Dear Sir,

Tickers' technology solution for a FIU approved client goes live

We are pleased to inform that Ticker has provided its technology solution to an FIU approved client which has gone live in India and also other clients globally, with very good market response. The platform, powered by Ticker's state-of-the-art solution, has been very well received in the market. The client has informed about the excellent user response and has expressed strong appreciation for the robust, scalable, and user-friendly technology delivered by Ticker.

This deployment marks major milestone for Ticker in delivering advanced, high-quality, compliant technology solutions to the financial market ecosystems. This attainment reflects the strength of Ticker as a technology company specializing in building secure, scalable, and innovative solutions for technology enabled platforms.

Further, with respect to the ongoing effort of Resolution Applicant for reviving Baron Infotech Limited, a company under CIRP process, an update regarding the same was shared earlier vide our letter dated May 5, 2026 comprising of the contentions raised by the Resolution Applicant and the Order of Hon'ble NCLT, Hyderabad (Order enclosed).

You are requested to kindly take the same on records and do the needful.
