INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

ON UNAUDITED HALF-YEARLY FINANCIAL RESULTS OF PATRON EXIM LIMITED FOR THE HALF YEAR ENDED 30 SEPTEMBER 2026 PURSUANT TO REGULATION 33 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015, AS AMENDED

To,
The Board of Directors
PATRON EXIM LIMITED
(CIN: U24100GJ2022PLC134939)

1. Conclusion

We have reviewed the accompanying Statement of Unaudited Financial Results of PATRON EXIM LIMITED ("the Company") for the half year ended 30 September 2026 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

Based on our review conducted as stated in the Basis for Qualified Conclusion section below, and subject to the possible effects of the matters described in Annexure 1 to this report, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The above conclusion is a draft form of qualified limited review conclusion. The final conclusion (including whether a qualification, disclaimer or other modification is required) must be determined after completion of review procedures and evaluation of the materiality and pervasiveness of the matters in Annexure 1.

2. Basis for Qualified Conclusion

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists primarily of making inquiries of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

J. M. PATEL & BROS. F.R.No.: 107707W C.A. J. M. PATEL M. No. 30161 AHMEDABAD CHARTERED ACCOUNTANTS

The matters set out in Annexure 1 include matters carried forward from the previous year's auditor's report and matters arising from the current half-year financial information, for which the supporting evidence, management explanations, confirmations, reconciliations and/or accounting assessments require further evaluation. The possible financial effects of certain matters have not been quantified by us. Our conclusion is therefore subject to the possible effects of these matters, to the extent they remain unresolved after completion of the review procedures.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, together with the ethical requirements relevant to our review under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the review evidence obtained by us is sufficient and appropriate to provide a basis for our qualified conclusion, subject to completion and documentation of the procedures required in the circumstances.

3. Management's Responsibilities for the Statement

The Statement has been prepared on the basis of the interim financial statements. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit or loss and other financial information in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder, and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls relevant to the preparation and presentation of the Statement that is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board is also responsible for overseeing the Company's financial reporting process.

4. Auditor's Responsibilities for the Limited Review

Our responsibility is to express a conclusion on the Statement based on our review. We conducted our review in accordance with SRE 2410 issued by the ICAI. SRE 2410 requires us to perform procedures to obtain limited assurance as a basis for reporting whether anything has come to our attention that causes us to believe that the Statement is not prepared, in all material respects, in accordance with the applicable financial reporting framework and the Listing Regulations.

A review of interim financial information performed in accordance with SRE 2410 is a limited assurance engagement. The procedures consist primarily of inquiries of Company personnel responsible for financial and accounting matters and analytical and other review procedures. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with Standards on Auditing. Accordingly, we do not express an audit opinion on the Statement.

J. M. PATEL & BROS. F.R.No.: 107707W C.A. J. M. PATEL M. No. 30161 AHMEDABAD CHARTERED ACCOUNTANTS

We also read the other information included with the Statement to consider whether it is materially inconsistent with the Statement or with our knowledge obtained during the review, or otherwise appears to be materially misstated. Where we identify matters requiring attention, we communicate them to those charged with governance.

5. Other Matter / Annexure

The matters requiring attention, including matters reported by the predecessor/previous auditor in the audit report for the year ended 31 March 2026 and matters identified from the current half-year financial information made available to us, are described in Annexure 1, which forms an integral part of this report. The inclusion of a matter in Annexure 1 does not by itself quantify its financial effect; the Company is required to provide supporting evidence and make appropriate adjustments/disclosures wherever necessary.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

PATRON EXIM LIMITED – HALF YEAR ENDED 30 SEPTEMBER 2026
(Matters requiring attention in connection with the limited review of unaudited half-yearly financial results)

1. Continuation of matters reported in earlier years – loans, advances, investments and tax matters. In the audit report for the year ended 31 March 2026, the previous auditor had reported qualifications relating, inter alia, to related-party loans and advances, advances to creditors, investments, unverifiable operating income and unpaid statutory dues/contingent liabilities. The previous report stated that loans and advances had increased from approximately ₹16.41 crore to ₹28.78 crore and that transactions in the relevant loan accounts included debits of approximately ₹17.96 crore and credits of approximately ₹5.59 crore. As at 30 September 2026, the Company's financial statements continue to reflect short-term loans and advances of ₹2,878.37 lakh (₹28.78 crore), apart from advances to creditors of ₹560.79 lakh (₹5.61 crore) and investments of ₹884.34 lakh (₹8.84 crore). Party-wise confirmations, agreements, purpose, terms, recoverability, subsequent receipts and related-party status require verification. In the absence of sufficient appropriate evidence, we are unable to determine whether any provision, impairment, adjustment or additional disclosure is required and the consequential effect, if any, on the Statement.

