ABOUT

Network People Services Technologies Limited (NPST) is a leading payment technology company powering the digital banking and payments ecosystem. NPST develops and manages mission-critical payment infrastructure that enables banks, fintechs, and enterprises to process digital transactions securely and at scale.

Guided by its vision to drive digital transformation across the financial value chain, NPST operates through three strategic business verticals: Technology Service Provider (TSP), Payments Platform-as-a-Service (PPaaS), and Regulatory Technology (RegTech). Founded in 2013, the Company delivers technology solutions which helps institutions modernize infrastructure, accelerate innovation, improve transaction efficiency, enhance customer experiences, and strengthen operational resilience.

NPST's product portfolio includes UPI and IMPS switches, CBDC switch, Bharat Connect (BBPS), UPI 123Pay, Omnichannel Super App, Bank-in-a-Box, Evok 3.0, merchant orchestration, and AI-powered Risk Intelligence Decisioning Platform (RIDP). Its products cater to a diverse customer base comprising banks, fintechs, government institutions, merchants, and enterprises.

FY26 marked a significant year in NPST's strategic evolution and growth journey. Over the last four years, the Company has delivered a revenue CAGR of 81%, EBITDA CAGR of 103%, and profit CAGR of 128%, underscoring the scalability of its business model, the strength of its technology platforms, and its growing role in India's rapidly expanding digital payments ecosystem.
