Sub: Increase in Volume

We have received email dated September 04, 2026, stating that you have noted a significant increase in volume of Puravankara Limited ("the Company")'s security across Exchanges, in the recent past. At the outset, we submit that there is no information/announcement (including impending announcement) which in our opinion has a bearing on the price/volume behaviour of the scrip.

The focus of the management is on the business performance of the Company and beyond this Company does not have any role to play either in the volume or price movement of the Stock across the exchanges.

The Company would also like to inform that the requisite disclosures are promptly made to the stock exchange pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in future the same shall be adhered to.

This is for your information and records.
