather than honouring its contractual payment obligations and settling the legitimate outstanding dues, Edutest has instituted the present suit seeking an exorbitant claim of ₹62,00,55,029 towards alleged losses and damages, which the Company considers wholly baseless, untenable and beyond the scope of the transportation services undertaken by it. The Company disputes the allegations and the entire claim raised by Edutest and intends to vigorously contest the proceedings based on the contractual provisions, documentary evidence and other material records available with the Company.
Expected financial implications, if any, due to compensation, penalty etc. and quantum of claims, if any	The Company intends to contest the matter. Based on the facts, contractual provisions and material evidence available on record, the Company believes that it has substantial grounds to defend its position and is hopeful of a favourable outcome. Further, based on its internal assessment, the Company does not anticipate any material financial impact at this stage.