2. Sales, purchases and supporting documents / no revenue in current half year. The previous auditor's report for FY 2025-26 referred to sales and purchases recorded on the basis of books and documents made available by management, while certain transportation, storage/godown, loading-unloading and related supporting records were not available for independent verification. The current half-year Statement reports NIL revenue from operations and NIL other income for the six months ended 30 September 2026. The Profit and Loss Account also reflects NIL purchases and NIL sales for the period. The Company is required to provide complete documentary explanation for the absence of business turnover during the half year, including details of business activity, purchase/sales registers, GST returns, e-way bills, e-invoices, delivery records, bank transactions and subsequent transactions. In the absence of adequate corroborative evidence and reconciliation, we are unable to determine whether all transactions have been completely and accurately recorded and whether any adjustment or disclosure is required.

3. Inventory – existence, valuation, storage and insurance. The Statement reflects inventories of ₹102.12 lakh as at 30 September 2026, being the same amount as the opening stock. The previous auditor had reported that stock of approximately ₹1.02 crore was not independently verified, that the Company had not provided adequate godown details and that the stock was not insured, and that net realisable value could not be established. The Company is required to provide item-wise quantitative details, ownership documents, physical verification report, location/godown details, stock ageing, valuation workings, subsequent sale/realisation evidence and insurance particulars. In the absence of sufficient evidence, we are unable to determine the existence, condition, valuation and net realisable value of inventory and whether any adjustment is required.

4. Accounting software and audit trail. The previous auditor reported non-compliance/concern regarding the audit trail requirement under Section 128(5) of the Companies Act, 2013 read with the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, including absence of a non-disable audit trail/edit log with date and time stamps. The Company is required to provide details of accounting software used during the current half year, audit trail configuration, logs, user access, evidence that the feature operated throughout the period and details of any period of non-compliance. Unless supported by verifiable evidence, the matter remains unresolved and we are unable to assess the completeness and reliability of the audit trail for the relevant period.

5. Advances to creditors – ₹560.79 lakh. The balance sheet/trial balance reflects advance to creditors of ₹560.79 lakh (approximately ₹5.61 crore). The previous auditor had reported that advances to suppliers of approximately ₹5.61 crore were subject to confirmations and doubtful recovery. The Company is required to provide supplier-wise confirmations, agreements/purchase orders, purpose and terms of advances, ageing, subsequent supplies/adjustments/refunds, balance confirmations and evidence of recoverability. In the absence of sufficient evidence, we are unable to determine whether the balances are recoverable and whether any provision, write-off or reclassification is required.

6. TDS payable and statutory dues. The trial balance reflects TDS payable of approximately ₹34.45 lakh, while duties and taxes in the balance sheet aggregate to ₹82.64 lakh. The previous auditor had reported that TDS deducted/collected remained unpaid and outstanding since the opening balance, including the current year. The Company is required to provide tax-wise and period-wise reconciliation of deductions/collections, challans, returns, defaults, interest, demands and subsequent payments, together with reconciliation of GST ledgers with GSTR-1, GSTR-3B, GSTR-2B and electronic liability/cash/credit ledgers. In the absence of complete reconciliation and evidence of payment, we are unable to determine whether further interest, penalties, disallowances or adjustments are required.

7. Internal audit. The previous auditor's report stated that an internal auditor had been appointed for FY 2025-26 but no internal audit activities had been conducted. The Company is required to confirm applicability of Section 138 of the Companies Act, 2013 for the relevant period, provide the appointment details, internal audit plan, reports and action-taken reports for the half year, or explain non-conduct of internal audit. The status and implications of any continuing non-compliance require evaluation.

8. Related-party transactions and compliance with Companies Act. The previous auditor had reported concerns regarding loans and advances aggregating approximately ₹28.78 crore to related parties and others and compliance with Sections 177, 185, 186, 188 and 189 of the Companies Act, 2013. The Company is required to provide a complete related-party list, transaction-wise details, agreements, purpose, interest terms, Board/shareholder approvals, registers and statutory disclosures. In the absence of complete documentation, we are unable to determine whether all transactions have been duly authorised, are in compliance with applicable provisions and have been appropriately disclosed.

J. M. PATEL & BROS. F.R.No.: 107707W C.A. J. M. PATEL M. No. 30161 AHMEDABAD CHARTERED ACCOUNTANTS

9. Income-tax and GST demands / contingent liabilities. The previous auditor's report referred to an online income-tax demand for AY 2023-24 of approximately ₹15.37 crore plus interest of approximately ₹2.61 crore, for which appeal papers were stated not to have been provided, and a GST demand of approximately ₹21.98 crore for FY 2017-18 in the name of Arvind Traders (erstwhile firm). It also referred to an order dated 28 January 2025 concerning tax/penalty demands against 34 entities, including group entities. The Company is required to provide current demand status, assessment/appellate orders, appeal acknowledgements, stay orders, payment details and legal assessment of exposure, including whether any liability or contingent liability is attributable to the Company. In the absence of such evidence, we are unable to determine the adequacy of provisions and disclosures, if any.

10. Investments – ₹884.34 lakh. The Statement reflects investments of ₹884.34 lakh (approximately ₹8.84 crore). The previous auditor reported long-outstanding investments in two parties, including related parties, without income in earlier years and without adequate agreements/details supporting receivable income. The Company is required to provide investment-wise details, confirmations, agreements, ownership evidence, valuation, income accrual/receipt, approvals, related-party status and recoverability/impairment assessment. In the absence of sufficient evidence, we are unable to determine whether impairment, diminution, non-recognition of income or other adjustment/disclosure is required.

11. Cash flow, liquidity and going concern. The cash flow statement for the half year reports loss before tax of ₹8.54 lakh, depreciation of ₹0.75 lakh, cash generated from operations and net cash from operating activities shown as approximately NIL, and cash and cash equivalents of ₹4.00 lakh at both the beginning and end of the period. The previous auditor had reported negative cash flow and significant deployment in loans and advances, together with operating/cash losses and recovery risks. The Company is required to provide cash flow forecasts, fund-flow details, repayment plans, recoverability assessments and evidence of financial support, if any. These matters require assessment by the Board in evaluating the going concern assumption and related disclosures. Bank account are inoperative and bank statement also not available.

12. Inconsistency in disclosure/classification of advance to suppliers. Note 7 to the Statement of Financial Results states that Other Current Assets include advance paid to supplier of ₹560.79 lakh as at 30 September 2026. However, the Balance Sheet separately presents "Advance to Creditors" of ₹560.79 lakh, while "Other Current Assets" are shown at ₹572.77 lakh and the trial balance separately reflects "Advance to Creditors" of ₹560.79 lakh. The Company is required to reconcile the classification and ensure that the amount is not duplicated or inconsistently presented in the financial statements and notes. Pending reconciliation and supporting ledger mapping, we are unable to determine whether any reclassification or correction of disclosure is required.

13. No revenue and continuation of business operations. The Statement reports NIL revenue from operations for the half year ended 30 September 2026, compared with revenue from operations of ₹2,372.11 lakh for the corresponding six-month period ended 30 September 2025 as shown in the comparative results. The Company has also reported no purchases or sales in the current half-year Profit and Loss Account. Management is required to explain whether business operations were suspended,

J. M. PATEL & BROS. F.R.No.: 107707W C.A. J. M. PATEL M. No. 30161 AHMEDABAD CHARTERED ACCOUNTANTS

dormant or otherwise inactive, whether the Company continues to hold inventory and advances in the ordinary course, and whether all statutory, listing and other compliance requirements have been met during the period. The effect, if any, on going concern, impairment, inventory valuation and disclosures requires consideration.

14. Expenses, preliminary/IPO expenses and accounting treatment. The Profit and Loss Account reflects total expenses of ₹8.54 lakh, including audit fees of ₹1.00 lakh, depreciation of ₹0.75 lakh, legal and professional fees of approximately ₹0.48 lakh, listing fees of ₹1.75 lakh and preliminary expenses written off of ₹4.56 lakh. The trial balance reflects IPO expenses of ₹11.67 lakh after the write-off. The Company is required to provide supporting invoices, agreements, details of the original expenditure, accounting policy and basis for write-off/deferment, and evidence that the accounting treatment is in accordance with applicable Accounting Standards and the Companies Act, 2013. Any amount not meeting the criteria for recognition as an asset is required to be appropriately expensed, subject to applicable requirements.

15. Other balances and confirmations. The Statement reflects trade receivables of ₹420.23 lakh, trade payables of ₹720.43 lakh, unsecured loans of ₹208.81 lakh and other current assets of ₹572.77 lakh. The Company is required to provide party-wise ageing, balance confirmations, subsequent receipts/payments, reconciliations, terms and conditions, related-party identification and assessment of doubtful balances. The effect of any unconfirmed, disputed, overdue or non-recoverable balances has not been quantified in the absence of adequate supporting evidence.
